CTE POS Course Lists—Secondary

Directions:

1) Please list below the CTE Program of Study Secondary Courses in which the instructor will:
- Teach with intent and purpose the CTE POS knowledge and skills identified in the CTE POS Skill Set, and
- Assess and record student achievement of those standards

2) Mark as "TSA" those courses that are necessary for students to take before they are required to take the Technical Skill Assessment for this POS.

Note: Additional CTE courses may be listed (and supported with Perkins funds) if they support the identified skill set; but do not mark those as "TSA" Required"

Secondary Core CTE Courses **(Please be complete; this information will be entered into the CTE Program Update database and all fields are required)**

☒	A240X	Film 1	.5	11051	Students will learn digital video production. The students will learn basic flming and editing techniques, in addition to planning, scripting and story boarding a project. Students will use digital media as a means of telling a story.	Select College		
☒	A241X	Film 2	.5	11051	Students will build on the foundations of Film 1. Emphasis will be on a deeper understanding of storytelling, and the orgranizational underpinnings of digital work flow.	Select College		
☒	A2351	TV News & Documentary	.5	11055	TV News/Documentary Production will instruct students in the knowledge and skills required for News (information) gathering, and presenting the news/information via video. Skills learned include: organization, ideation, research, synthesis, production, logistics, negotiation, market research, aesthetics, etc. These skills will enable AHS students to approach [future] projects with confidence. ☒	A2352	TV News & Documentary	.5	11055	see above	Portland Community Col		
☒	A2421	Film Seminar	.5	11055	Film Seminar will explore the intersection of creativity and	Portland Community Col		

					organization. Film production is unique in that, as a largely artistic endeavor, it requires significant amounts of logistical acumen. For stories (narratives) to be told, the creative vision has to be linked with technological and organizational proficiencies. Films will be shown and discussed with emphasis on de-construction (and re-construction) of the artistic/creative/logistical process. All aspects of Cinema-storytelling will be explored: plot, characterization, dialogue, shots & angles, dynamics, etc.; comprehension of these aspects will then be demonstrated in student work. AHS currently does not teach a class like Film Seminar. This course has the potential for reaching a broad range of student interests and capabilities like writing, painting, composition (music and word), technology, etc.

Course-to-Skill Set Crosswalk/Matrix

Please use one of the Excel spreadsheets posted online at (Skill Set Matrices Page) (**or** use one you've created locally) to crosswalk the identified skill set to the listed secondary and post-secondary courses.
- You should use the same matrix for both secondary and post-secondary courses.
- It is only required to map courses to the standards (Knowledge and Skill Statements); it is not necessary to map the performance indicators, duties, or tasks.
- Be sure to identify the selected skill set in your matrix, the secondary and postsecondary components.
- If your selected skill set is not from the Oregon Skill Sets website, please identify its origin and how it was industry validated.

☒ Secondary: *(check this box to indicate secondary course-to-skills crosswalk is complete and attached)*
☒ Post-secondary: *(check this box to indicate post-secondary course-to-skills crosswalk is complete and attached)*

CTE POS Design Elements

There are five Elements necessary for a robust Career and Technical Education Program of Study—all are critical to being State approved in Oregon

GENERAL DIRECTIONS FOR COMPLETING THE *ELEMENTS* SECTIONS:

➤ **In the first part of each Element section, click on each checkbox for criteria that applies to your Program of Study**
➤ **For those criteria that don't apply at this time, explain in the Comments box at the end of the section why those criteria are not met and how you will address them before the program is up for revision (POSs are usually approved for four years) Programs that do not meet all elements at the time of application may be temporarily approved as a "State Recognized Program" (SRP) until missing elements are completed; SRP's can convert to POS anytime and be immediately eligible for Perkins funds, per local grant administrator's budget.**
➤ **In the second part of each Element section, there is the expandable space provided for Comments, as mentioned above. Use this box to explain missing check marks in the criteria statements above, point out strengths of your program, or identify special circumstances you need to have considered during ODE review of this application**
➤ **If you already have documents or files that help demonstrate the strength or potential of each Element, simply attach those documents or files in the appropriate Addendum folder, or provide links to online documents, when submitting this application, rather than write lengthy responses in the Comment box. (Consult the *Guide to Using the Oregon CTE Program of Study Application 2018* for details about how to use Addenda if submitting supporting documents or files.)**

