PREAMBLE

The Board and Federation share a desire to further the educational goals of the College in accordance with Oregon Revised Statute 341.009. The Board and Federation recognize that a major factor in pursuit of this goal is a harmonious and mutually supportive relationship conducted in a fair and equitable manner. The employees and College administration shall support excellence in instruction and services leading to student success.

ARTICLE 1 – DEFINITIONS

1.00 "Academic Professional" refers to members of the bargaining unit other than faculty, who hold professional level positions as defined under the Fair Labor Standards Act. The work is predominantly intellectual, requires specialized education, and involves the exercise of discretion and judgment.

1.01 "Academic year" is the twelve month period from September 1 through August 31.

1.02 "Board" shall mean the Board of Education of Portland Community College District as the elected representatives of the citizens of the Portland Community College District.

1.03 "Break in service" means when employment in a bargaining unit position (except part-time Faculty) is interrupted by an unpaid leave of absence of two academic terms or the equivalent (120 consecutive work days or more), or is terminated by resignation, retirement, dismissal or appointment to a position outside the bargaining unit. This definition does not apply to the situations described in Article 3.52 of this Agreement (appointment of Faculty to fill an administrative position) nor to the PERS statutory break in service provisions.

1.04 "Campus" means a comprehensive College operation maintained by the College that includes lower division collegiate, career and technical education, community and student services. This also includes the Extended Learning Campus, maintained by the College to meet special and unique needs of the district and local residents by providing specialized career and technical education, general education and community and student service activities.

1.05 "College" means the institution of Portland Community College which includes Students, Faculty, Academic Professionals, Classified Employees, Confidential Employees and Management.

1.06 "Consensus" is when all members of a group agree upon a single alternative, and each group member can honestly say:

a. "I believe that you understand my point of view and that I understand yours;"

b. "Whether or not I prefer this alternative, I support it because it was reached fairly and openly."

c. "No one just gives in; no one gets all they want; not always a compromise; but the best solution for us at this time."

1.07 "Day" or "working day" shall mean a day which falls on a Monday through Friday and excludes holidays and other days when the College is closed, unless one of the more specific terms listed below is used in the Agreement.

2.32 College employees who are "Management staff," "Confidential" or "supervisory" employees.

2.33 Part-time Instructors of courses not offered for College-approved credit (i.e. community education, continuing education units and exchange courses). 2.6 Management shall not reclassify a full-time Faculty or Academic Professional to a position not included in the bargaining unit without the employee's consent.

2.7 Management will attempt to meet the instructional, counseling and librarian needs of the College through the employment of full-time Faculty, when warranted by program needs and when economically feasible.
ARTICLE 3 - APPOINTMENT OF FULL-TIME FACULTY & ACADEMIC PROFESSIONALS & PART-TIME ACADEMIC PROFESSIONALS

3.1 Vacancies

3.11 Full-time annually budgeted bargaining unit positions will be advertised and screened according to established Human Resource Department procedures.

3.12 Vacancies for Academic Professional positions will be advertised in-house for a period of at least 7 calendar days before advertisement to the public. In-house and public advertisement of jobs may be done concurrently when:

a. A job is in a highly technical area and/or there is a likelihood that there would be few (if any) qualified in-house applicants, or

b. Where minority or female under-representation is identified in the College's Affirmative Action Plan.

3.13 Academic Professional job vacancies may be identified and advertised internally as "Academic Professional and Classified Staff Only" at Management's discretion. Management encourages staff to consider opportunities for advancement and career development.

3.131 Academic Professional employees who have completed their first year of probation and desire to be considered for an internally advertised Academic Professional job opening shall apply prior to the closing date specified in the job advertisement. Employees who meet the minimum qualifications will be interviewed. If an employee is not hired, the hiring supervisor will provide an explanation either orally or in writing within five days of the hiring decision. The non-selection and the reason for non-selection are at the sole discretion of Management.

3.132 The screening committee procedures in 3.2 do not apply to jobs filled internally through 3.13.

3.14 Appointments to bargaining unit positions may be made without advertising for the reasons below. Managers must submit an employment requisition and receive approval from the Associate Vice President of Human Resources before proceeding with the direct appointment.

3.141 Position requires unusual education, technological training or skills, and is therefore hard to fill, necessitating a special search.

3.142 Urgent need to fill an open position caused by death, unexpected leave of absence, unexpected retirement or unexpected resignation of an employee, in order to meet student needs; or, College receipt of a specially funded position which needs to be filled immediately.

3.143 A Management employee who has not held a prior bargaining unit appointment with the College, or a Management employee who has not had a bargaining unit position with the College within the last five years, may be appointed to a vacant bargaining unit position for which qualified. The screening procedures in 3.15 will apply to such appointments.

3.1431 Upon appointment to an Instructor, Counselor, Librarian or Academic Professional position, those who have not held a prior bargaining unit position with the College will receive a first year probationary contract.
3.1432 Upon re-appointment to an Instructor, Counselor, Librarian or Academic Professional position, those who held a prior bargaining unit appointment shall be granted the same contract status held previously as an Instructor, Counselor, Librarian or Academic Professional employee and shall receive an assessment if it has been three years or more since the prior appointment.

3.1433 Placement on the salary schedule shall be commensurate with years of service to the College.

3.144 Temporary appointments (Article 3.6) may be made without advertising.

3.145 An employee in a temporary appointment may be given a probationary appointment if the temporary appointment was made with the use of the formal screening process (Article 3.11 and 3.21).

3.15 When appointments need to be made without advertising, as defined in 3.14: Management will convene a screening committee, as defined in 3.22, to assist Management and review the qualifications of the proposed candidate, in accordance with College Human Resource Department procedures. If an individual not recommended by the screening committee is hired, the Executive Officer (or designee) shall meet with the committee to discuss the matter.

3.2 Screening Committees. It is understood that the role of bargaining unit employees in the screening process is an advisory one and that they should have the opportunity to be involved significantly in the screening process. In screening job applicants, bargaining unit employees agree to follow Human Resource Department procedures and Affirmative Action/Equal Opportunity Policies of the College as contained in screening procedures provided to each member of the screening committee.

3.21 A campus department screening committee shall be established which will include bargaining unit employees who are willing to serve without additional compensation. Only if there are no bargaining unit employees willing to so serve shall a screening committee be convened without bargaining unit employee representation and Article 3.2 and its subsections shall not apply.

3.211 If Faculty serve on a Faculty screening committee during a term in which they are not scheduled to work, the Faculty shall be granted up to four work days of compensatory time off in an academic year, as mutually agreed with the Administrative Supervisor.

3.22 The composition of a campus department screening committee shall consist of:

a. A Division Dean or another Administrative Supervisor, who shall be the screening committee chairperson. Other administrators may be appointed from other campuses.

b. In the case of a Faculty screening committee, there shall be at least two Faculty members from the campus department, augmented by at least one representative of the college-wide subject area Faculty when possible. It is understood that there is value in having at least one committee member with subject-matter expertise. A majority of the screening committee (at least 51% unless waived by mutual agreement of the Federation and Human Resources) will be Faculty. The screening committee may also include Classified employees and stakeholders (e.g. advisory committee members, students, agency representatives, etc.).

c. In the case of a screening committee for an Academic Professional position a majority of the screening committee (at least 51% unless waived by mutual agreement of the Federation and Human Resources) will be bargaining unit members with at least one Academic Professional representative. The Academic Professional members of the committee shall be in the same, or a closely related job. There shall be Academic
Professional representation from each campus where Academic Professionals are working in the same job whenever possible. The screening committee may also include Classified employees and stakeholders (e.g. advisory committee members, students, agency representatives, etc.).

3.23 The screening committee will make unranked recommendations (usually three) to the appropriate Executive Officer or designee.

3.24 If none of the applicants recommended by the screening committee is to be appointed, the Executive Officer or designee shall meet with the screening committee for a discussion of the matter and to review the selection criteria. The committee may reconvene to reconsider its recommendations. The committee may forward to the Executive Officer or designee either a new list of recommendations or its reasons for adhering to its original list. If the committee forwards a new list and none of the candidates recommended by the committee is to be appointed from that list, the Executive Officer shall again meet with the committee to review the matter. If a resolution is not found at that time, the position shall be re-advertised, and may be filled in the interim by a temporary appointment.

3.25 In the interests of recruiting qualified employees and in order to complete the hiring process while full-time employees are available to participate on screening committees, the advertising and hiring process will be initiated by Winter term and completed by the end of Spring term each year whenever possible. Failure on the part of the College to comply with this Article is not grievable.

3.3 Appointments

3.31 Each full-time Faculty and Academic Professional and part-time Academic Professional shall be appointed as a Faculty member (Instructor, Counselor, Librarian) or Academic Professional.

3.32 Full-time Faculty and Academic Professionals and part-time Academic Professionals shall have: a probationary, special probationary, continuous, special continuous or temporary appointment.

3.33 New employees will be advised in writing of their appointment status and salary upon hire. Probationary and continuous appointment employees will receive written notice of appointment status and salary annually thereafter. Any changes, modifications or extensions in an employee's appointment will be made in writing and only with the consent of the employee unless otherwise provided in this Agreement.

3.34 The standard appointment year is September 1 through August 31. For exceptions, see Articles 1.24, 3.43, 3.6 and 3.7.

3.35 Employment of part-time Academic Professionals shall be on the basis of an authorized level of full-time equivalent hours ranging from 0.46 (960 hours) to 0.66 (1386 hours) in a single position in a fiscal year. The authorized level of appointment is determined by the Administrative Supervisor. Appointment at a particular FTE level or number of hours in a given appointment year shall not require the College to maintain the same level of FTE or hours in future years.

3.36 In the event that the authorized hours of a probationary, special probationary, continuous or special continuous part-time Academic Professional's position are increased to the level of a full-time Academic Professional, (i.e., greater than 1,386 hours), the incumbent employee shall be entitled to placement in the full-time position and the screening process requirements of Article 3 will be waived.
3.4 Probationary Appointment

3.41 This type of appointment is used for the appointment of a bargaining unit employee to a regularly established and budgeted position and shall be for one year, subject to renewal as determined by Management. In order to qualify as a first-year probationary appointment, the assignment, as determined by Management, must be for at least an 180 day appointment year ending August 31. (For appointments of less than 180 days, see 3.43.) Probationary bargaining unit employees shall be notified of non-renewal by March 31. In the first year of probation, bargaining unit employees who have not completed at least two-thirds of their appointment year by March 31 shall be notified no later than June 30.

3.42 Probationary Period

3.421 Academic Professionals: The probationary period shall be of two years duration unless Management determines that it is necessary to extend the probationary period for a third or fourth year. In these instances, the employee shall be notified in writing of such extension and the reasons. This notification shall occur by March 31 of the appropriate year. In no case shall the probationary period exceed four years.

3.422 Full-time Faculty: The probationary period shall be of three years duration unless Management determines that it is necessary to extend the probationary period for a fourth or fifth year. In these instances, the employee shall be notified in writing of such extension and the reasons. This notification shall occur by March 31 of the appropriate year. In no case shall the probationary period exceed five years.

3.43 A bargaining unit employee hired into a probationary position of fewer than 180 days shall be given temporary appointment status until the following September 1, at which time the employee shall receive a first year probationary contract. Non-renewal or termination (resignation, retirement or dismissal) of such an appointment shall be governed by Article 23 of this Agreement.

3.44 The probationary appointment may be terminated or non-renewed by Management as follows:

3.441 Non-renewal in accordance with Article 23.

3.442 Dismissal during the first year of probation. During the first year of probation (trial period), the employee may be dismissed at any time for performance, professional conduct or other problems which negatively affect the employee’s effectiveness in her/his job. When it is appropriate to the situation, Management will initiate a probationary improvement plan which will include a concise statement of the problem, the corrective action to be taken, the amount of time to be on probationary improvement and the consequences of noncompliance which may include dismissal, whether or not a non-renewal notice was issued on March 31. The dismissal, or any disputes about the need for probationary improvement plan, may be appealed according to 3.445 of this Agreement.

3.443 Dismissal during subsequent years of probation. See Article 22.2.

3.444 Elimination of employee position. Probationary staff may appeal elimination of their positions through the appeal process defined in 3.445.

3.445 The appeal process for dismissal during the first year of probation (3.442) for non-renewal (3.441) or for the termination due to the elimination of the employee’s position (3.444) may be appealed beginning at Step 3 of the individual grievance procedure. However, the grievance shall be settled at or below the level of the Executive Officer (Step 4), and shall not be subject to further review under the terms of this Agreement.
3.5 Continuous Appointment

3.51 This type of appointment is made upon satisfactory completion by the employee of a period of service under the probationary appointment. The continuous appointment shall not be terminated by Management or the employee except as provided in this Agreement.

3.52 A continuous appointment employee may be granted up to and including a three year leave of absence in order to assume a position with the College as an annual Management employee without terminating continuous appointment status as a Faculty or Academic Professional. Seniority as a Faculty or Academic Professional will continue to accrue during this three year period.

3.521 Upon termination of the annual Management contract at the end of an appointment year, the employee will return to active bargaining unit status the following year. If no Faculty or Academic Professional position exists because of an overstaffing situation, the layoff procedures in Article 24 shall be followed if continuous appointment staff are potentially affected.

3.522 If the employee has been on a leave of absence for three years or more, an assessment package shall be developed in accordance with Article 7.43, with an assessment review in the first year the employee returns to bargaining unit status.

3.6 Temporary Appointment

3.61 Temporary appointments are for full-time employment. These appointments are most commonly used to fill budgeted positions, i.e., to replace employees on paid or unpaid leave, or to fill budgeted position on an emergency basis (when there is not sufficient time to do a fully advertised and screened search). They may also include positions that are created on a trial basis, as well as situations in which departmental needs and resources temporarily allow for a full-time position.

3.611 Instructor, Counselor or Librarian temporary appointments will normally be for one, two or three consecutive terms but may extend up to two academic years. Academic Professional temporary appointments will be for a minimum of 960 hours per year, but may not exceed two years from date of employment.

3.612 If a temporary appointment is made to replace an employee on leave of absence to accept a Management position with the College, such temporary appointment may be held for a maximum of three academic years.

3.613 Temporary appointments may be renewed up to a total of two years in a temporary appointment for the same budgeted position (i.e. the same position number). If a replacement position is extended beyond two years (other than as described in 3.612), the department will initiate a new competitive recruitment, as defined in 3.64. Nothing in this Article prevents an employee on a temporary appointment from applying for and being granted a subsequent temporary appointment.

3.614 Positions created on a trial basis may not be continued beyond the second academic year. In such cases, a probationary position will be created.

3.62 The reasons for the temporary appointment, duration of appointment and level of compensation shall be stated to the employee in writing at the time of appointment.

3.63 If a three consecutive term temporary appointment is immediately followed by a probationary appointment, the time on temporary appointment shall be credited toward the completion of the probationary period as defined in 3.42 provided that the assessment package, as specified
in Article 7.4, is completed prior to the granting of continuous appointment. Even if an employee has been employed for three or more consecutive years on temporary contracts, the employee must serve one year on a probationary contract before being granted continuous appointment.

3.64 A temporary position may be advertised in-house and filled without the use of a formal screening committee (3.11 and 3.21). Significant involvement of the full-time Faculty and Academic Professionals will be required. Current part-time employees in the subject area, as well as full-time Faculty with temporary appointments in the subject area, will be notified of the vacancy and invited to apply. An employee who gains a temporary appointment under the provisions of 3.64 may not be given a probationary appointment without the use of a formal screening committee. (See 3.11 and 3.21.)

3.65 A part-time Academic Professional who is appointed to a temporary position under Article 1.20 and who continues in the position the following academic year shall be eligible for a step increase upon meeting the requirements of Article 16.211. The total hours the employee worked in the prior year (all hours worked in the position before it met the bargaining unit inclusion level and after) shall count toward the requirement to complete at least two-thirds of an appointment year.

3.7 Special Appointment

3.71 This type of appointment is used for employment in special contract programs which are entirely or largely funded by sources other than local taxes, tuition and state FTE appropriations, and which have not been established as permanent College programs.

3.711 This special appointment shall carry all the rights and obligations of a regular probationary or continuous appointment under the terms of this Agreement except as otherwise specified in this Agreement.

3.712 Such special appointments may be made for the fiscal year of a special funded contract program.

3.713 Movement from special probationary to special continuous appointment status shall take place according to 3.4 and 3.5.

3.72 The special probationary appointment may be terminated or non-renewed by Management as follows:

3.721 Non-renewal in accordance with Article 23.

3.722 Dismissal during the first year of probation. During the first year of probation (trial period), the employee may be dismissed at any time for performance, professional conduct or other problems which negatively affect the employee's effectiveness in her/his job. When it is appropriate to the situation, Management will initiate a probationary improvement plan which will include a concise statement of the problem, the corrective action to be taken, the amount of time to be on probationary improvement and the consequences of noncompliance which may include dismissal, whether or not a non-renewal notice was issued on March 31. The dismissal, or any disputes about the need for a probationary improvement plan, may be appealed according to 3.724 of this Agreement.

3.723 Dismissal during subsequent years of probation. See Article 22.2.

3.724 The appeal process for dismissal during the first year of probation (3.722) or for non-renewal (3.721) may be appealed beginning at Step 3 of the individual grievance
procedure. However, the grievance shall be settled at or below the level of the Executive Officer (Step 4), and shall not be subject to further review under the terms of this Agreement.

3.73 When a special appointment bargaining unit employee is hired to a general fund bargaining unit position, the time spent on full-time special appointment shall be counted toward seniority, appointment status and step advancement on the salary schedule, provided that there has not been a break in service to the College.

ARTICLE 4 - EMPLOYMENT OF PART-TIME FACULTY

The employment of part-time Faculty may be for one, two, three or four terms in an academic year. Employment of part-time Faculty is not tenure-related and does not create any right, interest, or expectancy for any future employment except as expressly provided in this Article. New Faculty members will be assigned a Faculty mentor during their first two years of teaching. However, teaching Faculty retain ultimate responsibility for providing high quality instruction to their students, as well as for fulfilling their other professional responsibilities.

4.1 Assignment Rights (These provisions sunset at the conclusion of summer term 2021)

4.11 Instructors: Instructors who have taught any course in a subject area, for the same department, at the same campus, for nine out of the twelve previous terms, and who successfully undergo the full assessment under Article 7.25, shall have assignment rights to at least one course in that department, at that campus, in subsequent terms in which the program is offered unless not assigned for one of the exceptions under Article 23 - Non-Renewal or Article 22 - Discipline and Dismissal.

4.111 Classes taught at other campuses within the district will count toward earning assignment rights at the campus at which the Faculty member applies for assignment rights. To be eligible for assignment rights at this campus, the Faculty member must have taught at least three out of the most recent four terms at this campus, and must successfully undergo the full assessment under Article 7.25 there.

4.112 Full-time temporary Faculty assignments will count toward gaining and retaining assignment rights beginning with full-time temporary assignments Winter term 1998.

