

Quick Start Semiconductor Technician Training

Enrolling Now!

Get a quick start to a rewarding career in the semiconductor industry! In just 10 days, you can gain the skills needed for a stable, high-paying job with leading companies like Intel and other semiconductor manufacturers.

Why Choose a Career in Semiconductors?

- **Career Growth in a Resilient Industry:** Powers sectors like healthcare and communications, offering long-term opportunities.
- **High Income Potential:** Entry-level technicians earn between \$18-24 per hour, usually with full benefits, with the possibility of growth.
- **Work-Life Balance:** Enjoy condensed shifts (3 days on/4 days off, 4 days on/3 days off) that allow time for family, hobbies, and other pursuits.
- **Make a Difference:** Contribute to innovations in technology, including medical devices and smartphones.
- **No experience necessary!** A high school diploma or GED are all that's required.

Who Should Apply?

This program is open to anyone interested in starting a career in semiconductor manufacturing. We welcome applicants from all backgrounds.

Locations: PCC Willow Creek Opportunity Center OR PCC Opportunity Center at 42nd Avenue

Program Schedule: Mon-Fri, 8 AM - Noon