Element 1: Standards & Content

Standards and Content are the foundational elements for designing and improving Perkins-eligible Programs of Study

This POS design includes:

☒ A. Relevant, rigorous technical skill standards-based content, including or aligned with challenging academic standards
☒ B. Shared secondary and post-secondary technical content which incorporates the knowledge and skills identified in the Oregon Skill Sets or other industry-based standards, which are validated through national and state employer input
☒ C. Sufficient size, scope and sequence to include curriculum and instruction leading to student attainment of academic and technical knowledge and skills for high school graduation, college entry, and careers within high wage, high demand fields
☒ D. A systemic approach to instructional delivery of academic and technical knowledge and skills where student performance is demonstrated through valid and reliable technical skill assessments (TSA) aligned to industry standards
☒ E. A plan for continuous improvement of program design and instructional delivery that provides the opportunity for each CTE POS student to:
  ☒ Meet diploma requirements, post-secondary entry requirements, and/or certificate/degree requirements
  ☒ Demonstrate mastery of academic and technical content that is aligned with industry standards
  ☒ Apply learning through authentic experiences
  ☒ Develop skills and build confidence to compete in high wage, high skill, and/or high demand occupations.

➤ **Directions for using the Comment box—**Expandable space is provided for comments. This Box is intended for explanations for missing checks above, or notes regarding program strengths worth consideration during POS review. If you already have documents or files that do this more quickly, simply attach those documents or files (or links to them) to this application in an appropriate Addendum folder. (Consult the *Guide to Using the Oregon CTE Program of Study Application 2018*, for more details.)

Please address these questions through your comments in **Element 1 Comment Box** below (or attach documentation in an appropriately identified file/folder)**:**
- Address any unchecked box above
- Explain how this POS is aligned with challenging academic standards at the HS and CC levels
- Identify those who participated in the decision of which skill set to use for this POS
- Who participated in the crosswalk of the skill sets to HS and CC courses

Element 1 Comment Box:
A. There were no unchecked boxes.

B. Instructor and CC partners have collaborated on a curriculum that challenges the students. (note: see Evidence Folder at
https://drive.google.com/drive/folders/1WJxAW_zNVAfaiyHE5kwkbe7qrAIl65Bu?usp=sharing)
C. Decision was made after consultation with the following: Beth Mollenkamp, Reg.Coord.; Brandie Clark, BSD Career Pathways Coord.; LaKisha Clark, VP AHS, Seth Bloombaum, PCC Video Intstructor.
D. The following people participated in the skill set crosswalk: Seth Bloombaum, Brandie Clark, Lynn Wilson Dean, Rebecca Hufford/Perkins Spec.PCC

Element 2: Alignment and Articulation

Alignment and Articulation are key to getting Program of Study partners working together to build career pathways for CTE students

The alignment of this POS includes:

☒ A. A unified, cohesive sequence of content among secondary and post-secondary partners contained in a non-duplicative sequence of courses or learning experiences.

☒ B. Alignment of content between secondary and post-secondary education partners may include course articulation or other ways to acquire post-secondary education credits (e.g. Oregon's Credit for Proficiency, Dual Credit, Oregon Transfer credit, etc.).

☒ C. Articulation agreements are developed, implemented and supported at the institutional level to ensure long-term sustainability and cross-sector cooperation.

☒ D. Based on the program design and instructional plan, each student will:
  - ☒ Continually progress in knowledge and skills when ready;
  - ☒ Earn high school or college credit based on performance; and
  - ☒ Make the connection between educational preparation and entry into a care**e**r.

➢ **Directions for using the Comment box—**Expandable space is provided for comments. This Box is intended for explanations for missing checks above, or notes regarding program strengths worth consideration during POS review. If you already have documents or files that do this more quickly, simply attach those documents or files (or links to them) to this application in an appropriate Addendum folder. (Consult the ***Guide to Using the Oregon CTE Program of Study Application 2018***, for more details.)