4.113 Effective Fall term 2001, part-time Faculty who wish to transfer their assignment rights to another campus are eligible to do so in an expedited process under the following conditions: 1) the Faculty member must teach at least one course in the same subject area, for the same department and at the same campus for three out of five consecutive terms at the new campus prior to transfer of assignment rights; 2) the Faculty member must request an assignment rights assessment one full term in advance of the term in which he/she will be assessed for assignment rights; 3) the Faculty member must give up assignment rights at the original campus; and 4) the final approval for transfer of assignment rights is with the Division Dean of the new campus.

4.114 Effective Fall term 2005, part-time Faculty with assignment rights who wish to earn assignment rights at an additional campus are eligible to do so in an expedited process under the following conditions: 1) the Faculty member must teach at least one course in the same subject area, for the same department for three out of five consecutive previous terms at the new campus; 2) the Faculty member must request an assignment rights assessment one full term in advance of the term in which he/she will be assessed for assignment rights at the new campus; and 3) the final approval of assignment rights is with the Division Dean of the new campus.
4.12 Retired Full-time Faculty: Retired Faculty may be eligible to gain assignment rights in an expedited process under the following conditions. If the full-time Faculty member is hired to teach after retirement: 1) the Faculty member may request assignment rights after having taught one term; 2) the Faculty member must teach at least one course in the same subject area, for the same department and at the same campus for three out of five consecutive terms and must receive an assignment rights assessment prior to receiving assignment rights; and 3) once assignment rights have been granted, the status of the retired Faculty member shall be the same as that of the part-time Faculty member with assignment rights.

4.13 Counselors, Librarians and Tutors: Faculty who have worked six hours or more per week for a full term in nine out of the previous twelve terms for the same department, at the same campus, shall have assignment rights to six hours per week for one term, provided the work is available, in the same department, at the same campus, unless not assigned under one of the exceptions listed under Article 23 - Non-renewal or Article 22 - Discipline and Dismissal. Earning and application of assignment rights for Librarians employed by the District Library will include all libraries within that department.

4.14 Assessment: A full assessment must occur before a Faculty member receives assignment rights. This assessment may be requested of Management, as described in Article 7.25.

4.15 Assignment rights shall be terminated under the following conditions:

4.151 In accordance with Article 4.211; or

4.152 If the Faculty is not employed by the College during four consecutive terms, unless the non-employment was for one of the following reasons:

4.1521 The number of class sections in the program/department was reduced.

4.1522 The Faculty was on an approved leave of absence in accordance with Articles 19.93 or 19.91.

4.1523 The Faculty member had a temporary assignment as a full-time Faculty member at the College.

4.1524 However, in no case shall Faculty retain assignment rights for more than twelve terms of non-employment, regardless of the reasons for the non-employment.

4.2 Faculty Workload

4.21 Part-time Faculty will not be assigned to a workload which is equal to or exceeds .82 FTE college-wide. When offered assignments by more than one department or at more than one campus, part-time Faculty have the responsibility to inform hiring Managers/Faculty Department Chairs of all teaching assignments and to decline any assignment which would place the Faculty member at or over .82 FTE.

4.211 Management and the Federation agree that the guiding principle in assigning Faculty to teach PCC courses is to assign the best Instructor available to teach each course. The sequence outlined below is intended to achieve this end, while also offering relatively stable employment for assignment-rights part-time Faculty:

1. Once Management has determined the classes to be offered the next term, Full-time Faculty will be assigned the classes needed to fulfill their workload requirement.
2. Remaining classes will be assigned as follows with priority consideration given to part-time Faculty with assignment rights. Factors for priority consideration include, but are not limited to, whether the part-time faculty member with assignment rights has consistently received positive student evaluations that demonstrate effective teaching, and whether other qualified faculty are available who better meet the program’s needs (e.g. faculty with special training related to the course, faculty who can contribute to updating or broadening the program, or faculty who will increase the diversity of the program).

3. Subject to the priority consideration factors listed in paragraph 2 above, part-time Faculty with assignment rights will be assigned a minimum of one class, and will be assigned additional classes subject to the following requirements:

   a. The instructor has requested an assignment, in accordance with Article 4.41, of at least 1.5 FTE for the academic year;

   b. There are sufficient courses available to meet the instructor’s workload request;

   c. The Administrative Supervisor has not identified any concerns with the instructor’s work performance that would warrant not assigning the instructor a minimum of one class, or assigning a workload of less than 1.5 FTE, if it was requested. An instructor who has been notified of such a concern by his/her administrative supervisor may have his/her assignment rights terminated in accordance with Article 4.15. The instructor will be notified of the performance concern in writing, along with the reasons for the concern, at least one term before the termination is proposed to take effect. During this time the Administrative Supervisor may choose to limit the instructor’s workload to one class. The Administrative Supervisor will re-assess the instructor’s performance prior to implementing the decision to terminate the instructor’s assignment rights. The Administrative Supervisor’s decision to terminate the instructor’s assignment rights is final and binding and cannot be grieved.

4. At the discretion of the Administrative Supervisor, remaining classes may be assigned to:

   - Part-time Faculty without assignment rights.

   - Full-time Faculty who have requested part-time fourth-term employment or an overload that has been approved by Management, up to the limit specified in Article 8.22.

4.212 Part-time Instructors whose workload requests are not met have the right to request an explanation and to have the assignment decisions reviewed by the Dean at the next level.

4.22 The workload for Counselors, Librarians and Tutors shall not exceed an average of 24 hours per week, per term.

4.3 Employment

4.31 Faculty will be notified in writing at least ten days before the first class meeting or the first day of work unless the course or the work is assigned later than ten days prior. The notice will include the courses to be taught or work to be done and will be authorized by the immediate Management supervisor.
4.32 Faculty shall not accept assignments within the College which conflict with any prior notices of work assignments issued under this Article for that term, except with the written approval of all immediate Management supervisors involved.

4.33 A teaching or other work assignment may be canceled or removed for any of the reasons outlined in Article 23 - Non-Renewal or Article 22 - Discipline and Dismissal. Compensation for a canceled class or assignment is addressed in Article 18 - Part-time Faculty Salaries and Benefits.

4.4 Annual Assignment

4.41 Faculty with assignment rights will be given annual assignments provided sufficient courses for which they are qualified are planned. Faculty who desire an annual assignment must notify Management in writing by February 1. They will be notified in writing by the last day of class Spring term of each year of the following year's assignment. The notices will include the courses to be taught or work to be done, and will be authorized by the supervisor. Faculty shall reply in writing to the supervisor within ten business days indicating whether or not they will accept the assignment. Failure to respond will result in forfeit of the annual assignment.

4.42 The maximum contact hours allowable for all assignments, college-wide, will not exceed the contact hour maximum established in Article 4.21 above.

4.43 An annual assignment could be altered for any one of the reasons outlined in Article 23 - Non-Renewal or Article 22 - Discipline and Dismissal.

ARTICLE 5 - PROFESSIONAL DUTIES

The professional duties listed in this Article are those for which employees are assessed and compensated. Department assignments may be more specific. These professional duties will be performed under the supervision of Management.

5.1 All employees shall perform their duties in a professional manner during the course of the academic year, including the following:

5.11 Provide services to students in a manner which does not discriminate as to race, creed, religion, color, national origin, disability, age, sex, sexual preference or marital status.

5.4 Special Provisions for Part-time Instructors. In addition to their work related to the course(s) that they teach (i.e. preparation, teaching, assessing, reporting), part-time Instructors are expected to do the following as part of their compensated duties:

5.41 Be available for a reasonable amount of student contact to respond to questions and to resolve problems related to the course through time spent before or after class or through telephone or e-mail exchanges or office hours where facilities and schedules permit.

5.42 Attend one staff meeting (approximately two hours or less) per term as directed by the College and when notified by the Division Dean. A staff development activity may be substituted for the required staff meeting with the approval of the Division Dean. Participation in meetings or staff development can be fulfilled through other means such as virtual attendance, with the written authorization of the Division Dean.

5.43 Be responsible for providing additional hours of course-related student conferences or tutoring over and above classroom instruction when courses are designated as requiring such. Conference hours for designated writing courses are specified in Article 6.222. The designation of writing courses and other courses requiring additional hours will be made by Management. Faculty are required to schedule and work those hours.
5.5 Librarians, consistent with the requirements and standards of the department and the qualifications of the individual Librarian, shall:

5.51 Be responsible for providing Library Services for the College, exercising professional judgment based on adequate knowledge of library service and media technology.

5.52 Assist in the operation of the Library which may include performing special assignments such as the development of library collections or services, outreach to stakeholders and studying the effectiveness of reference and instruction.

5.53 Provide reference services utilizing conventional and electronic data base resources.

5.63 Assist Management in revising, updating and evaluating career exploration and testing programs.

5.64 Provide consultative support services to College staff.

5.65 Provide group counseling sessions, seminars, and workshops. May teach career or personal development classes with the approval of the Director of Counseling Services. The individual Counselor's preference shall be given serious consideration in making assignments.

5.7 Academic Professionals, in accordance with the requirements of the job description provided by Management, shall provide specialized support services to students, Faculty and Management. These services may include program coordination, administrative functions, advising, consulting, training, tutoring, marketing, program development, grant development, job development and/or field supervision of students.

In the event a part-time academic professional is also employed by the College in another capacity, (e.g., part-time faculty, or part-time classified), such other employment shall be treated separately and in accordance with the terms of the applicable collective bargaining Agreement, if any.

An Academic Professional may also be assigned to teach as a part of her/his regular work week. A teaching assignment is any assignment in which an Academic Professional performs all of the duties expected of full-time Faculty under 5.3 or teaches classes being taught by full-time or part-time Faculty members. Academic Professionals who teach as a part of their regular assignment will be paid a teaching stipend in accordance with Article 16.324. Academic Professionals who teach outside of
their regular assignment will be paid at the Faculty overload rate contained in Article 8 and the overload limits of 8.214 and 8.22 shall apply.

5.71 Academic Professional Job Classification System

Management will maintain a job classification system for Academic Professionals. Management will conduct such job studies as it deems appropriate, evaluate and/or reevaluate employee jobs according to that classification system, and make such revisions in the system and related procedures as it deems necessary and appropriate.

5.72 Academic Professional Job Classification Appeals Procedure

An employee may appeal the decision regarding the classification of her/his job after using the College procedure for requesting an evaluation or reevaluation of her/his job. The appeal procedures used to appeal job classification level decisions shall allow for Federation representation at the employee’s request and shall include the following steps:

5.721 The employee shall submit her/his appeal of the job level classification decision to the Associate Vice President of the Human Resources Department (AVP, HR) within ten business days of the date on the written notification. The AVP, HR will give the employee a written decision within fifteen business days of receipt of the appeal.

5.722 The decision of the AVP, HR may be appealed by the employee to the Academic Professional Job Factoring Appeal Committee. The appeal request must be in writing, providing such information as required by College procedures. The decision of the Academic Professional Job Factoring Appeal Committee shall be submitted in writing within thirty business days of the date of the employee’s request for appeal. Copies of the decision shall be provided to the employee and to the AVP, HR. The decision of the Academic Professional Job Factoring Appeal Committee shall be final and binding on the parties.

5.723 The Academic Professional Job Factoring Appeal Committee shall include three administrators, at least two of whom shall have direct or indirect supervision of Academic Professionals. The Federation shall be requested to appoint two Academic Professionals and will provide replacements at the request of the Academic Professional Job Factoring Appeal Committee. Human Resources Department staff will function only as support staff to the Committee.

5.8 Reclassification of jobs from one employee category to another within the bargaining unit

5.81 When Management determines that the duties and responsibilities of an employee’s job have changed substantially, a change may be required in the employee category to which that job is assigned (i.e. Instructor, Counselor, Librarian, Academic Professional).

5.82 When this occurs, the procedures provided in the reduction in force Article in this Agreement (specifically Articles 24.21, 24.22, and 24.23) shall be followed. The employee identified for layoff may be offered the new job as an alternative to layoff if qualified for the new job.

ARTICLE 6 - HOURS AND WORKLOAD OF FULL-TIME FACULTY AND ACADEMIC PROFESSIONALS AND PART-TIME ACADEMIC PROFESSIONALS

The intent of the workload provisions of this Agreement is to provide bargaining unit members with an adequate opportunity to participate in departmental, campus and college governance and to do quality work in meeting their professional responsibilities, as identified in Article 5.
6.1 Work Year and Work Week

6.11 Each full-time Instructor, Counselor or Librarian shall have a 176 day work year with a 35 hour work week as defined in 6.2, 6.3 or 6.4, except as provided in 6.112 and 6.113 below.

6.111 The normal work year may be scheduled in any three terms during an academic year. Normally, the assignment will be for Fall, Winter and Spring terms. With the consent of the employee, alternate assignments involving Summer term may be made (e.g. Fall, Spring and Summer). Such agreements will be documented in writing and copies will be provided to the Human Resources Department and Payroll prior to the beginning of the alternate assignment. Some schedules may result in a salary prepayment to the employee during an appointment year. See Article 16.43.

6.112 If the employee chooses and Management agrees, the work year may be scheduled in four consecutive terms at a reduced level for each term. There will be no increase in salary. The aggregated work performed during this 4-term period will be the equivalent of that performed during a 176-day work year with 35 hour work week (as defined in 6.2, 6.3 or 6.4).

6.113 The parties recognize that some programs offered by the College do not fit within the traditional academic year model described above. In order to meet the needs of those programs for flexibility in scheduling, the parties agree that such programs may utilize alternative schedules upon approval through the contract administration meetings (CAM).

6.12 Each Academic Professional shall have an annual appointment of between 1,387 hours and 2,080 hours, defined in Article 6.5.

6.13 The work week of full-time Instructors, Counselors and Librarians (as defined in 6.2, 6.3 or 6.4) shall be scheduled on a five consecutive day a week basis unless Management designates a four-day per week schedule or unless the Faculty member and their Administrative Supervisor mutually agree upon an alternative schedule. A Management designated four-day work week, which includes the required work hours specified in 6.2, 6.3 or 6.4, shall equal five work days toward fulfillment of the work year.

6.14 Employees will be notified of their scheduled work days and assigned campus location for the ensuing year prior to the end of Spring term.

6.2 Instructor Workload

6.21 The 35-hour work week typically shall include a minimum of thirty hours on campus. Five hours will be posted office hours.

6.211 It is understood that non-instructional days will consist of seven hours of professional duties and when assigned will constitute an exception to the thirty hours on campus work week.

6.212 Inasmuch as some preparation and evaluation are to be completed outside of the thirty hour on-campus work week, Instructors will be required to spend at least five additional hours at these tasks off campus.

6.213 Telecommuting: In some cases individual Instructors and their appropriate Administrative Supervisor may agree to an exception to 6.21 which includes telecommuting.
6.2131 Any agreement for telecommuting between an individual Faculty member and their Administrative Supervisor must be in writing and must recognize the Faculty member's responsibilities outside of the classroom. (See Article 5.)

6.2132 Instructors teaching distance education courses that are largely asynchronous (e.g., telecourses, web-delivered courses) have the option of reducing the number of required on campus hours by written agreement with their Administrative Supervisor. Such agreements must meet the provisions relating to telecommuting above and should reduce time on campus proportionate to the extent of the Instructor's courses taught by distance education delivery. However, even those Faculty who teach entirely by distance education must be on campus a minimum of five hours per week.

6.22 Teaching Load. Instructional teaching load will be assigned and monitored by Management using the teaching load factors specified in this Article as a guide. In calculating the teaching load/full-time equivalency (FTE), the number of contact hours per week will be multiplied by the teaching load factor indicated for the instructional component. If a Faculty is assigned courses that include more than one primary instructional component, the teaching load will be calculated for each component and the results summed to reflect total teaching load for all regular assignments.

The teaching load, averaged over three terms, may range from .92 - 1.15. This load will not exceed the uppermost limits of this range for any given term without the individual Faculty's consent.

FTE for Field Supervision will be calculated by applying the teaching load factor to the number of hours per week the Faculty has been scheduled by her/his Administrative Supervisor to be in the field with students rather than on the number of hours specified in the course content and outcome guide. The teaching load assigned must be in writing and must specify the number of students supervised and the expected hours of instructional related activities per student.

Teaching load factors for individual courses may be changed only as a result of the revision of course content outcome guides. Teaching loads may deviate from those calculated using teaching load factors according to SAC recommendation and administrative approval. Any changes will be made in such a way as to minimize adverse impact on students and student learning. (Following ratification of this Agreement the Federation and Management will develop a procedure to implement this provision through CAM.)

* These numbers are provided for reference only. They represent total contact hours if an Instructor's load were exclusively of a single type (e.g., if all lab, 20 - 25 hours).

** See Appendix E for application of the Co-Op Ed workload factor on a per student basis.

6.221 Definitions: The descriptions below are for purposes of contractual issues related to Faculty workload and are not intended to restrict the pedagogy utilized to ensure student success. For purposes of Distance Education courses, those courses shall carry the same workload designator as classroom sections of the same course.

6.2211 Lecture - Classes where Faculty effort is primarily on activities such as preparation, grading and student evaluation which occur outside of and in addition to scheduled class hours. Class format is traditionally lecture, but Instructors may utilize discussion and other class activities to help students master conceptual materials. Student application of concepts is limited.

6.2212 Lab A - Classes where Faculty effort is primarily during scheduled class hours. Preparation generally occurs outside class hours, and evaluation of student work generally occurs during class hours. Class format is students working independently with the Instructor available, and in the instructional area, for assistance and supervision.

6.2213 Lab B - Classes where Faculty effort in preparation generally occurs outside of scheduled class hours and evaluation occurs outside of scheduled class hours. Class format is a combination of Faculty lectures and demonstrations, guided student interactions and supervised student application of lectures. Students produce lab notebooks, lab reports, and respond in writing to assigned questions; the Instructor is expected to comment on and grade this written work outside of scheduled class hours.

6.2214 Lecture-Lab - Classes where Faculty effort in preparation generally occurs outside of scheduled class hours and evaluation occurs both during and outside of scheduled class hours. Class format is a combination of Faculty lectures and demonstrations, guided student interactions and supervised student application of lectures. Those courses in which the course content guide does not clearly designate the number of lecture hours and laboratory hours.

6.2215 Directly Supervised Clinical - Supervision of students in a setting which involves patient care. Assessment of student learning occurs during and outside of scheduled clinic hours.

6.2216 Field Supervision - The placement of students in a work experience activity on or off campus. A College supervisor visits the work site periodically, but the primary supervision is from the employer or other individual contracted to provide the experience.

6.2217 Instructional Contact Hours per week - The number of clock hours per week assigned to Instructors in the official College class schedule. This definition excludes those instances in 6.2216 in which Instructor-assigned hours are less than student contact hours.

6.222 The teaching load for a full-time Composition/Literature Instructor primarily teaching Management-designated writing courses will be 18 - 21 hours per week of student contact.
This calculation is based on the premise that Instructors of 3-credit Management-designated writing classes will spend at least two hours in writing conferences and writing analysis activities outside of regular class time for every three hours of lecture, while Instructors of 4-credit classes will spend at least three hours in writing conferences and writing analysis activities outside of regular class time for every four hours of lecture.

