Getting started
1. Start from library home page: www.pcc.edu/library
2. Two options:
   a) use the Library search box and “Articles” tab to search MasterFile Premier and Academic Search Premier
   b) or click Databases A-Z to go directly into Ebscohost databases.
      i. Then click the E shortcut, or scroll down to E.
      ii. Then click EBSCOhost
      iii. Check the database(s) you want to search, then click Continue.

EBSCOhost choices
Find published newspaper, magazine and scholarly journal articles on a range of topics in Ebscohost databases. When you access EBSCOhost from the Databases A – Z link, you see the top two items checked, and a whole list of other options below. PCC Library has 35 EBSCO databases that you can add to your search. The top two on the list – Academic Search Premier and MasterFile Premier – cover many topics. You may find that other EBSCO databases have more or different information on your topic.

Searching in EBSCOhost

Enter search word(s)

Click to uncheck full text limiter to see more results

Click to get academic articles with references

Enter any words to find books, journals and more
1. Put quotes around phrases to indicate you want the words searched in that order, e.g. “gender identity”
2. Use truncation (*) to get multiple versions of the word, e.g. teen* = teen, teens, teenagers
3. Use the term OR to combine synonyms to broaden a search, e.g. teen* OR “young adult”
4. For articles not available in Full Text, click “Find It” to make an interlibrary loan (ILL) request