Please address these questions through your comments in **Element 2 Comment Box** below (or attach documentation in an appropriately identified file/folder)**:**
  - Address any unchecked box above
  - Briefly describe the level of alignment and/or articulation that exists for this POS (you may also identify non-Perkins eligible alignments that exist with private schools, universities, etc.)
  - Briefly describe the alignment and/or articulation activities that have occurred, and who participated from HS and CC levels

Element 2 Comment Box:

A. There were no unchecked boxes.

B. The alignment for this course was achieved through collaborations with Seth Bloombaum, PCC Multimedia Instructor and myself.

C. Seth Bloombaum, Brandie Clark, and I participated in discussions in order to create articulation with PCC guidelines.

Element 3: Accountability & Evaluation

Accountability and Evaluation are core elements for Perkins eligibility—they provide data illustrating the value of CTE to students' future plans

In this POS design:

☒ A. Performance will be measured against the Perkins-required performance measures as described in Perkins IV Measurement Definitions identified in Oregon's State Plan (re: Data Collection)
☒ B. Business, community and education partners (specifically, an Advisory Committee) participate in CTE Program of Study design and development, including:
　☒ Assistance in evaluating program vision, goals and priorities
　☒ Validation of industry skill standards for curriculum content and technical skill assessment, where appropriate
　☒ Participation in the CTE teacher recruitment, instructor appraisal process, and ongoing faculty professional development
☒ C. Perkins performance data is used for data-driven, CTE program of study design and improvement decisions
☒ D. Students have the opportunity to learn in a contextual career related environment that allows them to:
　☒ Monitor their own progress through their demonstration of attaining technical and academic skill standards
　☒ Demonstrate their technical and academic proficiency in meaningful ways, e.g., Technical Skill Assessment, etc.
　☒ Adapt their program to meet personal goals based on industry requirements and performance outcomes

➢ **Directions for using the Comment box**—Expandable space is provided for comments. This Box is intended for explanations for missing checks above, or notes regarding program strengths worth consideration during POS review. If you already have documents or files that do this more quickly, simply attach those documents or files (or links to them) to this application in an appropriate Addendum folder. (Consult the ***Guide to Using the Oregon CTE Program of Study Application 2018***, for more details.)

Please address these questions through your comments in **Element 3 Comment Box** below (or attach documentation in an appropriately identified file/folder)**:**
- Address any unchecked box above
- Identify the data used in designing this POS, and the effect that the data had on the design
- Identify the members of the Business Advisory Committee
- How will the POS be evaluated, and by whom?
- How will you know if the POS is successful?
- What process will you use to decide any changes that need to occur because of the POS evaluation?
- Required: List the TSA(s) code used for this POS on Page 1 (ODE approved list)

Element 3 Comment Box:
A. All of the above boxes were checked in the affirmative
B. Data for the design of this POS was derived from information in the state employment website identified as Multi Media Job Report in the following folder:
https://drive.google.com/file/d/1TGp3gm_si0Wcv9UDSHpFwsMA0IwBhjHy/view?usp=sharing)
C. Jeff Curtain, Dir.Broadcasting, Portland Trailblazers; Katrina Sarson, freelance producer; Meg Whitman, documentary film producer
D. This POS will be evaluated by the following: The program will review the 90% reports from ODE, as well as student assessments/TSA outcomes, job shadowing/internships, post-secondary student advancement.
E. The success of the POS will be determined by the following: consistantly improving TSAs; the 90% reports from ODE; and the input from my Professional Advisory Committee.
F. Changes will be based upon input from the following: Industrial Advisory Committee and my partners at PCC.
G. Secondary TSA:15REG030
Post Secondary TSA: 2AREG029

Element 4: Student Support Services

> *Student Support Services include the ways that all students are made aware of the career and education opportunities available in the CTE career Pathway that is the focus of this POS.*

In this POS design:

☒ A. All CTE students will have informational guidance support and advising to assist them in progressing through a CTE program of study in an efficient and seamless manner (e.g. Career Pathway Templates, Education Plan and Profile, POS visual guides, Career Information System, etc.).

