

# Plant Possibilities

Help build a real  
Augmented  
Reality (AR) app  
by collecting  
plant data at the  
PCC Rock Creek  
Education  
Garden

## What You'll Learn:

- ✓ Observe and document plant characteristics
- ✓ Take photos and field notes
- ✓ Contribute data to an AR mobile application

## What You'll Gain:

- ✓ Hands-on experience with emerging technology (AR)
- ✓ Resume-ready volunteer experience
- ✓ Sustainability and community impact