Individual conferences will be held with students in designated writing courses at least twice during the term. Course content and outcomes guides will reflect the minimum number of student conferences and minimum number of papers to be written by students.

Subject Area Committees (SAC) may request in writing that courses become designated writing courses. If this request is denied, the reasons for denial shall be issued in writing to the SAC. This decision may be appealed by the SAC to the District President or the President's designee for a final decision.

6.223 The teaching load for Instructors who teach developmental education courses (except mathematics) shall range from .78 to .96 FTE. The balance of the teaching load, up to 1.0 FTE, will be assigned in the campus or center's tutoring center.

6.224 The College will allocate a minimum annual budget of $50,000 to support bargaining unit employees (Academic Professionals, Faculty, Librarians, Counselors) who are involved with rapid curricular or program change. Awards from this budget will be made through the Instructional Improvement Project (IIP) Committee. The IIP Committee membership will represent a balance among Counselors, Academic Professionals, Administration, Faculty, Librarians, divisions and campuses. The Federation will assist in recruiting and selecting members. Awards may be, but will not be limited to, stipends or release time. Awards will not be made to purchase equipment. Awards will be designated for a specified time period not to exceed two years.

6.225 Faculty and Management will periodically review class size limits. (See Article 26.24.)

No fourth week class size combination for an individual Instructor will result in more than 640 student contact hours (SCH) per week (e.g., 16 contact hours with 40 students each). In calculating SCH, students in the following courses will be weighted by 0.5:

Telecourses, PE 10, GED 746, ESL 761, any similar classes. The 640 SCH number is an upper limit, not a standard; and it is not intended, in and of itself, to increase class size.

6.23 Assignments

6.231 The Division Dean shall assign Instructors for student advising during registration periods. The period of registration will extend from three weeks prior to the start of Fall term classes through the two weeks following the end of Spring term. Consideration will be given to scheduling the non-teaching days in at least two- to three-day blocks, and to the rotation of assignments during Winter and Spring breaks. Instructors shall not be assigned non-teaching days during both the two weeks following the end of Spring term and during the first week of the Fall term registration period without the Instructor's consent. The individual Instructor's preference shall be taken under advisement in making registration advising assignments, provided the Instructor's timely requests are made in writing to the Division Dean. Assignments
for student advising during any period other than that described above will be made only with the consent of the Instructor. Evening registration assignments of up to four hours shall be credited as one-half a contract day.

6.232 Instructional assignments will be made based on student and program needs, the qualifications of the Instructor, the teaching modality and, insofar as possible, the interests of the Instructor. The individual Instructor's preference shall be taken under advisement in making teaching assignments, provided the Instructor's timely requests are made in writing to the Division Dean. Notification of actual teaching assignments will be given two weeks after the class schedule is finalized. However, this does not preclude changes in the class schedule due to circumstances such as class cancellation and the addition of new classes. If the faculty member is assigned to online course and has not taught online at PCC, the Instructor is required to successfully complete training prior to teaching online. For part-time faculty, compensation will be based on a stipend tied to the special projects rate. Compensation for full-time faculty will be paid when the training is completed outside of the normal work week.

6.233 Teaching assignments will not exceed an eight hour period in a day unless it is necessary to constitute a full workload for the Instructor or unless the Instructor has agreed to accept such an assignment. When assigning classes, Management will consider providing for a twelve hour span between the last class of the day and the first class of the next day, based on the starting times for the classes.

6.234 Instructors will not be required to have more than four preparations in any term without their consent, or unless more than four preparations are required to constitute a full workload.

One preparation is required for each course with a unique (different) course number which is assigned as a part of the Instructor's regular teaching load, which is not concurrent (taught at the same time) with any other course assignment, and which is not being team taught. A class time with more than four concurrent courses constitutes another preparation.

6.235 The daily work schedule showing a typical week the College is in session including teaching assignments, office hours, and other instructional-related activities shall be approved by the Division Dean. This schedule shall be filed for approval with the Division Dean by the end of the first week of each term.

6.236 Instructors shall post their office hours schedule in a conspicuous location in their office area. Office hours are to be held at the Instructor's assigned office location unless arrangements are made in advance with the Division Dean. If an alternate location for office hours has been approved for regular use, this shall be noted on the Instructor's schedule. The Division Dean or designee should be notified if an Instructor must be absent during office hours and a note posted at the office location for the information of students.

6.237 When Instructors are required by Management to travel between campuses, centers or other facilities on the same day one or more times a week, reasonable travel time will be included in the thirty hour on campus requirement.

6.24 Course Development and Major Revisions:

6.241 New course development/major revision of an existing course. In some cases, curriculum review or program review may also qualify for release time or additional compensation. (See Article 26.22.)
6.2411 The development of a new course content and outcome guide or the major revision of an existing course content and outcome guide must be approved by Management in advance and shall be in accordance with the procedures of the Educational Services Division.

6.2412 An Instructor who agrees to accept an assignment for developing a new course content and outcome guide or a major revision of an existing course content and outcome guide shall either receive release time or additional compensation according to the rate in Appendix D. This shall be specified before the Faculty member agrees to accept the assignment. Such released time or additional compensation is predicated upon the completion of the assignment and its acceptance by Management. Faculty may develop or revise courses under the provisions of this Article without released time or additional compensation.

6.242 Instructors who teach classes which have been substantially affected by rapid technological change may apply in writing through their Administrative Supervisors for additional time to revise course materials. The Administrative Supervisor and the Dean of Instruction/Student Development shall each review the application and make a recommendation. If approved by the Executive Officer, the Instructor will receive either release time or additional compensation at the curriculum development rate specified in 6.2412 of this Agreement.

6.243 Course Development or Revisions for Distance Education

The selection of courses and programs (certificate or degree) for distance delivery is the responsibility of the academic administration of the College in accordance with EAC policy.

Consistent with the EAC policy, the appropriate SAC reviews all proposals for new distance education courses and makes recommendations regarding learning activities, techniques and technologies necessary to ensure that SAC approved course outcomes are met. The Distance Education Department and the sponsoring department work with the SAC and Faculty assigned to develop the course to ensure that SAC recommendations are met.

Developing a course for distance education may involve a wide range of activities depending on factors such as, the extent of original materials, the Instructor's prior experience with the distance education modality, the media to be used, the nature of the subject matter and other factors. Courses which are selected for development as a distance education course offering will be produced under a Letter of Agreement (LOA) between the Instructor, the Division Dean and the College Distance Education Department. The LOA shall include any agreed upon support such as compensation or release time. When compensation is approved, major revisions will be compensated up to 50% and new development up to 100% based on the work to be performed. Full stipend is tied to the part-time faculty step 1 rate for lecture.

Agreements for courses being developed for the first time or undergoing major revision will be reviewed in accordance with College standards for online course design prior to being offered. A LOA for multiple terms shall not prevent the College from terminating the agreement in the event of unsatisfactory performance.

6.3 Counselor Workload

6.31 The 35-hour weekly work schedule for each Counselor will be assigned by the Administrative Supervisor and may include evening and weekend hours so as to provide evening and
weekend counseling services. Each Counselor's workload will not require more than five work days and will include five hours per week for non-student contact job-related activities unless otherwise agreed to in accordance with Article 6.13. Where travel or off-campus activities are required by the Administrative Supervisor, the time required will be included in the work week.

6.32 Assignments to career or personal development classes shall not exceed twenty percent of the term workload, without the consent of the individual Counselor. When assigned teaching responsibilities as a part of their direct services workload, Counselors will be allowed one hour of office time for every three teaching contact hours per week. This will be credited to the Counselor's direct service time and not against their weekly non-student contact time.

6.4 Librarian Workload

6.41 The 35-hour weekly work schedule for each Librarian will be assigned by the Director of Libraries. The work week may include evening and weekend hours, so as to provide evening and weekend library and media services. Each Librarian's workload will not require more than five work days and will include five hours for non-student contact job-related activities unless otherwise agreed to in accordance with Article 6.13. The work day shall be scheduled in seven continuous hours, excluding meal periods, unless the Librarian consents to another schedule. Where travel or off-campus activities are required by the Director of Libraries, the time required will be included in the work week.

6.42 Each Librarian shall file with the Director of Libraries the daily work schedule for the typical week the College is in session.

6.43 The preferences of the individual Librarian shall be taken under advisement in scheduling working hours.

6.5 Academic Professional Workload

6.51 Academic Professionals are FLSA exempt employees. As such, the expectation of these staff is that their work time is not bound to a fixed schedule. Notwithstanding their FLSA status, the work schedule for full-time Academic Professionals shall consist of a minimum of 1,387 hours per year. The work schedule for part-time Academic Professionals shall consist of a minimum of 960 hours and a maximum of 1386 hours per year. The work schedule will be determined by the Administrative Supervisor and the Academic Professional and may include evening and weekend hours.

6.511 Where travel or off campus activities are required by the Administrative Supervisor, the time required shall be included in the work week.

6.512 In some cases individual employees and their appropriate Administrative Supervisor may agree to a schedule which includes telecommuting. In such cases the provisions of Article 6.213 shall apply to Academic Professional employees.

6.52 Each Academic Professional will establish their work schedule in cooperation with their Administrative Supervisor. When the needs of the program would be better served by a work schedule that conflicts with the Academic Professional's desired schedule, the Administrative Supervisor may set a work schedule. If program needs require, the Administrative Supervisor may set a work schedule which includes evening and/or weekend hours, provided the schedule will not include more than five consecutive days work without the consent of the Academic Professional.

6.53 Each year, Academic Professional will be granted one-half day (four hours) of release time multiplied by the number of months in their appointment (six days per year for twelve month
employees) for professional development activities. This provision shall not apply to part-time Academic Professionals (those working 960 – 1,386 hours).

6.6 Faculty Department Chair, Administrative Associate, Management Support

6.61 Faculty may agree to accept an assignment as a Faculty Department Chair, Administrative Associate and/or to perform Management support functions.

6.611 Faculty Department Chairs shall serve 3 year appointments that may be discontinued at any time at the discretion of the Administrative Supervisor. Appointments may be renewed at the discretion of the Administrative Supervisor, in accordance with 6.612 and 6.613. There may be more than one Faculty Department Chair, Administrative Associate and/or Faculty performing Management support functions per program or department, or there may be none.

6.612 Faculty in the respective department or program will be given advance written notice of any opening for Faculty Department Chair, Administrative Associates and/or for Faculty to perform Management support duties. Part-time faculty may be considered in the absence of interested and/or available full-time faculty or as a co-chair in partnership with a continuous appointment faculty member FDC.

6.613 The Administrative Supervisor shall solicit the advice of department Faculty before making the selection decision. Probationary or part-time Faculty will not be appointed to a Faculty Department Chair position without the approval of the Executive Officer.

6.614 Department Faculty shall be given written notice of who is appointed as the Faculty Department Chair.

6.62 Faculty shall be assigned duties from a College Faculty Department Chair job description.

6.621 The Faculty Department Chair duties shall be administrative in nature and shall not duplicate Faculty duties as defined in Article 5.

6.622 A copy of the Faculty Department Chair job description with duties, as agreed upon by the Administrative Supervisor and the Faculty member, will be provided to the Faculty.

6.623 The Federation and Management shall review the Faculty Department Chair job description annually upon request of the Federation through contract administration.

6.624 The Faculty Department Chair may be assigned responsibility for conducting assessments of part-time Faculty members under Article 7.2. However, the Faculty Department Chair shall not evaluate full-time Faculty or Academic Professionals except as a peer under Article 7.423, 7.4241, 7.433 and 7.4341. They will not evaluate Classified staff.

6.63 Faculty compensation shall be in the form of release time and/or additional pay.

6.631 The Faculty and the Administrative Supervisor shall agree, in writing, on the compensation and responsibilities of the position. This agreement shall be subject to the approval of the Dean of Instruction and subject to the restriction of 6.7.

6.632 Normally, additional pay will be used in those instances in which the time required to perform the duties is less than five hours per week. Release time may be granted if the required hours are five or more per week.
6.633 The amount of release time shall not exceed the limits described in Article 6.7, but department chairs may receive additional pay in addition to this maximum level of release time. The standard rate of additional pay for the duties will be the Faculty Department Chair rate in Appendix D.

6.634 The total amount of release time and extra pay should relate to the number of sections in the department, the amount of support received from other Faculty and staff, and the extent of program coordination responsibilities beyond that of other full-time Faculty. Deans of Instruction shall, as a group, review Faculty Department Chair compensation, support and duties annually in order to provide some consistency among these agreements.

6.64 An Academic Professional may be assigned as an Administrative Associate. The amount of time for the tasks shall be agreed upon by the Administrative Supervisor and the Academic Professional, subject to approval of the Campus President/Vice-President. Compensation shall be in the form of release time from the employee’s regular assigned duties.

If an Academic Professional accepts a temporary Management position, or agrees to replace a Management person for one month or more, he/she will receive the step increase normally associated with a promotion or the bottom of the new range, whichever is greater.

6.65 Although Faculty Department Chairs, Administrative Associates and Academic Professional Coordinators may be assigned responsibility by their supervisors for directing the work of staff, they are not supervisors or managers and thus do not have the authority to hire, fire or discipline other employees. They may, however, provide input into such actions, and be responsible for assigning, monitoring and coordinating the work of other employees and providing them with day-to-day direction.

6.7 Limit on Release Time for All Purposes

6.71 Instructors: Release time shall not exceed an average of 50% of instructional workload (as defined in 6.22), computed over eight terms or two academic years, whichever is less. Any exceptions to these limits must be approved through the Contract Administration Meetings (CAM).

6.72 Counselors and Librarians: Release time shall not exceed a three term average of fifteen hours per week (50% of the thirty hour per week direct services), computed over eight terms or two academic years, whichever is less.

6.73 Academic Professionals: Release time shall not exceed a three term average of twenty hours per week (50% of the 40-hour work week) computed over eight terms or two academic years, whichever is less. This provision shall not apply to part-time Academic Professionals (those working 960 – 1,386 hours).

**ARTICLE 7 - FACULTY AND ACADEMIC PROFESSIONAL ASSESSMENT**

7.1 General. The purposes of assessment are to provide the employee with feedback concerning job performance; to provide the College administration with guidance in staffing, planning and budgeting; and to assure excellence in the delivery of service.

7.11 This Article applies to full-time Faculty members and Academic Professionals (including probationary, continuous, special probationary, special continuous and three-term temporary employees) and part-time Faculty members.
7.12 For teaching Faculty, the primary purpose of assessment is to enhance the quality of instruction. The Faculty and Management have a common goal of excellence in instruction, leading to student success.

7.13 For instructors teaching in both online and face-to-face modalities, assessment will include both.

7.2 Part-time Faculty Assessment

7.21 Assessment shall consist of a review of the performance of assigned job duties and related responsibilities, in accordance Article 5. For each subject area taught, Instructors are to be assessed by each department based on the Instructor's length of employment in that department. Part-time instructors who teach in the same subject area at more than one campus/center will be given an initial assessment at each campus/center. The FDCs and/or administrative supervisors shall collaborate on future assessments. Assessments will be available to all relevant FDCs and administrative supervisors.

7.22 Initial Assessment. The initial assessment of Faculty members will happen by the end of their second term of employment. Management may designate the Faculty department chair or another appropriate Faculty member to conduct this assessment. The assessment will include, at a minimum, some form of student evaluation and, unless exceptional circumstances preclude, a classroom visit. (Additional assessment tools are listed in 7.28.) A written summary of any observation or report will be given to the Faculty member.

7.23 Second and Third-Year Assessment. All part-time Faculty members will be assessed during their second and third years of employment. Management may designate the Faculty department chair or another appropriate Faculty member to conduct the assessment. The assessment will include, at a minimum, some form of student evaluation and a classroom visit. (Additional assessment tools are listed in 7.28.) A written summary of any observation or report will be given to the Faculty member.

7.24 Subsequent Assessments. All part-time Faculty members will be assessed every three years, with approximately one-third of these subsequent assessments in each division conducted each year. Management may designate the Faculty department chair or another appropriate Faculty member to conduct these assessments. Assessments will include, at a minimum, some form of student evaluation and a classroom visit. (Additional assessment tools are listed in 7.28.) A written summary of any observation or report will be given to the Faculty member.

7.25 Assessment for Assignment Rights. An eligible Faculty member who wishes to obtain assignment rights (see Article 4.1) must request and receive a full assessment by the Division Dean or Administrative Supervisor, before such assignment rights will be given.

7.251 The request must be made one full term in advance of the term in which the Faculty member believes he/she will be eligible to receive assignment rights.

7.252 Assessment for assignment rights will include a Management assessment and a self-assessment. The Administrative Supervisor may use work area visitations to support the Management assessment. The Administrative Supervisor and the employee will agree on other methods to be used to gather information for both assessments, which may include peer observations, some form of student evaluation, student work, student focus group discussions, among others. Management and self-assessments for Faculty members will include some form of student feedback, consistent with Article 5.1, 5.3 and 5.4.

7.253 A copy of the full assessment will become part of the employee file.
7.254 The assessment for assignment rights will be in lieu of the third-year or subsequent assessment, depending on the year in which it is requested and when such assessments would coincide. If the third-year or subsequent assessment has been conducted within the twelve months preceding the assignment rights assessment, the elements of the previously completed assessment may be used for the assignment rights assessment.

7.26 Assessment Conference. If desired by either the Faculty member or supervisor, the Faculty member will meet with the supervisor to discuss the results of the assessment and the Faculty member's plans for professional development.

7.27 A Faculty member may respond in writing to any element of his/her assessment. This response shall be placed in the employee's file.

7.28 Assessments may include but are not limited to some form of student evaluation, work area observations, self-assessments, peer observations, portfolio presentations and Management observations.

7.281 Work area observations may be done by full-time or senior part-time peers or industry experts as long as the Faculty member knows in advance that such observations are planned. If part-time Faculty members are used, they will be compensated for time spent in observing. Management may make work area observations whenever they deem it appropriate.

7.282 If student evaluations are used, they shall not be the sole basis of assessment. They will take place after the fifth week of the term and will be done at least once per academic year. This limitation will not apply to short term or modular courses. Faculty members will be given the results of these student evaluations as soon as possible after the end of the term.

7.283 Peer or administrative assessments may occur at any time during the term.

7.3 Part-time Academic Professional Assessment

7.31 The Assessment provisions of Article 7.4 of this Agreement shall apply to probationary, continuous, special probationary and special continuous part-time academic professional appointments.

7.311 Part-time academic professionals with temporary appointments shall be provided with a written management assessment within 30 days of the conclusion of the temporary appointment.

7.4 Full-time Faculty/Academic Professional Assessment

7.41 The assessment shall consist of an Assessment Plan and an Assessment Review. The elements to be assessed in each will include:

7.411 The performance of assigned job duties and related responsibilities, in accordance with Article 5. These include adherence to College policies and procedures and responsibility for fostering safety, non-discrimination, cultural awareness and diversity in both the workplace and in the educational environment.