☒ B. Each student will be able to:
  ☒ Identify the career path options he/she can follow to a chosen career;
  ☒ Receive consistent and informed messages about career and possible financial options for post-secondary education;
  ☒ Take ownership of their education through maintaining a current education plan;

☒ C. Compliance is evident with Federal regulations, including Title VI- Civil Rights Act of 1964; Title IX – Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; Vocational Education Programs Guidelines for Eliminating Discrimination and Denial of Services on the Basis of Race, Color, Sex, Religion, National Origin, Age or Disability; Title II of the Americans with Disabilities Acts of 1990; <u>therefore, this POS provides</u>:
  ☒ Appropriate access for all students, including non-traditional and special populations.
  ☒ A non-biased and non-discriminating learning environment (with respect to race, color, national origin, gender and disability status).
  ☒ Program facilities with physical access and instruction that accommodates students with disabilities, including various learning styles (e.g. the use of visual, auditory, tactile, and kinesthetic teaching methods, and other appropriate forms of instruction).
  ☒ Responsiveness to the needs of students for whom English is a second language.

☒ D. Opportunities for structured student leadership are a program component and integrated into CTE POS instruction. This POS integrates either:
  ☐ 1) One of the state chartered CTSO's: ☐ DECA, ☐ FBLA, ☐ FCCLA, ☐ FFA, ☐ FNRL, ☐ HOSA, or ☒ SkillsUSA **or**
  ☐ 2) Another local or national organization that meets the criteria listed in the ODE Student Leadership criteria document.
  • The locally developed student organization or experience provides leadership development opportunities that meet the following expectations (see details in linked document above):
    ☐ Context related instruction, career development , and practical assessment
    ☐ Community-based learning experiences
    ☐ Organizational management and administrative experiences

---

> ➤ **Directions for using the Comment box**—Expandable space is provided for comments. This Box is intended for explanations for missing checks above, or notes regarding program strengths worth consideration during POS review. <u>If you already have documents or files that do this more quickly</u>, simply attach those documents or files (or links to them) to this application in an appropriate Addendum folder. (Consult the ***Guide to Using the Oregon CTE Program of Study Application 2018***, for more details.)

Please address these questions through your comments in **Element 4 Comment Box** below (or attach documentation in an appropriately identified file/folder)**:**
  • Address any unchecked box above
  • Briefly describe the POS-specific student support services that HS and CC students will receive in this POS that will support their success in the courses
  • How will those student support services help inform and prepare HS and CC students for their next educational and career steps?
  • Briefly describe the specific efforts that will be made to recruit all types of students into this POS (both HS and CC levels)
  • Briefly describe any student leadership opportunities that will be available for both HS and CC

Element 4 Comment Box:

A. There were no unchecked boxes.

B. Support services are provided by Instructional Assistants; IEP and modified diploma students are given accomodation and modification based upon need and project.
https://www.beaverton.k12.or.us/schools/aloha/academics/Pages/Access-Tutorial.aspx

C. The Career Center and SPED services will provide the necessary support.
(https://www.beaverton.k12.or.us/schools/aloha/academics/Pages/College-and-Career-Center.aspx)

D. Recruitment to all types of students is achieved by participating in Curicculum Night, course description brochures, cross-program collaboration, and encouraging students to tell their classmates about the program. (see document in folder: https://drive.google.com/drive/folders/1WJxAW_zNVAfaiyHE5kwkbe7qrAIl65Bu labeld CTE flyer Video)

E. Students are offered leadership opportunities by providing video services to school events (plays, concerts, etc.), marketing spots for local/community businesses, self-directed projects, etc.

2. Technical Skill Assessment: http://www.ode.state.or.us/search/page/?id=3230

3. All expectations have been met.The following information provides supporting evidence for the Expectations: Student Support Services per each original statement.

