

# Meet The Employer

Meet the Employer is an interactive workshop that brings job seekers face-to-face with hiring employers. Representatives from various companies present overviews of their organizations, including their mission, workplace culture, and current or upcoming job opportunities. Participants gain insight into employer expectations, hiring processes, and in-demand skills. The workshop also features dedicated networking time, giving attendees the chance to ask questions, exchange contact information, and build professional relationships that can lead to future employment opportunities.