7.412 Professional development activities. This will include maintenance of certification or licensure and upgrading skills which may occur through a wide range of activities to keep pace with changing technology/knowledge in the discipline and pedagogy (around teaching and learning). (See Article 5.12.)
7.413 College Service. This includes such activities as participation on College or campus committees, division/department activities, student-related activities and other duties which enhance the College.

7.42 Probationary/Temporary Employees

7.421 Assessment Cycles

7.4211 Temporary staff (three term only) will be assessed in the last term of employment. All elements of assessment will be considered. However, the major focus of the assessment will be the performance of assigned job duties.

7.4212 Probationary staff will be assessed annually.

7.422 Assessment Plan. The assessment plan shall be developed by the employee in consultation with the Administrative Supervisor and shall describe the assessment methods to be used and the professional development activities to be completed. This package shall be reviewed annually and will be modified as needed to meet mutual needs.

7.4221 The assessment plan for probationary employees (including those on special appointments, and full-time temporary employees on assignments of at least three terms) shall be developed during the first term of employment.

7.4222 The Administrative Supervisor shall assess the educational background and work experience of the employee. Together, they will determine what activities will be used in the professional development component of the assessment plan, and how these activities will be supported by the Administrative Supervisor.

7.4223 A copy of the assessment plan, including any subsequent revisions, shall be forwarded to the Human Resources Department for inclusion in the employee's official Employee File.

7.423 Assessment Review. The assessment review will include a Management assessment and a self-assessment. The Administrative Supervisor may use work area visitations to support the Management assessment. The Administrative Supervisor and the employee will agree on other methods to be used to gather information for both assessments, which may include peer observations, some form of student evaluation, student work, student focus group discussions, among others. Management and self-assessments for Faculty members will include some form of student feedback, consistent with Article 5.34.

7.424 Assessment Conference. The assessment conference will take place at a date and time specified by the Administrative Supervisor.

7.4241 At the assessment conference, the employee will provide the Administrative Supervisor with documented evidence of progress toward completion of the plan. Documents may include letters of peer support, transcripts and certifications of completion, etc.

7.4242 The timelines for submitting supplementary documents and for the assessment conference will be set by the Administrative Supervisor. In the event the assessment package is not completed by March 1, a progress
report will be submitted to the Executive Officer through administrative channels and a copy provided to the employee.

7.4243 At the assessment conference the activities in the assessment plan will be reviewed. Multi-year plans will be reviewed and modified as necessary. The methods of assessment will be determined for the following year.

7.4244 The management assessment shall be signed by the administrator and by the employee. For probationary employees, the assessment will include a recommendation as to renewal. The management assessment, the employee’s self-assessment and an assessment plan for the coming year shall be forwarded to the Campus President/Vice-President or designee for review. A copy of the management assessment will be provided to the employee, and the original will be sent to the Human Resources Department for inclusion in the official Employee File.

7.425 Probationary employees who have completed the probationary period and are being recommended for continuous appointment shall design an assessment plan as is required for continuous appointment staff.

7.43 Continuous Appointment Staff

7.431 Assessment Cycle. Continuous staff will receive an assessment review every five years. The Administrative Supervisor may conduct an assessment in less than five years if warranted. Assessment review will include approximately one fifth of the continuous staff in each division being assessed each year. Assessment plans will be reviewed annually.

7.432 Assessment Plan. Each continuous appointment staff shall develop a five-year assessment plan in consultation with their Administrative Supervisor. This plan must be submitted in writing to the Administrative Supervisor during Spring term preceding the year the plan is to be implemented.

7.4321 The assessment plan shall be designed to support job competence, to enhance knowledge in the discipline or assignment of the continuous appointment staff and to encourage involvement in College activities. The plan shall consist of a statement of goals and activities which will be undertaken to complete the assessment process and how these activities will be supported in appropriate dollars and/or time by the Administrative Supervisor.

7.4322 Annual review of progress in assessment. During Spring term of each year, continuous appointment staff shall submit a brief written report to the Administrative Supervisor summarizing the progress made toward the completion of the goals and activities in the assessment plan. The Administrative Supervisor shall respond in writing to the report.

7.4323 The continuous appointment employee and the Administrative Supervisor may agree to make any necessary revisions in the assessment plan.

7.4324 A copy of the assessment plan and report of progress toward completion of this plan shall be forwarded through administrative channels to the employee’s official Employee File.

7.433 Assessment Review. The assessment review will include a Management assessment and a self-assessment. When the assessment plan is developed, the Administrative
Supervisor and the employee will agree on the methods to be used to gather information for both assessments, which may include peer observations, management observations, some form of student evaluation, student work, student focus group discussions, among others. Management and self-assessments for Faculty members will include some form of student feedback, consistent with Article 5.34.

7.434 Assessment Conference. The assessment of the continuous appointment employee shall be discussed at a meeting with the Administrative Supervisor.

7.4341 Documentation which supports the completion of goals and objectives of the assessment plan shall accompany the assessment when appropriate. Documentation may include peer support, transcripts and certificates of completion, among others.

7.4342 The management assessment shall be signed by the Administrative Supervisor and by the employee. The management assessment, the employee’s self-assessment and an updated assessment plan shall be forwarded to the Campus President/Vice-President or designee, who will review, acknowledge and send on to the official Employee File. A copy of the management assessment will be provided to the employee.

7.5 Student Evaluations

General. The purposes of student evaluations are to provide the faculty member with constructive feedback concerning job performance; and to assure excellence in the delivery of service. Accordingly, employees will have access to student evaluations of their sections taught.

7.51 All Full-time and Part-time Faculty will conduct student evaluations for each section taught using a College-approved evaluation tool. The results of the student evaluations will be available to the Faculty member.

7.511 Part-time Faculty. The results of the student evaluations for Part-Time Faculty may be reviewed by the Faculty Department Chair, a designated Faculty member, or the Division Dean/Administrative Supervisor. Student evaluations may be used as one of multiple methods per Article 7.28.

7.512 Full-time Faculty. The results of student evaluations for Full-time Faculty for at least one section per term will be made available to the Division Dean/Administrative Supervisor. The Faculty member will identify which course evaluations will be made available to the Division Dean/Administrative Supervisor prior to teaching the course. If the Faculty member does not identify the course prior to the start of the term, the Division Dean/Administrative Supervisor shall have the discretion to select the course.

During an assessment year, the Faculty member will provide student evaluations of all sections taught to the Division Dean/Administrative Supervisor. The Faculty member may provide additional section evaluations from prior years to the Division Dean/Administrative Supervisor.

ARTICLE 8 - OVERLOADS AND FOURTH TERM EMPLOYMENT

8.1 Overloads and fourth term employment are assignments which exceed the work week, work year and workload definitions in Article 6 of this Agreement. The assignments of overloads and fourth term employment are Management prerogatives. The employee has no inherent right to these assignments from one academic term to the next nor from one academic year to the next. Such assignments are not
mandatory for the employee except as provided in 8.3231. The preservation of curriculum continuity as a factor in educational quality will be considered when making assignments for overloads and fourth term employment.

8.2 Overloads

8.21 Definitions

8.211 Assignments district wide are counted toward an employee’s full load. Assignments beyond the full load will be considered an overload regardless of the location of the assignment within the district. If an employee is working less than a full load in his or her primary department, the employee cannot be assigned an overload in another department.

8.212 Instructors: The assignment of classes in excess of the teaching load defined in Article 6.22 and in excess of the 30-hour per week on campus requirement in Article 6.21 of this Agreement.

8.213 Counselors and Librarians: The assignment of additional direct service hours or of classes in excess of the 35-hour per week on campus requirement of Articles 6.3 and 6.4 of the Agreement. For the assignment of additional days during the appointment year, see 8.3212.

8.214 Academic Professionals: The overload provisions of this Article apply only when they teach in addition to their regular full-time work assignment. The administrator may schedule the overload class during the regular workday and reschedule the workday around the class.

See Article 16.324 when Academic Professional employees teach as part of their regular work assignment.

8.215 Overloads are also in addition to the performance of professional duties as defined in Articles 5 and 6 of this Agreement.

8.22 Overload Limitations. The maximum overload assignment for Instructors (including Academic Professionals) shall be one class (not to exceed an additional 0.350 FTE teaching load factor). The maximum overload assignment for Instructors teaching one credit (Career Guidance or Library classes shall be three classes (not to exceed an additional .204 FTE teaching load factor). Overload assignments for Counselors and Librarians shall not exceed five scheduled working hours per week.

In exceptional circumstances, approved by the Dean of Instruction/Dean of Student Development, an Instructor, Counselor or Librarian may have two overloads in one term. However, no Instructors, Counselor or Librarian may have more than four overloads within three terms of an appointment year.

8.23 Employee Responsibilities. The employee shall notify her/his primary Administrative Supervisor when accepting an overload assignment from another department or campus so as not to exceed the overload limits in 8.22 of this Agreement. The employee shall not accept overload assignments which exceed the overload limitations of 8.22.

8.24 Overload Schedule. The employee’s preference in the scheduling of overload classes shall be taken into consideration. However, since overloads are over and above the regular work day, provisions in Article 6.233 which limit the span of the Instructor’s work day to eight hours, shall not apply.
8.25 Compensation. Overloads shall be compensated at step 9 or 5 of the applicable rates from the part-time pay schedule in Appendix C.

8.3 Fourth Term Employment. Full-time Faculty who work a fourth term will normally do so on a part-time basis; however, at Management's discretion they may do so on a full-time basis. Faculty working on a full-time basis will be expected to perform all of the duties required of full-time Faculty as described in Article 5 – Professional Duties.

8.31 Employment of Full-time Faculty on a Part-time Basis for Fourth Term

8.311 Definitions

8.3111 Instructors: The assignment of classes during a fourth term of employment for less than a full teaching load (i.e., less than .82 FTE).

8.3112 Counselors and Librarians: The assignment of classes or direct service hours for less than seven hours per day.

8.312 Compensation for part-time fourth term employment. Compensation shall be at step 9 or step 5 of the applicable rates from the part-time pay schedule in Appendix C.

8.32 Full-time Fourth Term Employment

8.321 Definitions

8.3211 Instructors: Assigned to work during a fourth term of employment with a full teaching load as defined in Article 6.22 of this Agreement for a regular eleven or twelve week term. The teaching load may be compressed during Summer term to a minimum of eight weeks and may be scheduled for a four day week. Instructors assigned a full teaching load will complete a minimum of thirty hours a week on campus.

8.3212 Counselors and Librarians: A full load for purposes of fourth term employment is defined as extra seven hour workdays in addition to the regular 176 day work year. These extra days may be assigned throughout the academic year.

8.322 Overloads during fourth term employment. No overloads will be assigned to Faculty on fourth term employment without the approval of the Executive Office. Overloads shall be compensated per 8.25.

8.323 Fourth Term Employment Schedules: A fourth term of employment may either precede or follow the regular three term appointment year.

8.3231 Fourth term employment may be a required part of an Instructor's, Counselor's or Librarian's work year when necessitated by the needs of programs and when their salaries are funded in whole or in part by grants or contracts.

8.324 Employee responsibilities. The employee shall notify her/his primary administrator if accepting an assignment from another department or campus during fourth term employment, whether full-time, part-time or on an overload basis.

8.325 Approval and Compensation. Fourth term employment for full workload assignments shall be paid at 100% of the Full time Faculty member's hourly rate on the full-time Faculty Salary Schedule in effect at the time of the fourth term employment. Full-
time fourth term employment can only be approved by the District President or her/his
designee and the approval must be in advance in writing. (See Appendix A.)

ARTICLE 9 - SUBSTITUTES

Classroom substitutes or other alternative instructional modalities will be authorized for those instances in
which the Administrative Supervisor has approved the Instructor's absence in advance. An Instructor may
arrange for her/his own substitute(s), but the substitute(s) must be approved in advance by the Administrative
Supervisor. Instructors shall be assigned as a substitute only with their consent.

ARTICLE 10 - CAMPUS ASSIGNMENTS

10.1 It is understood that employees are employed by the Portland Community College District and not for
a specific campus. Management will determine the initial assignment of a Faculty or Academic
Professional's location at the time of employment. Only Section 10.3 of this Article is applicable to
temporary Faculty.

10.2 Transfers

10.21 Annually, after reviewing the staffing needs and any written statement of circumstances and
preferences submitted by an individual employee, Management will determine the assignment
of the employee's location for the ensuing academic year and notify the employee in
accordance with the timelines specified in Article 6.14 of this Agreement.

10.211 Normally, Academic Professionals will be assigned to work locations for a full
appointment year. However, employees may be reassigned to other work locations
during the year to meet program needs. Management will first seek qualified
volunteers for the assignment. If no qualified employee volunteers, Management
may assign an employee to the work location. When possible, decisions to reassign
employees will also take into consideration the needs of the employees.

10.212 Normally, Faculty will be assigned to work locations for a full appointment year.
However, employees may be reassigned to other work locations during the year to
meet program needs due to emergencies or unforeseen events. Management will
first seek qualified volunteers for the assignment. If no qualified employee
volunteers, Management may assign an employee to the work location. When
possible, decisions to reassign employees will also take into consideration the needs
of the employees.

10.22 A continuous appointment employee who wants to be considered for transfer to another
campus or administrative unit must submit a request in writing to the Human Resources
Department by December 1 of the year preceding transfer in order that the request may be
considered in the annual review of the employee's assignment under the provisions of 10.21
above.

10.23 A continuous appointment employee may also request transfer in order to fill an announced
job opening in the same discipline or job classification at another campus or administrative
unit. The employee's request will be taken into consideration before the location of the new
employee's assignment is established. Such requests must be submitted prior to the closing
date specified in the job announcement.

10.231 At the employee's request, the Campus President/Administrator of the campus or
administrative unit to which the employee wishes to transfer under the provisions of
10.22 or 10.23, shall meet with the employee regarding the employee's transfer
request. If the request is denied, the Campus President/ Administrator will explain the reason for the denial.

10.24 In the annual review of employee location assignments under 10.21 above, Management will consider the benefits to the institution and the individual employee of changing campus location/administrative unit assignments at three to five year intervals. Employees who wish to be considered for such changes shall follow the provisions of 10.22.

10.3 Assignments Requiring Travel. Whenever feasible, Management will consider rotation of assignments which require travel between College campuses or facilities among subject area Faculty or Academic Professionals.

10.31 Assignment of classes so as to require travel between the Instructor's primary office location and the other College campuses or facilities on the same day shall be made only when the scheduling needs of the College require it. The necessity for this travel shall be mutually discussed among the Campus President/Vice-President or designee, the Department Administrator and the Instructor. The results of such mutual discussions shall be utilized in making the final decision. Required travel costs shall be reimbursed in accordance with Management designated procedures.

10.32 Assignment of classes so as to require travel between the Instructor's campus of assignment and other College campuses or facilities on different days of the work week shall be made only when the scheduling needs of the College require it. The necessity for this travel shall be mutually discussed among the Campus President/Vice President or designee, the Department Administrator and the Instructor. The results of such mutual discussions shall be utilized in making the final decision.

ARTICLE 11 - EMPLOYEE FILES

The College Human Resources Department shall maintain the official Employee File on each employee.

Documents in the employee file shall be maintained according to state law. This file will contain only those documents pertinent to the employment history of an employee. Non-disciplinary materials removed from the file will be returned to the employee. Any official grievance filed by an employee shall not be placed in the file and shall not be used in any recommendation for job placement.

Documents relating to assessment or discipline shall be signed or initialed by the employee before placement in the employee file, indicating that the material has been read. Other Management-initiated documents directed to be placed in the employee file will either be addressed to the employee or copied to the employee so that the employee knows that the material is being added to the file.

Disciplinary actions will be removed from the official Employee File (Article 22.11) upon the request of the employee to her or his Administrative Supervisor.

The employee may review and/or copy any material in her/his employee file. The employee may respond to or answer any document in the file. The response shall be placed therein and attached to the document to which it is related.

The Human Resources Department shall maintain a review log in each employee's file. The name of any person reviewing such file shall be recorded in the log with the date of review. Only authorized staff of the Human Resources Department shall be exempt from the use of such a log.

Employee files shall not be removed from the Human Resources Department unless required by law, or upon subpoena by a court or by an administrative agency with competent jurisdiction.
ARTICLE 12 - JOB SHARING

12.1 Definitions

Job sharing shall refer to one full-time position being shared on an approximately equal basis by two current employees. The two current employees must be similarly qualified. The purpose of job shares is to meet the professional-development and personal needs of employees, while assuring the College a level of service and quality that is at least equal to the level that would be provided if the position were held by one full-time employee. There shall be two types of job shares: (a) permanent and (b) temporary. In either case, at least one of the job share partners shall be a full-time employee who has obtained his/her position through a competitive recruitment, as described in 3.1 and 3.2.

12.2 Permanent Job Share

12.21 Two current full-time employees in the same subject area or category (i.e., Librarian, Counselor, Academic Professional) may apply to share a position on a permanent basis. Alternatively, if only one employee desires to be part of a permanent job share, the College may choose to create a .5 probationary full-time position, which will be filled according to Article 3.2.

12.22 When two full-time employees choose to job share on a permanent basis, the result will normally be a vacant full-time probationary position, which will be filled according to Article 3.2.

12.23 Once an employee has elected to be part of a permanent job share, a return to full-time status shall depend on the staffing needs of the department and the College and the qualifications of the employee(s). If an employee chooses to return to full-time status, s/he shall have the right to do so, provided that a vacant probationary position (for which s/he is qualified) opens in the subject area, category (i.e., Librarian, Counselor) or Academic Professional job classification.

12.24 If one of the partners chooses to leave the job share situation (e.g., to return to full-time status, or due to retirement or resignation), the other partner may (a) remain in a job share on a permanent basis if another full-time employee wishes to enter into a permanent job share situation; or (b) remain in a job share if the College chooses to search for a permanent job share partner, as described in 12.21; or (c) remain in a job share on a temporary basis if a partner can be found; or (d) return to full-time employment. It is understood that (a), (b) and (c) will require Management approval. If this situation arises mid-year and a permanent or temporary partner cannot be found, and the remaining partner is unable to return to full-time employment, Management may use part-time employee(s) to replace the vacating partner for the remainder of the fiscal year.

12.3 Temporary Job Share

Temporary Job Shares can be between two current full-time employees in the same subject area or category (i.e. Librarian, Counselor, Academic Professional) or between a current full-time employee and a similarly qualified current part-time employee.

12.31 Job Shares between two current full-time employees:

12.311 Two full-time employees may job share for one or two years. At the employees' request and management's approval, the temporary job share may be renewed for an additional one or two years, for a maximum of four years.

12.312 When two full-time employees job share, the result will normally be a vacant full-time temporary position, which will be filled according to Article 3.64. If the temporary job share is renewed there will be a new search for a temporary full-time
replacement, according to Article 3.64. The person in the full-time temporary position may or may not be selected again.

