Getting started
1. Start from library home page: www.pcc.edu/library
2. In the “Students” box click Articles & Databases.
3. Click the G shortcut, or scroll down to G.
4. Click Gale Virtual Reference Library.
5. Alternately, from home page click on the green Research tab (top of page), then find the link to Encyclopedias (under Research Tools), then enter your search in the Gale Virtual Reference Library search box.

Gale Virtual Reference Library
Gale Virtual Reference Library offers students, researchers, and professionals a wide variety of full-text interdisciplinary content on virtually any subject area to tackle their assignments, papers, projects, and presentations. Get the background information you need to do a well-informed research project. You can choose between a Basic and Advanced search. The Basic search is usually a good place to begin. Use the Advanced search if you want to limit your search to encyclopedias in specific discipline, for example, biographies, history or law.

Searching Gale Virtual Reference Library

Basic Search
Find: americans with disabilities act

Search for words in: document title Keywords Entire Document Subject

Once you enter your search words, look at the left margin of the screen for ways to make your search more specific. For example, Topic overview is often helpful.

Select an article that matches your topic, and the amount of information you are looking for.

Source Citation

Tools
- Citation Tools
- E-mail
- Download
- Print
- Highlights and Notes

Look at the right margin of the screen to find tools for saving your research. Find Easybib.com under ‘Citation Tools’.
