How to find a doctor

1 — LewerMark Website

**Log into your student account.** Once you're on your page, **click on the Aetna logo**.

2 — Aetna Page

To start, **enter your zip code**. Then, **navigate through the different options** based on your location.

Use the **filters** to **narrow the search** and only see what better fits your needs.

3 — After choosing a provider

Once you've chosen a provider, **call them** to **ensure they have availability**.