12.32 Job shares between a full-time employee and a current part-time employee:

12.321 A full-time employee and part-time employee may job share for one or two years. The part-time partner may be selected according to the procedures in Article 3.64, or may be selected by the full-time partner, with Management's approval. At the full-time employee's request and Management's approval, such job shares may be renewed indefinitely, according to the procedures in 12.322.

12.322 If Management approves the full-time employee to continue the temporary job share (for up to an additional two years at a time), the department will initiate a new competitive recruitment for a part-time partner, as described in Article 3.613 and 3.64. The original part-time partner may or may not be selected again.

12.323 The full-time partner will have significant input into the selection of the partner.

12.324 The partner who was previously part-time will be considered a temporary full-time employee and will be hired and employed under the provisions of Article 3.6.

12.325 The employee initially in the regularly-budgeted full-time position retains the right to return to full-time status. The partner will be given at least one term's notice of the termination of the job share.

12.33 If Management chooses not to continue a two-year temporary job share beyond one year, the employees will be notified by the end of Winter term.

12.4 Application Procedures

12.41 A full-time employee or pair of full-time employees wishing to share a position shall submit a proposal to the administrator of the department. Where possible, the requests shall be submitted by December 1 of the fiscal year preceding the requested initiation of job sharing. Such proposal shall include a plan for the division of responsibilities and the work year schedule. Proposals shall specify the beginning and ending dates if the arrangement is to be temporary.

12.42 Management shall retain all rights to approve or disapprove a proposal, made under this Article. Management shall communicate its decision in writing to the full-time partners prior to the end of the Winter term preceding the year of requested implementation. Denial of a job share shall not be subject to the grievance process pursuant to Article 25.

12.43 In a temporary job share situation, the search for the temporary full-time replacement or part-time partner will normally occur during the Spring term preceding the year of requested implementation. Following the selection, the part-time partner will work with the full-time partner and immediate supervisor to create a plan for the division of responsibilities and the work year schedule.

12.5 Other Provisions Related to Job Sharing

12.51 All salaries (Article 16), insurance (Article 17), and paid leaves (Article 19) shall be provided to each employee on a pro-rated basis as determined by the Associate Vice President of Human Resources based on the work year schedules of the Faculty or Academic Professional. If Faculty or Academic Professional is not a continuous appointment employee(s), the probationary period shall follow Article 3 (not pro-rated).
12.511 Both employees shall receive salary step increases on an annual basis.

12.512 Eligibility for benefits which require length of service to determine eligibility (such as professional leave and early retirement) shall be assigned in accordance with Articles 20 and 14.

12.513 Compensation for professional leave will depend on whether the job share is temporary or permanent. If temporary, the job share will end prior to the beginning of the professional leave, the employee will revert to full-time and the employee will be paid at the appropriate rate as specified in Article 20. If the job share is permanent, the employee will be paid the appropriate rate as specified in Article 20, applied to the employee’s pro-rated salary.

12.52 Faculty in a job-sharing situation shall be eligible for staff parking permits at the part-time staff rate.

ARTICLE 13 - ACADEMIC FREEDOM

13.1 Faculty are entitled to academic freedom which carries with it academic responsibility to the students, to the community and to the College. Academic freedom depends on the free search for truth and its free exposition and is applied to teaching and other College-related activities. Academic freedom in its teaching aspect is fundamental for the protection of the rights of Faculty in teaching and of the student to freedom in learning.

13.2 When teaching, Faculty are entitled to freedom in the classroom in discussing the subject, but, while controversy is at the heart of free academic inquiry, Faculty shall not persist in introducing material which has no relation to the subject into their teaching.

13.3 As members of the College, employees seek above all to be effective in their assigned duties. Although they shall observe the stated regulations of the College, employees maintain their right to criticize and seek revision.

13.4 Faculty are entitled to full freedom in research and in the publication or production of the results subject to the adequate performance of other academic duties and in concert with the provisions of Article 28 Intellectual Property Rights.

13.5 Employees are citizens, members of a learned profession, and members of the College. When they speak or write as citizens, they shall be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As persons of learning and as educators, they should remember that the public may judge their profession and the College by their utterances. Hence, they shall at all times be accurate, exercise appropriate restraint, show respect for the opinions of others, and make every effort to indicate that they are not College spokespersons.

13.51 As members of the community outside the College, employees have the rights and obligations of any citizen. The exercise of such rights shall not be grounds for discipline unless the employee fails to carry out those obligations as specified in 13.5. Employees individually determine the amount and character of their civic, political and community involvement outside the College with due regard to their responsibilities within it. As citizens engaged in a profession that depends on freedom for its health and integrity, employees have a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.

13.6 Articles 13.1 through 13.4 will also apply to Academic Professionals when teaching as Faculty, when conducting scholarly research, and when presenting or publishing the result of scholarly research.
ARTICLE 14 - RETIREMENT

14.1 In order to provide the College with sufficient time to recruit and hire replacements, all employees are encouraged to provide at least 90 days advance notice. Faculty members who intend to retire under the provisions of this Article are encouraged to provide notice by May 15 of their intent to retire during or at the end of the following academic year. Such written notices shall be submitted to the employee’s Administrative Supervisor.

14.2 Employees will be retired according to state law. The College and employees will participate in the various contributory retirement plans provided by the laws of the State of Oregon. In addition to the PERS retirement benefit, employees who meet the requirements in 14.5 will be entitled to the enhanced retirement benefits described therein.

14.3 Effective October 1, 2001, the College reinstated the "pick-up" of the 6% employee contribution to PERS for eligible full-time Faculty and Academic Professional employees in accordance with the applicable statutory provisions and administrative rules. In consideration of this provision, the salary schedules for full-time Faculty and Academic Professionals were adjusted by an offsetting 6%.

14.31 The College shall pay the 6% Public Employee Retirement System contribution due from each eligible part-time Faculty member and Academic Professional without deduction or withholding such contribution from pay.

14.4 The College shall participate in and employees may be compensated for accumulated unused sick leave in the form of increased retirement benefits in accordance with state law.

14.5 Employees in benefits-eligible positions prior to retirement who retire under the provisions of this Article shall be able to participate in College group health, dental, prescription and vision care plans, subject to approval by the insurance carriers, and provided that the retiree pays the premiums.

14.6 Effective September 1, 2011, an employee who has completed ten consecutive years of full-time employment (excluding temporary appointments) with the College AND who has EITHER thirty years of creditable service in the State Public Employee Retirement System OR who is at least 58 and not more than 64 years of age shall have the option of an early retirement program which will provide the employee $400.00 per month for a maximum period of four years. Such payments will terminate at the end of the month in which the employee reaches the age of 65 or at the end of four years, whichever comes first.

Eligible employees can elect to receive a lump sum payment in lieu of the monthly stipend discounted to present value. The lump sum payment will be based on the number of months that the employee is eligible to receive the monthly stipend up to a maximum of 48 months. The lump sum payment will be paid on the first payroll following the date of retirement. Employees choosing this option must give written notice to the employee’s Administrative Supervisor no later than 90 days prior to the employee retirement date. The retirement date shall be July 1, unless a different date is approved by the District President.

14.61 Employees who have retired will receive the stipend under the terms and conditions specified in the Agreement which was in effect at the time of their retirement. The stipend shall be discontinued in the event that the retired employee dies before the end of the completion of the four year maximum period or attains the age of 65.

14.7 For those employees who retire under the provisions of 14.6 above, on or after September 1, 2011, health, dental, prescription and vision care premiums for those insurance programs provided by the College shall be paid for the retiree and one eligible dependent up to the College paid maximums for the health insurance premiums (Article 17.22) specified in the Faculty Agreement in effect at the time of their retirement. These premiums shall be paid for a maximum of six years or until the end of the
month prior to the month in which the employee reaches age 65, whichever comes first. The implementation and continuance of this subsection is subject to approval by the insurance carriers.

ARTICLE 15 - TUITION WAIVER

Temporary employees (one, two or three terms) are eligible for tuition waivers during the period of their employment only.

15.11 Eligible dependents include the employee’s spouse/domestic partner and dependent children under the age of 24 and as defined by the Federal Internal Revenue Service; or, a dependent child who is incapable of self-support because permanently mentally or physically incapacitated and became so before age 24.

15.12 Full-time Faculty/Academic Professional.

15.122 Eligible dependents shall be eligible for up to 19 credits per term each for a maximum of the credits required to obtain a two year degree in a College program.

15.13 Part-time Faculty/Academic Professional.

15.131 The tuition waiver shall apply to a maximum of six credit hours or two classes per term, whichever is greater.

15.132 For part-time Faculty, tuition waivers may be used during a term in which the Faculty member is employed and during the term which immediately follows the term in which the Faculty member is employed.

15.133 Eligible dependents shall be entitled to a maximum of six hours or two classes per term, whichever is greater. A child who is an eligible dependent of two part-time Faculty or Academic Professional employees is entitled to a maximum of twelve credits or four classes per term, whichever is greater.

15.2 The employee shall register for any Portland Community College classes during employee’s non-working hours and in accordance with the College’s registration schedule and procedure.

15.3 Attendance at any class by an employee shall not interfere with the employee’s regular responsibilities to students or with the employee’s classes and other assigned duties.

15.4 It is understood that no class will be conducted which would not have met without the enrollment of such tuition waiver students. A non-tuition waiver student shall not displace a tuition paying student.

15.5 The tuition waiver may be used by an employee or eligible dependent for CED/CEU courses. The dollar value per term for CED/CEU classes shall not exceed the dollar value of tuition (as approved by the Board) for the maximum number of above hours of credit classes.

16.15 A Faculty member relocated to an Academic Professional position following the elimination of the Faculty position, shall not suffer a loss in annual salary. Their salary shall be frozen until the salary range for that Academic Professional position exceeds the employee's salary. It is understood that the new positions may require additional days and/or hours but that the employee will receive the same compensation.

16.16 Changes in Academic Professional Salary/Classification Level.

An Academic Professional employee who is promoted or reclassified to an Academic Professional position at a higher grade level will be placed on the step of the new range that results in at least a 5% increase.

When an Academic Professional employee is assigned to a job at a lower salary level as a result of layoff or reclassification, the employee's pay will be frozen until it falls within the salary range for that level. An Academic Professional who applies for and is appointed to a position at a lower level shall be paid the salary at the level in accordance with 16.1.

16.211 Academic Professionals who have demonstrated satisfactory completion of the assessment plan and/or assessment review, as applicable, in Article 7, shall progress one step on the salary schedule in effect as of September 1st of that year (Appendix B). Academic Professionals hired mid-year from January 1st to April 30th, are not eligible for a step increase but receive a pro-rated lump sum payment based on the
hours worked by August 20th of that year (i.e., a proportionate share of the increase they would have received if they had been eligible for the step movement.)
Academic Professionals hired on or after May 1st are not eligible for this increase.
The pro-rated lump sum payment is paid on October 1st.

16.22 Employees granted a leave of absence without pay (for other than educational purposes or leave for service in appointed or elected office under Article 19.941) for two-thirds of their appointment year or for one-half of their appointment year in two consecutive academic years shall not advance to the next step on September 1. However, employees who complete an average of at least two-thirds of an appointment year during two consecutive academic years while on leave shall advance to the next step on September 1 following completion of the leave of absence.

After the satisfactory completion of the improvement plan, the employee will receive her/his annual step increase retroactive to September 1 or a maximum of three months.

16.3242 The teaching stipend will be paid to the Academic Professional for instruction done in the classroom as a regular part of a program curriculum.
16.3243 The teaching stipend for Cooperative Education courses, as required under the provisions of Article 5.2, may be paid the term following the term in which the teaching was performed.

16.42 The salary of an employee who fails to complete the required work schedule during the appointment year shall be adjusted based on the percentage of work schedule completed.

16.43 Faculty who have individual appointment years which begin on July 1 of each year actually receive two months of advance pay. In the event a termination (resignation, retirement, dismissal) or leave without pay occurs before the end of the appointment year, the Faculty's salary will be adjusted based on the number of work days completed. The Faculty must reimburse the College for any overpayment.

16.431 Faculty members who wish to attend such overpayment may apply to the Human Resources Department to have their appointment year changed to September 1 under one of the following options:

a. Pay back the two months in one year (annual salary divided by fourteen months).

b. Pay back the two months in two years (annual salary divided by thirteen months for two years).

c. Elect to receive no pay for the months of July and August for one year.

d. Make other arrangements acceptable to the Payroll Department.

16.44 In some instances issues of recruitment or retention created by labor market conditions may make it necessary for the College to make supplements to pay for particular skills or knowledge required in a subject area. When such conditions exist, Management may make special supplements to compensation in the form of a supplement to base pay (or other appropriate means of compensation) for all full-time Faculty in the subject area.

16.441 These supplements are temporary and may be subject to changes (increases or reductions) or discontinued when no longer warranted by competitive labor market data. Supplements, once implemented, will be reviewed at least every two years.
The maximum value of such supplements shall not exceed the difference in value between the employee’s current step on the Faculty Salary Schedule and the top step or 5% of their current step, whichever is greater. For those Faculty at the top step, the maximum value of the supplements shall not exceed 5% of the top step.

16.442 Before implementing or discontinuing such adjustments, Management will provide supporting information on labor market conditions and the recruitment/retention issues the College has experienced to the Faculty Federation for discussion during a regularly scheduled CAM.

The employee's medical and dental insurance coverage will be continued for the duration of the sick leave according to the requirements of the Federal Family Medical Leave Act.
17.25 Temporary full-time employees hired for two consecutive terms or more shall be eligible for the benefits defined in 17.22 but only for the academic terms employed.

17.4 Optional Insurance Plans

Under established College procedures, the College shall make available, at the employee's option and expense, by payroll deduction, a group home owners' and automobile insurance program. This option is not available to temporary employees.

ARTICLE 18 - PART-TIME FACULTY SALARIES AND BENEFITS

18.1 Part-time Faculty shall be compensated in accordance with Appendix C and the provisions of this Article. Pay rates in Appendix C will become effective Fall term for each year of this Agreement.

18.11 Pay for courses designated as lecture, laboratory or lecture and laboratory will be paid the corresponding rates in Appendix C based on the number of contact hours as set forth and maintained by the College Curriculum Office.

18.111 The rate for laboratory classes is .74 of the corresponding lecture rate.

18.112 Pay for lecture/laboratory combination courses will be determined as above. The pay rate per contact hour will be based on .25 of the lecture rate and .75 of the laboratory rate in Appendix C.

18.113 The hourly rates in Appendix C also will be used to pay Instructors for pay due when a class is canceled, to pay a substitute, when a course is taught by more than one Instructor, or for modular courses or short term courses.

18.114 If the part-time Faculty member is not eligible for paid leave, the hourly rate will be deducted for any missed class.

18.115 Pay rates for classes with less than ten students may be based on the tutoring rate when Management determines it is preferable to offer the course rather than cancel it due to low enrollments.

18.12 Counselors, Librarians and Tutors shall be paid for all hours worked based on the corresponding hourly rates in Appendix C.
18.13 Canceled Classes or Work Assignments. When Management cancels a class or work assignment, the Faculty shall be paid at the contract rate for all classes that met or days that were worked prior to the cancellation. If the notice of class cancellation is issued less than five working days before the first class meeting, the part-time Faculty shall be paid for contact hours scheduled for the first class session. In the case of non-teaching assignments, the part-time Faculty shall be paid only for the actual number of hours worked.

18.2 Step Placement

18.21 All newly hired part-time Faculty will be placed on Step 1, except where the College has a specific agreement for part-time Faculty in a difficult to recruit subject area as provided in Article 18.4. Effective September 1, 2011, part-time Faculty who are re-hired after a period of separation will be placed at the step they were on at the time of separation.

18.22 Any former full-time Faculty member or full- or part-time Academic Professional employee who subsequently becomes a part-time Faculty member under this Agreement will be placed on a pay step based on accumulated contact hours in accordance with Article 18.23.

18.241 Step 1: 0 - 5 years
18.242 Step 2: 5 - 7 years

18.25  Full-time temporary Faculty assignments will count toward the completion of contact hours required for part-time Faculty step movement, beginning with full-time temporary assignments Winter term 1998.

18.26  Step movement will occur at the start of each Fall term.

18.3  Writing Bonus.  Part-time Faculty may qualify for a "writing bonus" in accordance with Articles 5.43 and 6.222.  The writing bonus is based on the premise that teaching Faculty will spend at least two hours in writing conferences and writing analysis activities for every three hours of lecture.  The writing bonus shall be calculated from the rate for Writing Conferences (Appendix C).

18.4  Market Supplement.  In some instances, issues of recruitment or retention created by labor market conditions may make it necessary for the College to make supplements to pay for particular skills or knowledge required in a subject area.  When such conditions exist for part-time Faculty, Management may utilize the process in Article 16.442 to propose such supplements for part-time Faculty.

18.5  Tax Deferred Annuity Plans.  The College shall make available through payroll deduction, at the option of the employee, a Tax Deferred Annuity Plan (TDA).  The TDA plan allows employees to make pre-tax contributions to any of the College-approved, participating investment companies for the purpose of sheltering income to be used at retirement.  Part-time Faculty must have completed 600 contact hours to become eligible for participation in this program.  Once eligibility is established, the employee may continue to participate without regard to any hours limitations.

18.6  Part-Time Faculty Health Insurance Coverage

18.61  Part-time Faculty, as defined in Article 1.21 of the Faculty and Academic Professional Agreement, shall be provided group health insurance coverage (medical only) under the following terms:

A.  Part-time faculty with a cumulative instructional FTE of 1.5 (a four-term average of .375 FTE or a 3-term average of .5 FTE) completed on an academic year cycle (September 1 through August 31) will be enrolled in part-time medical insurance coverage for the following benefit plan year.  Part-time faculty must re-qualify for eligibility each year.

B.  The benefit plan year will run from October 1 through September 30.  Open enrollment will be offered one time per year prior to the October 1 start of the plan year.  Coverage will be medical only.  Eligible part-time faculty may choose coverage from the MODA or Kaiser group medical plans offered.

C.  All eligible Part-time Faculty must either enroll in one of the available group medical benefit plans or waive insurance coverage.  Waiver of insurance requires proof that the employee has existing medical coverage under another group plan.  No insurance waiver incentive will be paid.  Part-time faculty who do not either voluntarily enroll in a plan or waive coverage within the specified timeframe will be defaulted to the Kaiser Plan 3 at single party coverage for the entire plan year.  Once enrolled, employees may not change coverage unless it is for a qualifying event.  Coverage may not be dropped unless the employee resigns from employment.  If the employee is dropped from coverage due to resignation or failure to pay his/her share of premiums, the employee may not re-enroll later in the same plan year.  If an employee is dropped from coverage due to failure to pay his/her share of premiums, the employee is not eligible for COBRA.
D. Eligible part-time Faculty who are not assigned to teach in any one term will have their insurance coverage bridged for a maximum of one term. However, if the employee has already reached the instructional FTE to qualify for health insurance the following year, his/her insurance will continue to be bridged. When being bridged, the College will continue contributions to the cap, provided the part-time faculty continues to self-pay his/her share of the insurance premium.