A. Students receive information, guidance, and/or counseling specific to this CTE Program of Study, including career and job market information, and college program information. Evidence: Students in the Multimedia program at PCC have a specialized advisor who is knowledgeable about PCC systems as well the nuances of the field and the program. The PCC website shows the many diverse CTE programs available as well as how to get started in one, a career center as well as offers advising and career counseling services. The Multimedia degree program has their own website, which details how students can get started and get support.

B. Students participate in CTE POS specific career related learning experiences or related work experience. Evidence: Students are highly recommended to take MCH 280 CE: Multimedia cooperative work to meet their required degree elective requirements. This is an internship experience that is offered in a real world setting.

C. Students' education planning is developed around information specific to this CTE Program of Study. Evidence: Students and advisors work with the GRAD PLAN program to create a personalized degree plan based on the students' level of entry at PCC and the program requirements. In addition, the catalog of programs and degrees offers guidance on educational planning.

D. Extended application projects or capstone experiences are developed within the context of this CTE Program of Study. Evidence: Students complete a series of extensive applied projects throughout the program starting in their first year. They experiment with a variety of materials as well as complete projects from the design, production and marketing. Students complete their capstone in the MM250 Advanced Multimedia Project Development 1 course. Students are highly recommended to take one or more of the following elective courses to meet their degree requirements, MM 160, 230, 235,239, 246, 250, 258, 259, 260, 261, 262 and 280.

E. Written information is provided to all students in this CTE Program of Study informing them of available articulated college (or university) credits, dual credit, expanded options, scholarships, and other postsecondary opportunities. Evidence: The advising specialist who works with these students organizes and announces group meetings, one-on-one advising, job postings and announcements, foundation scholarships, requirements for the co-op and employer visits. PCC has extensive and detailed information available on the transfer website and in the transfer guides that are available showing the paths of articulation from PCC CTE programs to university programs. Currently there is a direct transfer program with Southern Oregon University for a BAS Business Management and Oregon Institute of Technology, BAS Technology and Management that AAS students can transfer directly into.

F. Efforts are made to provide information to students who are considered non-traditional by gender to the occupations resulting from this CTE Program of Study. Evidence: PCC is committed to reaching out to all students regardless of their gender. The CTE program advisors are empowered to reach out to high school students through high school visits, annual student preview day, and career fairs (such as the High School Career Expo every spring). Instructors and the program advising specialist visit local area high schools and high school students studying multimedia as well as high school classes come to visit the program.

G. Access and recruitment to courses in this CTE POS are provided for all students including, but not limited to all Oregon and federal protected classes. Evidence: PCC is firmly committed to creating a diverse student body through continued and regular education of staff and faculty as well as by offering ongoing support to students and staff through the Office of Affirmative Action and Equity.

H. Accommodations are made to assure students with special needs can participate in this CTE POS. Evidence: The Disability Services office at PCC is able to help accommodate students with documented disabilities receive services they may qualify for.

I. Assistance is provided for students wishing to participate in this CTE POS for whom English is not their native language. Evidence: Most CTE programs require an English and Reading level minimum placement of WR 115 and/or RD 115. PCC offers ESOL courses for students who wish to improve

their English language proficiency prior to entering into their CTE program of choice. For students who are studying on an international visa, international advisors that specialize in helping non-native speakers enter into the ESOL program are available.

Element 5: Professional Development

> *Professional Development for POS teachers should be designed on the needs identified by data, and should focus on continuous improvement of student opportunities within this POS.*

The planned professional development for this POS will:

☒ A. Connect to teacher effectiveness evaluations.

☒ B. Help teachers and administrators develop and improve standards-based curriculum and learning experiences that promote the integration of coherent and challenging academic content and industry-based technical standards, including opportunities for the appropriate academic and CTE instructors to jointly develop and implement classroom-based curriculum and instructional strategies.

☒ C. Include professional development that is high quality, sustained, intensive, and focused on instruction designed to increase the academic knowledge and understanding of industry standards

☒ D. Encourage applied learning methodology that contributes to the academic and CTE knowledge of the student

☒ E. Provide research and training opportunities that help teachers develop appropriate and useful assessment tools and strategies.

