

## Start-Up CTE Program of Study Application (BM 98 Eligibility/Perkins (30%) Eligibility) 2018 Version

This application is required for all Start-Up CTE Programs of Study. There are two parts to this application.

**Part 1** – Must be completed for all Start-Up CTE Programs of Study, even if they are being developed exclusively with local funds. This application will place the program in our list of pending CTE Programs of Study. If the program is not completed within the identified time, it will be removed from that list and a new application must be submitted.

**Part 2** – Must be completed for all new CTE Programs of Study where Perkins funds are being requested to develop either the secondary or postsecondary component of the program. If the program is not completed within the identified time, it will be removed from the list of pending CTE Programs of Study and ODE may request return of funds used to develop the program.

### **PART 1** – Must be completed by secondary and postsecondary partners

## CTE POS Course Lists—Secondary

Directions:

- Please list below the *anticipated* CTE Program of Study secondary courses in which the instructor will:
  - Teach with intent and purpose the CTE POS knowledge and skills identified in the CTE POS Skill Set, and
  - Assess and record student achievement of those standards
- Mark as “TSA” those courses that *will be* necessary for students to take before they are required to take the Technical Skill Assessment for this POS.

*Note: Additional CTE courses may be listed (and supported with Perkins funds) if they support the identified skill set; but do not mark those as “TSA” Required*

## **CTE POS Course Lists—Post-Secondary (optional for Start-ups)**

### Post-secondary Core CTE Courses:

- Enter the name of the anticipated college program that will be the postsecondary component of this POS
- Select the highest level of this component offered by the college
- List the courses anticipated to be included in the Course/Skill Set crosswalk matrix (entry level courses)

[illegible]

**PART 2** – This documentation must be submitted by the secondary and postsecondary components if Perkins funds will be requested for the development of the CTE POS.

---

**Important:** To be eligible for Perkins POS development funds, a program component:

1. Must not have existed in the school or college within the last three years
  2. Must be designed to meet local demand for High Demand/High Wage careers
  3. Must have at least 70% resource support from the local district or community college
- 

### **Attachments:**

1. **Short-term Budget** – Attach a detailed proposed budget for development of the CTE Program of Study during the first year. Include all resources that will be used. \*\*
2. **Long-term Budget** – Identify the estimated total funds that will be used to support the continued development of the program during years two and three. \*\*
3. **Plan** – Provide brief bulleted list of planned activities that will move the development of the program to a CTE Program of study over a period of no more than three years. This list should address all core elements of a CTE Program of Study: 1) content and standards, 2) alignment and articulation, 3) assessment and evaluation, 4) student support services, and 5) professional development.
4. **Sustainability** – Briefly describe how this program will be sustained once it has been approved. Please include a description of the planned use of Perkins funds for enhancement of student learning opportunities.

\*\* As a rule, Perkins grant funds can be used for only 30% of the development costs. Perkins funds may only be used for allowable costs. See [FAQ](#) for more information.