E. The college will make a flat monthly contribution of 65% of the employee-only full-time cap, in effect for full-time Faculty and Academic Professionals for the full-time benefit plan year (October 1 through September 30), toward the cost of insurance premiums for eligible Part-time Faculty. Part-time faculty will be responsible for payment of the balance of monthly premiums through bi-weekly payroll deductions. The amount owed by the employee will vary depending on the plan selected, along with the selected level of coverage; i.e., single party, two party or full family coverage. In the event the employee's bi-weekly pay is insufficient to cover his/her share of the insurance premium or if the employee is being bridged, he/she must self-pay the balance of the premium within 30 days of the due date or he/she will be dropped from coverage.

F. Part-time Faculty who meet the eligibility requirements for health benefits and who are enrolled in medical coverage may also elect to enroll in dental coverage on a self-pay basis. No portion of the College premium contribution will be applied to dental premiums for Part-time Faculty.

18.62 Part-time Employment in Multiple Positions. A part-time employee who qualifies for health insurance coverage based on employment in another employee category (e.g. Academic Professional) who also qualifies for medical insurance coverage based on part-time faculty employment will receive the flat monthly contribution identified in 18.61 (E) in addition to the cap applicable to their other qualifying employment to a maximum of the applicable cap for full-time Academic Professional employees toward the cost of health insurance premiums.

18.63 Health Insurance Trust Fund. The Federation shall set up a Trust Fund for members of the bargaining unit for reimbursement of health care premiums.

A. Employees shall be reimbursed by the Federation upon submitting evidence of payment or an invoice for their premium. The part-time Faculty eligible for reimbursement from this fund will be those who:

1. have been in the bargaining unit for three out of the last four terms,

2. have had a workload of over .4FTE for at least one of the four terms, and

3. are currently employed.

Upon agreement by the CAM, the requirements to be eligible to receive a reimbursement from the trust may be modified.

B. Annually the College will provide $40,000 to the Health Insurance Trust Fund to provide health insurance assistance to members of the bargaining unit who have no health insurance plan available to them through the College.

C. Allocations will be made according to the following process:

1. the Federation will conduct a survey of the bargaining unit members each term and will provide the joint committee with a list of members who have certified in writing that they have no other health plan or coverage and are therefore eligible to be considered for enrollment in the program.
2. members will apply to the Federation for use of the Trust Fund each term. The Federation will make allocations each term based on criteria developed by the joint committee.

3. each year, if all the Trust is not utilized, the remainder will be held in the Trust and subsequent year's contributions will be reduced by that amount.

4. the Federation may allocate up to 5% of the fund annually for administrative expenses.

18.7 Flexible Spending Account Program. The College will allow part-time Faculty to participate in a flexible spending account program for child care expenses. Part-time Faculty must have completed 600 contact hours to become eligible for participation in this program. Once eligibility is established, the employee may continue to participate without regard to any hours limitations and must comply with plan requirements under IRS regulation.

ARTICLE 19 - ABSENCES AND LEAVES

19.1 Reporting of Absences. Employees who must be absent shall communicate that fact to the administrative supervisor as soon as possible. Every attempt shall be made to notify the administrative supervisor at least two hours before the employee's next scheduled class or other work assignment.

19.11 Full-time Faculty and Academic Professionals. Employees who will be on a paid or unpaid leave of absence in excess of two weeks shall apply for such leave on forms available from the administrative supervisor's office or the Benefits office of the Human Resources Department. The application shall be submitted to the administrative supervisor.

19.12 Part-time Faculty. Part-time Faculty will complete the required Leave of Absence forms provided by the College to initiate any leave of absence. Other absences shall be reported on their regular timesheet.

19.2 Sick Leave

19.21 Full-time Faculty and Academic Professionals. Full-time employees shall earn sick leave on the basis of one day of sick leave for every 18 work days compensated during the appointment year. Full-time Faculty who work part-time fourth term employment (Article 8.31) shall earn sick leave at the rate specified for part-time Faculty. Sick leave for part-time academic professionals shall be calculated on the same basis as full-time academic professionals, pro-rated to their FTE.

19.211 Unused sick leave shall be accumulated without limit. Sick leave accumulated while employed by other public school districts or public agencies may be transferred if permitted by statute and agreed to by Management at the time of employment.

19.212 A licensed physician's signed statement or other Management-approved verification of illness or injury may be required for each period of absence of five or more consecutive days chargeable as sick leave. If such absence continues for more than one month, Management may require such verification at the end of each month.

19.213 In the event of illness or injury of an employee's immediate family; as defined in 19.24, which necessitates the employee's absence, sick leave may be used to a maximum of three days in any one instance. The use of sick leave to care for a family member (child, spouse, parent or parent-in-law) who suffers "serious health
conditions" will be considered under the Family Medical Leave provisions in 19.91 of this Agreement.

19.22 Part-time Faculty. Part-time Faculty will accrue two hours of sick leave per pay period. A maximum of 32 hours may be accrued in an academic year. A maximum of 32 hours of accrued unused sick leave may be carried over from one academic year to the next. However, no more than 32 hours may be accrued and/or carried over at any time. Sick leave may be used to care for an immediate family member. A maximum of eight hours of accrued sick leave per academic year may be used for personal reasons.

19.221 Accrued sick leave may only be used during terms in which the Part-time faculty member is assigned bargaining unit work. Sick leave will only accrue during pay periods in which the part-time faculty member receives pay.

19.222 To be eligible for sick leave accrual, the part-time faculty member must be assigned work in accordance with Article 1.21. Special project, curriculum development, or other work which is not covered under Article 1.21, or which is excluded under Article 2.3, will not count toward sick leave accrual.

19.223 A licensed physician's or nurse practitioner’s signed statement or other Management-approved verification of illness or injury may be required for each three day period of absence from assigned classes or other assigned work. If such absences continue for more than one pay period, Management may require such verification at the end of each payroll period.

19.224 Sick leave exception. Part-time Faculty who have accrued sick leave balances as of the end of Winter term 1998 will be allowed to maintain those balances and will be eligible to use them as the need arises. There will be no additional sick leave time credited to those balances.

Previously accrued sick leave established on the employee's record, including sick leave accrued in a temporary full-time faculty appointment, may be used for the employee's personal illness during any term in which the employee is employed at a level which qualifies the employee for the bargaining unit.

19.23 Absence resulting from illness or accident compensated by the Workers' Compensation Program may be taken as unpaid leave or reported as sick leave. Employees shall comply with state regulations and College Personnel Procedures regarding matters covered under State Workers' Compensation.

19.24 For the purpose of 19.213, 19.22 and 19.41 "immediate family" shall mean parent, parent-in-law, step-parent, brother, sister, brother-in-law, sister-in-law, child, step-child, son-in-law, daughter-in-law, spouse, grandparent, grandchild or member of the employee's immediate household. "In-law" relationships will also include those who are related to an employee through a domestic partner.

19.3 Vacation Leave for Academic Professionals

19.31 Academic Professionals with a 2,080 hour work year (i.e. full-time) will earn paid vacation leave in accordance with the following schedule:
<table>
<thead>
<tr>
<th>Years of Seniority</th>
<th>Hours of Leave</th>
<th>Days per Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>0-4 years</td>

</tr>
<tr>
<td>10 years or more</td>

</tbody>
</table>

All other Academic Professionals will earn the amount of paid vacation leave equal to their hours of work multiplied by the following hourly accrual schedule:

<table>
<thead>
<tr>
<th>Years of Seniority</th>

</tbody>
</table>

19.32 An Academic Professional will schedule paid vacation leave in cooperation with his/her administrative supervisor.

19.33 Vacation time earned during an academic year must be taken before the end of the following year (i.e. by August 20th) or it will be lost. Accordingly, an Academic Professional may carry forward from one academic year to the next up to the amount of vacation leave she/he earned during that academic year. However, vacation time that will be lost under this provision may be cashed out if efforts to schedule the leave have not been successful.

19.34 An Academic Professional’s final paycheck will include payment for any unused, accrued vacation leave.

19.4 Bereavement Leave

19.41 Full-time Faculty and Academic Professional. Employees may be absent with pay up to five working days following the death of a member of the immediate family as defined in 19.24. The entitlement is for each member of the immediate family as defined in 19.24.

19.411 Employees may be absent with pay for up to one day to attend the funeral of a friend or a relative other than a member of the immediate family with the prior approval of Management.

19.42 Part-time Faculty and Academic Professionals. Employees absent because of the death of a member of the immediate family shall be paid for the time lost from the employee’s scheduled duties for a period of three consecutive days.

19.5 Court or Jury Leaves

19.51 Jury Duty. Employees summoned for jury duty shall be excused for that purpose without loss of pay. Any per diem fees paid for such duty shall be paid to the College. A copy of the order shall be filed with the department administrator.

19.52 Court Witness. Employees subpoenaed to appear as a witness in a case in court unless a party to the matter at issue shall be excused for that purpose without loss of pay. A copy of the subpoena shall be filed with the department administrator. Any witness fees paid shall be paid to the College.

19.6 Military Leaves

19.61 A full-time Faculty or Academic Professional employee who is a member of one of the reserve components of the armed forces of the United States or the Oregon National Guard shall be entitled to a leave for a period of active military duty not to exceed a total of fifteen calendar days each calendar year as provided in ORS 408.290. Requests for military leave
shall be submitted through regular administrative channels to the Associate Vice President of Human Resources and shall be accompanied by official orders specifying the dates and locations of such military duty. This annual leave shall be an unpaid leave for temporary appointments.

19.62 Bargaining unit members who are called to, or volunteer for, active duty will be considered for reemployment in accordance with the Federal Uniformed Services Employment & Reemployment Rights Act (USERRA).

19.7 Personal Leave for Full-time Faculty and Academic Professionals and Part-time Academic Professionals

19.71 An employee shall be granted up to three paid days of personal leave for the twelve month period beginning September 1 of each year. An employee will schedule personal leave in cooperation with his/her administrative supervisor. Unused personal leave shall not be carried forward from one year to the next. Personal leave days for Academic Professionals shall be pro-rated based on their authorized FTE. Temporary employees are not eligible for personal leave days.

19.72 Except in an emergency, employees shall submit written requests for such leave at least two weeks in advance to their administrative supervisor or designee. In emergency cases, written requests shall be submitted as soon as possible, either in advance or upon return from leave.

19.73 Notwithstanding the requirement of the administrative supervisor approval in Article 19.71, except in an emergency, Faculty shall not be granted personal leave during the first week of classes, during finals week or during assigned advising days. Except in an emergency, Academic Professionals shall not be granted personal leave during periods when the administrative supervisor determines it would be disruptive to department services for the employee to be absent at the time requested.

19.74 Personal leave days shall not be granted to employees for scheduled inservice days.

19.75 Up to three days of additional unpaid personal leave may be granted upon the request of the employee and the approval of the Campus President/Executive Officer. Unpaid leaves of a longer duration shall be processed as full or partial unpaid leaves under 19.9.

19.8 College Closure. In the event of unusual circumstances resulting from extreme adverse weather, natural disaster, fire or other emergency beyond Management control, it may become necessary for Management to delay opening and/or close some or all College operations at one or more campuses, centers or other facilities.

19.81 Management will establish a general policy directive supported by procedures to be followed by employees at each College campus, center and other facility. This directive and supporting information shall be written and distributed to all employees not later than November 15 of each year.

19.82 Full-time Faculty and Academic Professional employees are FLSA exempt employees. As such, the expectation of these staff is that their work time is not bound to a fixed schedule and that employees will cover course material and meet work requirements, which may require working offsite or outside of their typical work schedule. Exempt staff is not paid overtime or additional compensation for such additional time worked.

19.83 If a College closure occurs on the same date an employee has scheduled a vacation or personal leave day, the time off shall be counted as a vacation or personal leave day.
19.84 Part-time Faculty who are required to miss class as a result of a College-designated holiday or closure are expected to make up all the course material. With supervisor authorization, part-time librarians, counselors, and tutors who were scheduled for work during a closure may work by alternative means such as online student assistance, research, professional development, or other approved activity.

19.9 Leaves of Absence Without Pay

19.91 Family/Medical Leave. When eligible, employees may be granted family/medical leave under the Federal Family Medical Leave Act and/or the Oregon Family Medical Leave Act. Requests for family/medical leave will be reviewed on a case by case basis under each applicable law. Family/medical leave shall be without pay. However, the employee may elect to exhaust all unused sick and/or vacation leave before being placed on unpaid status. The Federation and Management will develop a brochure describing when an employee is entitled to this leave. There will be no loss of seniority (for full-time Faculty and Academic Professionals and for part-time Academic Professionals) or assignment rights (for part-time Faculty) for persons on protected leave.

19.911 Parental Leave. An employee may be eligible for four weeks of Paid Parental Leave under the following conditions:

a. The employee is on an approved Parental Leave under PCC policy and in accordance with FMLA and/or OFLA,

b. The employee has exhausted their accrued paid leave (Vacation, Sick, Personal) during the parental leave (employee may retain up to 40 hours of their own accrued leave), and

c. The Paid Parental Leave must be used during the approved FMLA and/or OFLA parental leave.

d. Paid Parental leave is pro-rated based on the employee’s FTE at the time of the leave. E.G. a .50 FTE employee would be eligible to receive 80 hours of Paid Parental Leave.

19.92 Full-time Faculty and Academic Professionals. A leave of absence without pay may be granted by the District President to the continuous appointment employee for the purpose of study, research, travel, professional employment or other appropriate purpose. Probationary employees may normally be granted a leave of absence without pay only for the purposes of recuperation from illness or personal emergency. Temporary employees are not eligible for a leave of absence without pay.

19.921 A full leave of absence. A full leave of absence may be granted for one, two or three terms, (or for the Academic Professional, four terms).

19.922 Partial leave of absence (reduced workload for one term or more). The leave of absence shall not exceed 50% of the employee's workload (as defined in Article 6) for any term. For teaching Faculty, such leave will include a pro-rated amount of non-teaching days.

19.923 A leave of absence, whether full or partial, shall not normally exceed one year. Normally no more than one leave of absence shall be taken in a three year period and a leave of absence shall not normally be granted for two consecutive years. A probationary appointment shall be extended for the amount of time the probationary employee is on full or partial leave of absence.
Salary and Benefits While on Leave

Employees on a partial leave of absence, as defined in 19.922, shall receive salary, holidays, paid leaves and benefits pro-rated based on the time required in the full-time appointment, and as determined by the Human Resources Department. The employee may receive full insurance benefits provided the employee pays the difference between the pro-rated entitlement and the full premium.

Employees on a full leave of absence, as defined in 19.921, shall not receive pay or College-paid benefits while on leave. Employees may continue in the College's health insurance program by paying the premiums.

Employees on a leave of absence for less than one term and who are compensated for less than ten days in a month shall not receive College-paid health insurance benefits for that month. They may continue in the College's health insurance program by paying the health insurance premiums. The employee's monthly salary will be adjusted to reflect any time missed.

For benefit entitlement during job sharing, see Article 12.5 of this Agreement.

Leaves of absence equaling one term or less per academic year shall not constitute a break in service for the purpose of salary advancement. (See Article 16.22.)

Part-time Faculty. Part-time Faculty may be granted up to four terms of unpaid leave for the purposes of professional development. In order to qualify for unpaid professional leave, the employee must have performed bargaining unit work for the College at least nine consecutive terms (or nine out of the previous twelve terms). There must also be at least nine consecutive terms of employment with the College since any prior professional leave. A Leave of Absence Request form will be submitted through the immediate administrative supervisor and intermediate campus Management staff to the Campus President or Executive Officer for approval. Approved professional leave does not affect reassignment rights unless the Faculty fails to return at the end of the approved leave. Failure to return from leave will result in loss of assignment rights.

Political Leave of Absence. An unpaid leave of absence may be granted for an employee who is a candidate for public office for the duration of the election campaign and for the term of office (if applicable), upon timely application and for a reasonable period of time. The terms of such leave of absence shall be set forth in writing, and the leave shall not affect unfavorably the continuous appointment status of full-time Faculty or Academic Professional employees or the assignment-rights status of part-time Faculty, except that time spent on such leave shall not count as probationary service (including qualifying for assignment rights) unless otherwise agreed to. Temporary employees are not eligible for a political leave of absence.

An unpaid absence for an employee to serve in an elected or appointed public office shall count toward professional leave eligibility and step increase, provided the employee completes at least one term of regular employment during the year in which he/she is on political leave, or at least four out of six terms if the employee's office or appointment is on a biennial basis.

Leave Bank. Academic Professional Employee Leave Bank Program allows employees to donate accumulated vacation hours to other Academic Professional employees on medical leave who have
exhausted their own paid leave. This is only a summary of the Program. A copy of the complete
document is available from the Human Resources Office.

19.101 Employees Eligible to Participate. Academic Professional employees may enroll if they
have completed their first year of probation, and have at least four hours of accumulated
paid vacation leave.

19.102 Requirements for Enrollment. In order to be eligible to receive benefits from the Leave
Bank, employees must donate at least 4 hours of paid leave each year during the Open
Enrollment period that begins February 1 and ends March 15. An employee’s enrollment is
effective for the duration of the Program Year. The Program Year begins every April 1 and
ends on March 31. If an employee enrolls in the Program, and then decides to discontinue
in the Program, the donated hours shall not be returned to the employee. Employees
completing their first year of probation may also enroll within the first 30 days of becoming
eligible to participate in the Leave Bank.

19.103 Eligibility to Receive Donated Leave. Employees may request benefits by submitting a
Leave Bank Transfer Application to Human Resources. If there are donated hours available
in the Leave Bank and subject to the Program terms, an employee will receive benefits in
the form of hours of paid leave if the employee:

a. has a severe medical condition that prevents the employee from working;

b. has been on an approved medical leave (paid or unpaid) for at least 2 weeks;

c. has exhausted the employee’s paid time off; and

d. has not been disciplined for an absence-related reason for the past 12 months.

The maximum number of hours an employee may receive from the Leave Bank in any 12
months period will be determined through Contract Administration Meetings. Other
restrictions may apply. For example, if an employee receives paid hours from the Leave
Bank and he/she is later reimbursed for the same hours by an insurance company, workers’
compensation or any other source, Program benefits must be repaid. A plan document is
available from the Human Resources Office.

19.104 Amendment to Plan. Management and the Federation may agree to alter the terms of the
Leave Bank Plan in Contract Administration Meetings.

**ARTICLE 20 - PROFESSIONAL LEAVE**

20.1 The purpose of professional leave is to provide eligible employees an opportunity for professional
growth and development, thereby enhancing the quality of their future service to the College.