☒ F. Provide training and guidance geared to help improve instructional delivery methodology that helps improve student performance and skill acquisition, particularly skills needed to work with and improve instruction for special populations.

☒ G. Assist teachers in accessing and utilizing CTE accountability data, student achievement data, and data from assessments

> ➢ **Directions for using the Comment box—**Expandable space is provided for comments. This Box is intended for explanations for missing checks above, or notes regarding program strengths worth consideration during POS review. If you already have documents or files that do this more quickly, simply attach those documents or files (or links to them) to this application in an appropriate Addendum folder. (Consult the ***Guide to Using the Oregon CTE Program of Study Application 2018***, for more details.)

Please address these questions through your comments in **Element 5 Comment Box** below (or attach documentation in an appropriately identified file/folder)**:**

- Address any unchecked box above
- Briefly describe how PD will be planned and implemented, based on the needs of the POS
- Briefly describe any planned joint PD ventures for HS and CC teachers, as well as regional trainings

Element 5 Comment Box:

A. There were no unchecked boxes.

B. The necessary PD will be implemented via Industry and CTE conferences; also classes in modern digital Film/Video production at the local Public Access Center.

C. Planned joint PD ventures will include the regional OACTE conference, the national ACTE conference; and yearly meetings with the PCC Multimedia faculty.

CTE Teacher: Submit complete electronic application materials to your CTE Regional Coordinator.

Submission Process

Instructions

Submit <u>complete</u> electronic copies of the application materials by following this procedure:

1. **Do not send PDF applications**. **Please send in original Word format.**
2. **Be sure you are using the correct year's application from <u>ODE's website</u>.**
3. **Create a file (main folder) for storing all documents to be submitted**
4. **Title the folder using the name of the secondary school, the name of the Program of Study, and the year of submission, e.g., "OregonTownHSAccounting2018."**
5. **Create subfolders clearly named for each Element's Addendum that you are including with the application, e.g., "OregonTownHSAccounting2018Addendum1, "OregonTownHSAccounting2018Element1,"" or "OregonTownHSAccounting20181StandardsContent."**
6. **If submitting unique documents for individual schools in a Regional Application, create subfolders for each school within the appropriate Element's Addendum folder, e.g., "OregonTownHSAddendum1."**
7. **Place the completed POS Application and a scanned copy of the completed Assurance document in the main folder; put any other documents included with the application in their appropriate subfolders. <u>(Please name documents and folders so that they are clearly identified.)</u>**
8. **Each application needs to include a completed Assurance page with all signatures included on one page—please, no duplicate Assurance pages with partial signatures.**
   (For Regional Programs of Study, however, each secondary institution will need to have its own Assurance page; for those Regional applications, please secure Community College signatures first, then photocopy for each secondary partner and acquire secondary signatures; then scan and place all originals in the main POS folder with the application.)
9. **Please be sure all required documents, links, and examples are in their appropriate folders before performing Step 8.**
10. **Prepare files for submission:**
    a. **Submit each POS application main folder with its subfolders one POS at a time.**
    b. **Use the electronic download process using ODE's FTP portal. Go to the ODE Secure File Transfer site (<u>ODE FTP Site</u>) and follow the online directions for sending your POS folder to** POS.Application@state.or.us**. For technical help with this procedure, call Kenzie Mozejko—503-947-5636.**
    c. **Alternatively, you may save folders on a Jump Drive or CD-ROM and send to ODE, in care of: Kenzie Mozejko, Oregon Department of Education, PSB 2nd Floor, 255 Capitol St. NE, Salem, OR 97310.**

<u>CTE Teacher</u>: Submit <u>complete</u> electronic application materials to your CTE Regional Coordinator.
<u>Regional Coordinator</u>: Submit application and addenda using the FTP process described in 10 above, to this mailbox: POS.Application@state.or.us). (Alternatively, using Step 10(c) above, a jump drive or CD ROM can be used to send files to ODE.)

DEADLINE for submission: June 29, 2018
Early Bird deadline (assures feedback before teachers leave for summer): April 30, 2018