20.2 Eligibility - Employees must meet the following requirements to be eligible for professional leave:

20.21 Must have completed six or more academic years of employment since appointment as a
probationary bargaining unit employee, (or since appointment to a temporary appointment that
was immediately followed by a probationary appointment), or since any previous professional
leave. Any year in which a Faculty has an unpaid leave of absence of one full term or more,
or an Academic Professional has a leave of absence of three months or more, shall not
constitute a completed year of service for purposes of computing eligibility for professional
leave, unless the absence was leave for service in appointed or elected office under Article
19.941. Time spent as a temporary one or two term Faculty does not count towards eligibility.
20.22 An academic year in which a Management-approved unpaid leave of absence for educational purposes, guest lectureship or a professional Faculty exchange program occurs will constitute a completed year of service for purposes of determining eligibility under 20.21, provided that no other unpaid leaves of absence of one full term or more occur for Faculty or three months or more for an Academic Professional during that year.

20.23 Must agree to complete one academic year of full-time College employment upon return from professional leave before retirement, unless other arrangements are mutually agreed upon prior to the leave.

20.3 Appropriate professional leave activities may include:

20.31 Admission to a recognized college, university or technical school for the purpose of advanced education leading to a higher degree or certificate.

20.32 A work experience program designed to update and/or upgrade technical skills related to the employee's instructional area, program, discipline or work assignment.

20.33 Personal study, research, writing or other project related to the employee's instructional area, program, discipline or work assignment.

20.34 Travel related to the improvement of instructional abilities in the Faculty's instructional area, program or discipline.

20.35 Education and/or other appropriate work experience activities which would enable the employee to qualify for another position at the College.

20.36 A program designed to meet multiple objectives such as study, research, special project, work experience and/or travel.

20.4 Number and Compensation - Faculty

20.41 The number of professional leaves in any fiscal year shall not exceed five percent of the total number of continuous appointment Faculty as of July 1 of the fiscal year preceding the fiscal year in which the leaves are to be granted.

20.42 Professional leaves may be granted for one, two or three consecutive terms in the same appointment year. A Faculty on professional leave shall receive payment during the fiscal year of the leave as provided in 20.421, 20.422 or 20.423. Compensation for Instructors shall include the number of non-teaching contract days proportionate to the length of the leave. Reductions in salary shall be pro-rated over the entire year. There shall be no reduction in health, dental, prescription, vision care, life insurance or tuition waivers. Faculty shall not be entitled to use any of the leaves provided in Article 19 of this Agreement while on professional leave.

20.421 Leave of one term = 100% of scheduled annual salary.

20.422 Leave of two terms = 75% of scheduled annual salary.

20.423 Leave of three terms = 65% of scheduled annual salary.

20.43 If a Faculty decides not to return to the College upon completion of the professional leave, the Faculty shall repay the difference between the amount paid during the year of the leave and the amount actually earned as determined by pro-rating the Faculty annual salary for the number of days worked during that year.
20.5 Number and Compensation - Academic Professionals

20.51 The number of professional leaves is limited to a maximum of five percent of continuous appointment Academic Professionals as of July 1 of the fiscal year preceding the fiscal year in which the leaves are to be granted.

20.52 Professional leaves may be granted for up to 12 months with compensation as follows:

20.53 Professional leave shall normally be taken as a full leave of absence for a continuous block of time. However, employees may be approved to take professional leave on an intermittent basis or on a reduced work schedule. Such leave shall begin and end within the same fiscal year, unless otherwise approved by the District President.

20.54 Reductions in salary shall be pro-rated over the entire year. There shall be no reduction in health, dental, prescription, vision care, life insurance or tuition waivers. Employees shall not be entitled to use any of the leaves in Article 19 while on professional leave.

20.55 If an Academic Professional does not return to the College upon completion of the professional leave, the employee must reimburse the College in the manner described in 20.43 for Faculty.

20.6 Application Procedures

20.61 Guidelines, an outline of the approval process, and the format for professional leave applications shall be published and distributed by Management by June 1 of the fiscal year preceding the application deadline. These may differ for Faculty and Academic Professional.

20.62 Applicants who desire assistance preparing their application may first submit their application to a Federation Professional Leave Review Committee. Any such applications should be submitted to the Federation Review Committee as early as possible.

20.63 Applicants shall submit their formal leave applications to their administrative supervisors according to the published format. The applications shall be submitted not later than November 1 of the academic year preceding the year for which professional leave is requested.

20.64 A list of Faculty and a list of Academic Professionals applying for professional leave shall be provided to the Federation by December 10 of the academic year in which the application was submitted.
20.65 Applications may be returned to applicants for revision or additional information at any step of the approval process.

20.66 The District President shall determine which applications will be submitted for action by the College Board and shall notify each applicant of approval or non-approval by March 1 of the academic year in which the application was submitted.

20.7 There shall be no changes in the professional leave plan without prior approval of the Administrative Supervisor, Dean of Instruction/Student Development or Director, Campus President/Executive Officer/Vice-President and the District President.

20.71 In the event that an employee is unable to complete the professional leave plan, the College is under no obligation to reinstate the employee to full employment during the period for which the professional leave was granted. If a revised plan is not approved and if the employee does not return to work for the remainder of the professional leave period, the employee will be considered to be on an unpaid leave of absence for the period of the professional leave. Salary and benefits will be pro-rated according to the actual number of days (if any) worked at the College. The employee will reimburse the College for any excess payments which may have resulted.

20.8 The employee shall submit a written report within three months of the completion of the professional leave, unless otherwise agreed to in writing.

20.81 The report shall summarize work completed and how it is to be utilized in the professional assignment of the employee.

20.82 Copies of the report will be provided to the Administrative Supervisor, Dean of Instruction/Student Development or Director, the Campus President/Executive Officer/Vice President, District President and to the Federation.

20.83 The employee will also be available to make one or more formal presentation(s) of professional leave accomplishments to Management, Faculty, Academic Professionals and/or the College Board.

ARTICLE 21 - NONDISCRIMINATION

Portland Community College prohibits unlawful discrimination as defined in the College’s Nondiscrimination and Non-Harassment Policy (NDNH).

21.1 Complaints of unlawful discrimination, including harassment and/or retaliation, shall be processed under 21.2 of this Agreement.

21.2 Discrimination/Harassment Complaints: Complaints of unlawful discrimination or harassment may be filed under Article 21.21 or 21.22.

21.21 The complaint(s) may be filed first with the College’s Office of Equity and Inclusion (OEI) and processed at the informal step of the College’s discrimination complaint procedure.

The employee may pursue allegations that OEI determines are not covered under the NDNH Policy by filing a grievance at Step 1 under Article 25, provided they do so within 14 days after OEI’s determination, and provided that the complaint with OEI was filed within 22 days after the event which is the subject of the complaint or knowledge thereof.

21.22 The complaint may be filed as a grievance beginning at Step 2 (Article 25.22 or 25.32, as appropriate).
21.23 If the employee files a complaint with any external public agency or with a State or Federal Court, the discrimination complaint procedure or the grievance shall automatically terminate.

21.24 The grievance will proceed to binding arbitration under the provision of Article 25.4 (grievance procedure) only if the employee signs a waiver of her/his right to file a complaint with a State or Federal agency or court and agrees to accept the arbitrator's decision as final and binding.

ARTICLE 22 - DISCIPLINE AND DISMISSAL

Preamble. The Federation and Management agree it is important to the establishment and maintenance of good working relationships that potential disciplinary problems first be addressed through informal discussions between the bargaining unit employee and the administrative supervisor.

22.1 Types of Discipline. Disciplinary actions shall be limited to written warning, disciplinary probation (does not apply to part-time Faculty), suspension without pay (does not apply to part-time Faculty without assignment rights), and dismissal.

22.2 Application of Just Cause Standard. Employees may be subject to discipline for just cause, except Management does not need to meet the just cause standard to discipline a first-year probationary, a first-year special probationary, or any temporary appointment. Any discipline requiring just cause shall be progressive, unless the nature and circumstances of the offense warrant a more severe sanction.

22.21 Dismissal during first year of probation. During the first year of probation (including special probationary appointments) the employee may be dismissed at any time for performance, professional conduct or other problems which negatively affect the employee's effectiveness in his/her job. When it is appropriate to the situation, Management will initiate a probationary improvement plan which will include a concise statement of the problem, the corrective action to be taken, the amount of time to be on probationary improvement and the consequences of noncompliance which may include dismissal, whether or not a non-renewal notice was issued on March 31.

22.22 A temporary appointment may be terminated at the discretion of Management without review under the terms of this Agreement.

22.3 Distinguishing Discipline from Non-Renewal or Reduction-in-Force. The following actions are not disciplinary actions:

22.31 Eliminating a continuous or special continuous position in a reduction-in-force. (See Article 24.)

22.32 Not renewing the contract of a probationary or special probationary appointment. (See Article 23.)

22.33 Not extending the contract of a temporary employee. (See Article 23.)

22.34 Not assigning a class to an assignment rights Instructor because no appropriate classes are available. (See Article 23.)

22.35 Canceling the class or work assignment of a part-time Faculty. (See Article 23.)

22.36 Failure to rehire a part-time Faculty member who does not have assignment rights. (See Article 23.)
22.4 Just Cause Defined. "Just Cause" for discipline and dismissal shall include, but not be limited to:

22.41 Unprofessional conduct, which includes but is not limited to, conviction of a serious crime, persistent or flagrant disregard of the terms of this Agreement or College policies, or willful falsification of a College record.

22.42 Unsatisfactory Performance. Unsatisfactory performance problems will be dealt with through disciplinary procedures in this Article whether separate from or as a result of the assessment process.

22.43 For other just cause not defined in 22.41 and 22.42.

22.5 Discipline to be Private. Management shall conduct disciplinary sessions in an area away from other employees, students or the public.

22.6 Federation Representation. An employee has a right to request and obtain a Federation representative at any meeting under this Article, as well as at any investigatory interview when the employee has a reasonable belief that the investigation might lead to disciplinary action against them.

22.7 Administrative Leave With Pay. At the discretion of Management, administrative leave with pay may be granted to an employee so Management can conduct an investigation. This leave will normally not exceed 5 days. Such leave shall not be grievances.

22.8 Contents of Discipline Notice. A disciplinary action should be written, should be clearly labeled as such and should include:

22.81 the reasons for the discipline,

22.82 the beginning and end dates of any probationary period or suspension, or the effective date of a dismissal,

22.83 a statement of the corrective actions to be taken, with a performance improvement plan where appropriate,

22.84 the deadline for providing any response to any suspension or dismissal, and

22.85 the consequence of a failure to comply with the corrective actions.

22.9 Delivery of Discipline Notice. Disciplinary actions shall, whenever possible, be personally delivered to the employee, who shall initial a copy to acknowledge receipt prior to placement of the notice in the employee's official Employee File. Management shall have the option of delivering the discipline notice instead by certified mail to the employee's address of record. Copies of any suspension or dismissal will be delivered to the Federation.

22.10 Process for Responding to Discipline. An employee may submit a written response to any disciplinary action to their official Employee File. In addition, discipline may be challenged under the grievance procedures in Article 25, subject to the following limitations and modifications:

22.101 The following disciplinary actions cannot be grieved beyond Step 4, the level of the appropriate Executive Officer, whose decision will be final and binding:

a. Written warnings;

b. Any discipline of a first-year probationary or first-year special probationary employee;

c. Suspension of a part-time Faculty for a period shorter than one payroll reporting period.
22.102 Grievances of dismissals begin at Step 3, and must be submitted within 15 days of receipt of the discipline.

22.11 Removal of Discipline Notice from official Employee File. The notice of discipline shall be removed from the official Employee File upon the request of the employee to their supervisor after the following time periods:

22.111 Twelve calendar months for a written warning, provided that no other written sanctions have been imposed during that period, except for a part-time Faculty who does not have assignments rights. For those Faculty, written warnings may be removed only twelve months after the Faculty obtains assignment rights, provided that no other written sanctions have been imposed during that period.

22.112 Eighteen calendar months from the end of the disciplinary probationary period provided the employee satisfactorily completes the terms of the probation.

22.113 Twenty-four calendar months after suspension is imposed, provided no other discipline has been imposed during that period.

ARTICLE 23 - NON-RENEWAL

23.1 Full-time Probationary and Special Probationary Appointments. Management may decide not to renew any probationary or special probationary employee for any reason at the sole discretion of Management.

23.11 Probationary Appointments. Probationary employees shall be notified of non-renewal of their appointments for the following year by March 31. Decisions not to renew probationary employees cannot be grieved beyond Step 4, the level of the Campus President/Executive Officer, whose decision will be final and binding.

23.12 Special Probationary Appointments. Special probationary appointments shall be notified of the non-renewal 90 calendar days prior to the end of the fiscal year of the special funded contract programs in which they are employed, unless the non-renewal is based on funding. Decisions not to renew special probationary employees that are not based on funding cannot be grieved beyond Step 4, the level of the Campus President/Executive Officer, whose decision will be final and binding.

23.13 Non-renewal of Special Probationary Appointments for Reasons Related to Funding. Special probationary employees may be terminated or have their hours reduced at any time that funding for their program is reduced or terminated.

a. Special probationary employees will be notified as soon as possible of any reduction or elimination of their positions which may occur during the fiscal year of the special contract program in which they are employed.

b. Special appointment employees will receive written notice of the status of the funding for the special contract program for the following year. This notice shall occur at least 90 calendar days prior to the end of the fiscal year for the special contract programs in which they are employed. If the status of their funding is uncertain, the employees shall also be given a non-renewal notice.

c. Decisions to not renew or to reduce the hours of special probationary employees that are based on funding cannot be reviewed under the terms of this Agreement.
23.14 Non-renewal of part-time academic professionals who do not have continuous or special continuous appointment status, shall be in accordance with the provisions of Article 23.1, except that the following special provisions shall apply:

a. Completion of a project or specific assignment for which a part-time academic professional was employed which occurs before the full authorized hours are met will not obligate the College to continue employment for any period of time;

b. Probationary and special probationary appointments will end when the authorized hours for the part-time assignment are met at any time during the fiscal year, unless additional hours are authorized in writing by the Administrative Supervisor.

23.2 Temporary Appointments. A temporary appointment may be non-renewed at the discretion of Management without review under the terms of this Agreement.

23.3 Part-time Faculty with Assignment Rights. The immediate administrative supervisor need not assign classes or work to Faculty who have assignment rights in these circumstances:

23.31 A department has more assignment rights Faculty than available classes. In that case, the immediate administrative supervisor shall decide the assignments, utilizing the Faculty qualifications and considering the needs of the department.

23.32 The Faculty is not qualified to teach the courses to be offered or not qualified to perform the work which is available.

23.33 The Faculty does not accept the assignment at the time and/or place designated.

23.34 Assignment of courses or work is made to full-time Faculty in order to satisfy the full load terms of this Agreement.

23.35 Assignment of courses or work is made to a qualified laid-off full-time Faculty member with continuous appointment. This right is limited to three years from layoff for the affected full-time Faculty member.

23.4 Part-time Faculty Without Assignment Rights. Management may decide not to rehire a part-time Faculty member who does not have assignment rights without review under the terms of this Agreement.

23.5 Cancellation of Classes or Work Assignment of Part-time Instructor, Counselor, Tutor or Librarian. Management may cancel a class or work assignment for any reason. However, the class or work assignment may only be reassigned to another employee as provided in Article 23.6.

23.6 Removal of a Part-time Faculty from an Assignment. Once a Faculty member has been notified in writing of a course or work assignment, that assignment cannot be canceled and another Faculty member subsequently assigned to it within 10 days of the beginning of the class unless:

23.61 it becomes necessary to fulfill the workload requirements of a full-time Faculty member. In such cases, Management shall first cancel classes being taught by part-time Faculty without assignment rights when this is not inconsistent with program needs, or

23.62 the written assignment was made before the part-time Faculty member has received a satisfactory initial assessment, or

23.63 for just cause under Article 22.
23.7 Payment to Part-time Faculty Whose Class is Canceled or Assignment Removed. Whether pay is due to a part-time Faculty member when their class is canceled or removed from them will be determined in accordance with Article 18.

ARTICLE 24 - REDUCTION IN FORCE

24.1 For purposes of this Article, the term "reduction in force" means the layoff of full-time employees when an employee's position is eliminated in the event of:

a. A reduction or termination of funding of a special contract program or a shift in the focus of the special contract program based on funding requirements, market demand or the ability to meet program goals (see Article 24.23 - Special Continuous Appointments), or

b. A discontinuance or reduction of programs due to enrollment decline in a program or for other non-financial reasons, (see Article 24.24 - Regular Continuous Appointments), or

c. A Board-declared college-wide financial shortage (See Article 24.25), or

d. A reduction or termination of funding of a 1900 fund program or a shift in the focus of the program based on market demand or the ability to meet program goals (see Article 24.241).

24.11 The provisions of this Article do not apply to

a. See Article 3.4 – Probationary Appointments

b. See Article 3.7 – Special Probationary Appointments

c. See Article 3.6 – Temporary Appointments

d. See Article 4 – Part-time Faculty

e. A reduction in any part-time Academic Professional's authorized hours from appointment year to appointment year unless the reduction in hours results in a level of authorized hours below 960; or, the reduction in hours exceeds 10% of the hours authorized during the preceding appointment year.

24.12 This Article on reduction in force also excludes the dismissal of any employee for disciplinary or performance related reasons.

24.2 Layoff and Notification Procedure

24.21 When, as determined by Management, a reduction in force of bargaining unit employees is necessary, representatives of the Federation and representatives of Management shall meet to discuss the necessity for layoffs before any notices of layoff are sent. Management shall convene a contract administration meeting to explain to Federation representatives the need for the layoff and to discuss with them the layoff procedures. This meeting shall take place before any notices of layoff are sent. The Federation agrees to maintain all such information in a confidential manner in order to allow Management to notify the bargaining unit employees concerned as provided in 24.22.

24.22 If a layoff is implemented, each employee selected for layoff shall be notified by Management in writing. The Federation shall be provided a copy of the notification letter sent to each employee selected for layoff.
24.23 Special Continuous Appointment. Notice of layoff to a special continuous appointment employee in the event of a layoff under Article 24.1(a) will give the employee notice at least 6 months in advance of the program's fiscal year in which the layoff is to take place. However, the notice will be provided to the affected employees as soon as possible, but need not be given 6 months in advance, if program management does not have advance notice of the reasons for the layoff and does not have control over the notice period, such as:

- a reduction or termination of funding,
- where a program funder has requested a prompt change in services that lessens the need for the services of the job classifications identified for the layoff,
- where enrollment declines require prompt action to sustain the program, or
- where other external forces require prompt management action.

24.24 Regular Continuous Appointment. If layoff is for non-financial reasons under Article 24.1(b) such as discontinuance or reduction of general fund programs, or enrollment decline in a general fund program, notice will be given by September 15 to take effect at the end of the employee's current appointment year which is either June 30 or August 31, depending upon his/her appointment year per Article 1.24. Continuous appointment employees shall be compensated for the number of days actually worked during the notification period. However, such employees may use leave entitled under the provisions of Article 19 until the end of the notification period.

24.241 Notice of layoff to a continuous appointment employee in a 1900 funded program (e.g. Community Education and Continuing Education) in the event of a layoff under Article 24.1(d) will give the employee notice at least 6 months in advance of the date on which the layoff is to take place.

24.25 Board Declared College-Wide Financial Shortage. If the reason for the proposed layoff is the result of a Board declared College-wide financial shortage, Management will meet with the Federation to explore options in lieu of layoff. These options might include salary adjustments or adjustments in other forms of compensation. Salary adjustments and/or other reductions in compensation shall not be greater or less than any other College employee group. This procedure must be completed in sufficient time to provide for ratification of any salary and/or compensation adjustment or for the implementation of the layoff notices.

24.251 Notice of layoff in the event of a Board-declared College-wide financial shortage will provide at least 90 paid work days. The employee will receive paychecks without interruption from the date of notice through the end of the 90 paid work day period. The employee will be scheduled and assigned duties for the 90 paid work days in accordance with the needs of the College.

24.3 Retention & Layoff Criteria

24.31 After the curriculum and services which will be offered have been determined by Management, the employee shall be selected for layoff according to seniority of the employee in a full-time bargaining unit position, with layoff in reverse order of seniority of those within the subject area or program that will lose positions, subject to 24.311 and 24.312.

24.311 The qualifications of the employee to fill the remaining position(s). Qualifications mean the education and experience required for the position with respect to Faculty, i.e., that is required for "Instructor Approval" in accordance with College policies. For some programs, such qualifications shall also include state licensure and industrial certification requirements. In the case of Counselors, Librarians and
Academic Professional staff, those educational and experience requirements under the current job description(s).

24.312 Maintenance of the College's Affirmative Action goals as required by state and federal law.

24.313 Federation and Management will work in Contract Administration Meetings to define "program" as it relates to employees working under special contracts and grants. The definition, once it is agreed upon, will be memorialized in a Memorandum of Understanding.

24.32 Seniority (Definitions & Responsibility)

24.321 Seniority for all bargaining unit employees hired on or after September 1, 1991, will be computed and accrued from the employee's date of employment in a bargaining unit position as a first year probationary appointment, and shall continue to accrue during approved paid leaves of absence.

24.322 An employee's seniority date shall be reduced by one year for any unpaid leave of absence (for other than educational purposes or leave for service in appointed or elected office under Article 19.941) of two terms (or 120 contract days) or more in the same academic year, or for one term (or 60 contract days) in two consecutive years which occurs July 1, 1987 or after. No unpaid leave of absence of one term (or 60 contract days) or more shall be counted more than once.

24.323 Effective with employees hired on or after September 1, 1991, a full year temporary appointment immediately followed by a probationary appointment will be counted as a first year probation for purposes of seniority.

24.324 The Federation shall be responsible for maintaining the Seniority Records for bargaining unit employees in accordance with the provisions of this Agreement and based on the data about each employee provided by the Human Resources Department. The Federation shall provide the Human Resources Department with a list of bargaining unit employees, identifying their job titles and seniority date upon request. Any additions or modifications in an employee's seniority date will be provided in writing, with the reasons stated.

24.325 The Federation shall establish the seniority dates for employees hired prior to September 1, 1991, and a list will be provided the Human Resources Department. The Federation will provide the College with an implementation memo describing the process used. These determinations shall be done in a timely manner.

24.4 Relocation Requests Within the Layoff Notification Period

24.41 Management shall have the sole right to determine whether or not candidates who have requested relocation are qualified and whether or not to select them to fill a vacant position. The staff member may be required to compete with other job applicants for the vacant position. In that case, the staff member must apply through normal Human Resources procedures and the application must be received before the screening committee selects candidates for interview. Academic Professional and temporary faculty positions may be filled under the expedited hiring procedures of Articles 3.15 and 3.64 by persons whose positions are identified for termination.

24.42 An employee who received a layoff notice who wants to be considered for relocation must submit a written request to the Employment Services Office of the Human Resources Department. Management will attempt to transfer the employee to a vacant bargaining unit
position for which the employee is qualified, provided that the vacant position is to be filled and under the conditions described in 24.41.

24.43 In the case of such a transfer an employee shall be placed on a probationary appointment and after no more than two years of satisfactory service in the new position, continuous appointment status shall be reinstated. The Assessment Package as required in Article 7 will address activities designed to enhance the employee's competence in the new position.

24.5 Recall Status

24.51 If a position becomes available in the subject area/program from which an employee has been laid-off, it shall be filled with the most-senior such employee who is qualified. In the case of a Faculty position, qualifications will be determined by the SAC. (See Article 26.23.)

24.511 Recall will be in the reverse order of layoff as specified in 24.3.

24.512 Faculty on layoff status will be offered the first right of refusal to teach any part-time class which is scheduled and for which the Faculty is qualified, provided that the Faculty advises the appropriate administrative supervisors of such interest and availability, and provided that the Faculty gives a timely response to any such offers.

24.52 An employee on layoff status under the provisions of this Article shall have the option to continue the health insurance program at the employee's own expense, for a period of time and under conditions as allowed by the insurance carrier.

24.53 In the event of recall, the College shall notify an employee of recall by certified mail, return receipt requested, to the last address given to the College by the employee. The employee shall notify the College within thirty calendar days of acceptance or refusal of the position offered.

24.54 Any employee who does not accept a recall will lose all further recall rights and will be deemed to have resigned from employment with the College.

24.541 Any employee who fails to respond to a recall notice, or having accepted a position with the College, fails to report to work on the date specified in the recall notice, shall be terminated from employment with the College.

24.542 An employee who resigns or retires while on layoff status shall no longer be subject to the recall provisions of this Article.

24.543 Any employee not recalled pursuant to this Article within three years of layoff will be deemed to have resigned from College employment.

24.55 An Academic Professional employee on layoff status who applies through normal Human Resources procedures for a vacant Academic Professional position prior to the closing date specified in the job announcement; and meets the minimum recruiting requirements, will be interviewed. This provision shall apply for a one-year period from date of layoff.

24.6 Persons on recall status will also have the ability to apply for a position under Articles 3.64 and 3.15. Employees on the recall list will be given preference for job openings provided that they meet the qualifications stated in the job announcement.

24.7 Upon reappointment to a bargaining unit position, pursuant to Article 24, the following shall apply:

1. Unused accumulated sick leave (subject to PERS rules and regulations) and professional leave eligibility to which the employee was entitled at the time of layoff shall be restored.
2. Seniority earned to the date of layoff shall be restored. The employee shall not earn seniority during layoff status.

25.22 Step 1 Written grievance to the Administrative Supervisor

If not resolved informally, the grievant must submit a formal written grievance statement to their Administrative Supervisor within 22 business days after the grievant's knowledge of the event which occasioned the grievance. The grievance statement shall meet the criteria of Article 25.17 of this Agreement.

The Administrative Supervisor shall respond in writing within five business days after the meeting. The response will include the decision and the reasons. Copies of the response will be provided to all parties directly involved (Article 25.14).

The Executive will issue a written decision within ten business days after the meeting. Copies of the written response will be provided to all parties directly involved (Article 25.14).

25.4 Arbitration

25.41 If the Federation chooses to submit the grievance to binding arbitration, it shall notify the Director of Employee and Labor Relations (Director) in writing of its intent within 15 business days after the decision of the AVP-HR or Executive is issued. Within 5 business days after such notice, the Federation shall petition the State Employment Relations Board (ERB) for a list of 7 arbitrators and will copy the Director on its petition.

25.42 Concurrent Review by the College President (or designee)

The College President shall review the grievance statement, materials submitted during the grievance process and responses at each step within ten business days after the date the Federation notifies the College that it has invoked arbitration, or before the arbitrator is selected, whichever is longer. This may be done concurrently with the selection of the arbitrator. If the College President decides to take action which differs from that taken at the previous level, they must notify the grievant(s) in writing within ten business days after the Federation invokes arbitration, with copies to all parties directly involved.

25.43 The arbitrator shall be appointed by mutual consent of the parties and shall arbitrate utilizing the rules of the American Arbitration Association. The parties shall select a single arbitrator from the list provided by the ERB by alternately striking names. The parties will schedule the arbitration hearing as soon as possible. Seven business days notice will be given all parties of the time and place of the hearing. Before the arbitration hearing, the parties will attempt to
agree on a procedure for the exchange of the names of anticipated witnesses and anticipated exhibits.

25.44 The arbitrator will decide only the issue presented by the original grievance unless otherwise agreed to by the parties. The decision of the arbitrator shall be consistent with the terms of this Agreement and shall be final and binding upon both parties and upon the grievant to the extent that it is within his authority. The arbitrator shall not be empowered to rule contrary to, to amend, to add to or to eliminate any of the provisions of this Agreement. Within 25 business days after completion of the hearing, the arbitrator shall render a decision.

25.45 In cases involving suspension or termination, the arbitrator may award back pay to accompany an order of reinstatement. However, in no case may the arbitrator order reinstatement in any instance in which the alleged contractual violations are those of procedure rather than substance. In no case may the arbitrator direct that a probationary employee be reappointed beyond the contract year in which the discipline was imposed, nor may the arbitrator award continuous appointment. An arbitrator may only direct that a part-time Faculty member be reemployed consistent with the provisions of Article 4 - Employment of Part-time Faculty.

25.46 When a dispute arises between the parties as to whether or not a grievance is arbitrable, the arbitrator shall first hear and rule on the arbitrability before hearing and ruling on the merits of the grievance. If the arbitrator rules that the dispute is arbitrable, the hearing on the merits of the grievance shall be held as soon thereafter as possible.

25.47 Expenses incident to the services of the arbitrator shall be borne equally by the parties hereto. It is further agreed that the above grievance-arbitration procedure shall be and the same hereby is the sole method of settling disputes, differences or controversies arising between the parties hereto or between an employee and the Board unless specifically stipulated otherwise elsewhere in the Agreement, and is further agreed that the employees covered hereunder shall be bound by any decisions, determinations, agreements or settlements which may be effectuated pursuant to invoking the grievance-arbitration procedure.

The specific areas where these criminal background checks have previously been conducted on hires include, but are not limited to, staff in the College’s child care centers, the Financial Aid Department, Enrollment Services, Workforce Development, the Public Safety Department, Facilities Management Services, Financial Services and Auxiliary Services.

2. A majority vote of the committee will be required to recommend any significant change in coverage or plan design. Any committee recommendation must be approved by the Federation Executive Councils and the PCC Board of Directors before it is implemented.

3. The Joint Committee on Insured Benefits, may not, without the approval specified in number 2 above, add to the number of medical or dental plans offered to PCC employees (i.e., create a fifth plan alternative for employees); or, improve the benefits of any plan in a manner that increases the cost to the College for "employee only" coverage.

4. The Joint Committee on Insured Benefits will convene at least annually to review whether significant changes in plans are warranted. Decisions to change coverage must be made by June 1st of each year to take effect at the beginning of the next plan year.

5. The Joint Committee on Insured Benefits will have no authority to alter or change the dollar amount of the College’s maximum monthly contribution for its employees as established in the applicable collective bargaining Agreements.

6. The Joint Committee on Insured Benefits will be responsible for working in the best interests of PCC and all its employees, communicating with constituents about the issues the committee is discussing, and supporting any committee decision by educating their constituents about it.

MEMORANDUM OF UNDERSTANDING
Tuition Reimbursement Plan - Conditions Of Eligibility for Employees in Job Shares

Faculty and Academic Professionals participating in job shares are eligible for a pro-rata distribution from the College’s Tuition Reimbursement program if they are working at least .50 of a 1.0 FTE position.
MEMORANDUM OF UNDERSTANDING
Course Preparations

The College has had a long-standing practice of attempting to allow Instructors some degree of overlap in the courses that they teach in a particular term, so that all of their courses are not separate preparations. In an environment in which the normal courses load was five 3-credit courses, this meant that no more than four of the five would normally be a separate preparation. This was the intent behind 6.234.

With the conversion of much of the transfer curriculum to four-credit courses, the typical course load has shifted to four courses. These four courses may be four separate preparations without a need for the Instructor's consent; Management will, however, attempt to limit the assignment to three separate preparations for these Instructors, as departmental needs allow.

Signed by Michael Dembrow, 1/13/06, and Lisa Bledsoe, 1/17/06.

MEMORANDUM OF UNDERSTANDING
Writing Conferences

This memorandum clarifies the understanding of the Federation and Management with respect to the teaching load for full-time Composition/Literature faculty who primarily teach Management-designated writing courses (see Article 6.222). This memorandum is based on the expectation that the curriculum for 4-credit Writing courses will include additional student writing assignments resulting in the need for additional conference time.

1. The intention of the parties is that the typical teaching load will be three 3-credit Writing classes and one 3-credit Literature class or two 4-credit Writing classes and one 4-credit Literature class. Either configuration would result in 18 hours of student contact per week (including 2 hours of conferences per 3-credit Writing class per week or 3 hours of conferences per 4-credit Writing class per week).

2. However, situations may arise in which an instructor may be required to teach three Writing classes in a term, thereby raising the weekly student contact to 21 hours. For example, following the conversion to 4-credit Writing courses, there may not be enough available Literature classes to ensure that every full-time instructor will be able to teach a Literature class every term and/or the demand for Writing courses may require that full-time instructors teach three Writing classes.

3. Teaching three 4-credit Writing classes in a term will not put the instructor in an overload situation. Based on the premise that each conferencing hour has a teaching load factor of 0.034, the total teaching load for someone teaching three Writing classes would be 1.122, which is near the upper level of the acceptable range identified in 6.22.

4. In the event that assignments involving three 4-credit Writing classes must be made, Management will attempt to rotate such assignments fairly among faculty within the department.

Signed on 9/2/05 by Michael Dembrow, Faculty Federation President, Scott Huff, Cascade Campus Dean of Instruction and Lisa Bledsoe, Employee & Labor Relations Manager.

MEMORANDUM OF UNDERSTANDING
Part-time Faculty Teaching Limit and Workload Exception

In accordance with Article 4.21, Part-time Faculty will not be assigned to an instructional workload which equals or exceeds .82 FTE college-wide.

As an exception to Article 4.21, Part-time Faculty may be assigned to an instructional workload which equals or exceeds .82 FTE college-wide, provided that the exception does not occur in more than one term per
academic year, and does not exceed 1.09 FTE college-wide. Assignment of a workload exception is at management’s discretion and must be approved by the Division Dean. When offered an exception by more than one department, at more than one campus, or for more than one term per academic year, Part-time Faculty have the responsibility to inform hiring managers/Faculty department chairs of any other exceptions previously offered or received and to decline any assignment which would result in the Faculty member receiving more than a one-term workload exception term per academic year, or exceeding 1.09 FTE college-wide.

Assignment of a workload exception under the terms of this Memorandum will not result in the part-time faculty member being paid as a one-term daily rate.

The workload exception under the terms of this Memorandum will terminate on August 31, 2023.

MEMORANDUM OF UNDERSTANDING
Part-time Faculty Teaching Limit and Workload Exception

Part-time instructors teaching Lecture and both Lab CRNs of linked lab Science classes workload limit will be up to .91 per term for three terms per year, and there will be no one-term exception of 1.09. CLARIFICATION OF INTENT
Class Size Language

This document has been developed by the chief negotiators of the 1995-2000 Faculty & E/TS Agreement in an effort to clarify the intent and proper interpretation of the class size language in that Agreement.

Class size was a major concern of both parties during the negotiations of this Agreement and occupied a great deal of our time. There was a good faith effort made in our negotiations to build language into the Agreement that would encourage collaborative decision making processes. Since these processes had worked well for us in bargaining and the College was moving toward a total quality management environment, we believed this way of making decisions was in line with the College’s goals.

We also understood that the matter of class size had not been in our Agreements before and would be difficult to address in a way that would meet both parties’ interests. Since we had used an interest based negotiations process, we found a way for Faculty to effectively question class sizes through a consensus process.
While it was not designed as a pre-approval process, the language in Article 26.24 did create a role that would be appropriate for a Subject Area Curriculum Committees (SACC). This process was meant to be deliberative and structured enough to provide both parties with well-considered results that, once again, could meet most of the parties' interests. Our hope was that both parties would see the wisdom in making these decisions in a collaborative way. Indeed, we knew of management staff who were already doing this and it was working well for them.

The College and Federation intend that the agreement be interpreted as follows:

Prior to setting the class size for a new class or modifying the class size for an existing class and at least one full quarter before the class size will be effective, the manager will consult with the SACC as to the reasons for the manager's class size decision. The SACC will have a reasonable opportunity to present alternatives before a decision is finalized and can request the involvement of the Dean of Instruction. Thereafter, the SACC can review the class size decision of the manager under Article 26.24.

Signed 7/13/95. This document language taken directly from Faculty & ETS Agreement, 9/1/95 - 8/31/00.

Tutor Workload Limit

Background:
In accordance with Article 4.21 of the Faculty/Academic Professional Agreement, “Part-time Faculty will not be assigned to a workload which is equal to or exceeds .82 FTE college-wide.” In addition, Article 4.22 addresses direct service limits for part-time faculty: “The workload for Counselors, Librarians and Tutors shall not exceed an average of 24 hours per week, per term.” In order to determine the workload limits for part-time faculty combining instruction and direct service, the following matrix was developed in 2005 and updated in 2016:

CLARIFICATION OF INTENT
Application of Retirement Provisions

This document has been created through discussions in Contract Administration Meetings between the parties to memorialize our agreement on the interpretation of provisions of the collective bargaining Agreement relating to Article 14 - Retirement of Full-time Faculty and Academic Professionals. In determining eligibility for the enhanced retirement benefits described in Article 14.4, the following shall apply:

1. An employee may meet the "ten consecutive years of full-time employment" qualification by working any ten consecutive years in a full-time, bargaining unit position. Employment in a job share shall count toward the ten year requirement on a pro-rated basis. The ten year requirement does not need to be contiguous to the employee's date of retirement, however, the employee must be employed in a full-time position at the time of retirement unless one of the exceptions stated below apply.

2. In the event the employee has met the ten year requirement, but at the time of retirement is employed in a less than 1.0 FTE position for an involuntary reason, (e.g., due to budget reductions or other management initiated reduction of hours), the employee shall be treated as if they were full-time and shall be entitled to the full benefits of the enhanced retirement provisions.

3. In the event the employee has met the ten year requirement, but at the time of retirement is employed in a less than 1.0 FTE position by voluntary action of the employee (e.g., job sharing), the employee shall be entitled to the benefits of the enhanced retirement provisions on a prorated basis, equal to their FTE at the time of retirement.

4. For purposes of defining "full-time" the 10 years of employment must meet the contractual definition appropriate to the employee's job classification. Years employed as a "full-time temporary" employee do not count for eligibility.

"CASH" SUGGESTION AWARD PROGRAM PARTICIPATION

The Faculty Federation will waive all objections to the College's inclusion of Faculty and Academic Professionals in the PCC "CASH", suggestions award program, provided that:

- All persons in the bargaining unit are eligible to participate in the program, and
- No awards will be granted under the program for ideas that result in the reduction of bargaining unit faculty or staff.
