Career and Technical Education
Program of Study Renewal
2018 Version

Step 1 – ODE specialists will review any Renewal Applications based on course information contained in the Course-to-Standards Matrix, so please be sure those matrices are complete and accurate. See last step below.

Step 2 – Complete this 2018 CTE POS Renewal form (make sure all items are complete)
   a) Program ID Page (Page 1 of this Form) complete
   b) Provide a link to Career Pathway visual (on Page 1 below
   c) Complete CTE Course-to-Standards Crosswalk Matrix (use one of the ODE Cluster templates, or a similar local form); attach matrix to this 2018 CTE POS Renewal form
   d) Indicate on the Matrix (above) those courses that trigger the Technical Skill Assessment(s); identify the TSA on Page 1 of this 2017 CTE POS Renewal form
   e) Enclose evidence of Student Support Services that are specific to this CTE POS (see next page)
   f) Print out Assurances page, secure signatures, and scan as attachment to this 2018 CTE POS Renewal form

Step 3 – Submit this 2016 CTE POS Renewal form and attachments to Regional Coordinator for field approval

Step 4 – CTE Regional Coordinator: Review and field approve appropriately completed 2018 CTE POS Renewal form and attachments

Step 5 – Forward appropriately completed and field approved 2018 CTE POS Renewal form and attachments to ODE at this email address: POS.Application@state.or.us. (Use the FTP process for large files.) DEADLINE: June 29, 2018.

CTE POS Course Lists—Secondary

Directions:
1) Please list below the anticipated CTE Program of Study secondary courses in which the instructor will:
   • Teach with intent and purpose the CTE POS knowledge and skills identified in the CTE POS Skill Set, and
   • Assess and record student achievement of those standards
2) Mark as “TSA” those courses that will be necessary for students to take before they are required to take the Technical Skill Assessment for this POS.

Note: Additional CTE courses may be listed (and supported with Perkins funds) if they support the identified skill set; but do not mark those as “TSA” Required

3. All expectations have been met. The following information provides supporting evidence for the Expectations: Student Support Services per each original statement.

A. Students receive information, guidance, and/or counseling specific to this CTE Program of Study throughout the year during back-to-school night and academic planning night presentations, Career & College Pathway fairs at lunch at Glencoe and Evergreen Middle School, sophomore classroom visits by counselors, and health sciences student presentations in sophomore health classes during forecasting. Students are also guided by the career counselor, as well as individual conversations with both health sciences teachers. There are multiple online resources (See links above)

Health Sciences 2 Syllabus: https://docs.google.com/document/d/1378mJStWdvf6Bh0DWI8bk-vttXwj-3ILK2O_LC1E/edit?usp=sharing

C. Students research careers and create trifolds. They present at our Career & College Pathways career fair. Students learn about career options and pathways during their 24-hour internships and additional job shadows. For their senior project, students create an online portfolio of their work, as well as career exploration and educational plans. Students also create an education plan with counselors through Naviance.

E. Students are informed of dual credit opportunities in the syllabus and course catalog. The career and counseling centers have scholarship information posted on their websites.

Evidence: Health Sciences 2 Syllabus: https://docs.google.com/document/d/1378mJStWdvf6Bh0DWI8bk-vttXwj-3ILK2O_LC1E/edit?usp=sharing
F. Yes, efforts are made during recruiting and forecasting activities to inform non-traditional students of program opportunities. When students present at academic planning night, back-to-school night, CCP fairs, and in sophomore classes, a concerted effort is made to include male students and students of color. Non-traditional students are frequently represented on our Instagram account.

3. All expectations have been met. The following information provides supporting evidence for the Expectations: Student Support Services per each original statement.

A. Students receive information, guidance, and/or counseling specific to this CTE Program of Study, including career and job market information, and college program information. Evidence: Students in the Business Administration-Marketing program at PCC have a specialized advisor who is knowledgeable about PCC systems as well the nuances of the field and the program. The PCC website shows the many diverse CTE programs available as well as how to get started in one, a career center as well as offers advising and career counseling services.

B. Students participate in CTE POS specific career related learning experiences or related work experience. Evidence: Students are required to take MA270 Clinical Practicum 1 in Medical Assisting and NRS 224 Integrative Practicum in Nursing (6-9 cr total) to meet their required degree elective requirements. This is an internship experience that is offered in a real world setting.

C. Students’ education planning is developed around information specific to this CTE Program of Study. Evidence: Students and advisors work with the GRAD PLAN program to create a personalized degree plan based on the students’ level of entry at PCC and the program requirements. In addition, the catalog of programs and degrees offers guidance on educational planning.

D. Extended application projects or capstone experiences are developed within the context of this CTE Program of Study. Evidence: Students complete a series of extensive applied projects throughout the program starting in their first year. They will experiment and understand a variety of materials as well as complete projects from the preplanning phase through completion.

E. Written information is provided to all students in this CTE Program of Study informing them of available articulated college (or university) credits, dual credit, expanded options, scholarships, and other postsecondary opportunities. Evidence: PCC has extensive and detailed information available in their transfer website and in the transfer guides that are available showing the paths of articulation from PCC CTE programs to university programs. The program advising specialist reaches out to students through email, class visits and one-on-one meetings about transfer options, scholarships, extra-curricular opportunities, and available college resources.

F. Efforts are made to provide information to students who are considered non-traditional by gender to the occupations resulting from this CTE Program of Study. Evidence: PCC is committed to reaching out to all students regardless of their gender. The CTE program advisors are empowered to reach out to high school students through high school visits, annual student preview day, and career fairs.

G. Access and recruitment to courses in this CTE POS are provided for all students including, but not limited to all Oregon and federal protected classes. Evidence: PCC is firmly committed to creating a diverse student body through continued and regular education of staff and faculty as well as by offering ongoing support to students and staff through the Office of Affirmative Action and Equity.

H. Accommodations are made to assure students with special needs can participate in this CTE POS. Evidence: The Disability Services office at PCC is able to help accommodate students with documented disabilities receive services they may qualify for.

I. Assistance is provided for students wishing to participate in this CTE POS for whom English is not their native language. Evidence: Most CTE programs require an English and Reading level minimum placement of WR 115 and/or RD 115. PCC offers ESOL courses for students who wish to improve their English language proficiency prior to entering into their CTE program of choice. For students who are studying on an international visa, international advisors that specialize in helping non-native speakers enter into the ESOL program are available.

Submission Process

Instructions

Submit complete electronic copies of the application materials by following this procedure:

1. Do not send PDF applications. Please send in original Word format.
2. Be sure you are using the correct year’s application from ODE’s website.
3. Create a file (main folder) for storing all documents to be submitted.
4. Title the folder using the name of the secondary school, the name of the Program of Study, and the year of submission, e.g., “OregonTownHSAccounting2018.”
5. Place the completed POS Application and a scanned copy of the completed Assurance document in the main folder; put any other documents included with the application in their appropriate subfolders. (Please name documents and folders so that they are clearly identified.)
6. Each application needs to include a completed Assurance page with all signatures included on one form—please, no duplicate pages with partial signatures. (For Regional Programs of Study, however, each secondary institution will need to have its own Assurance page; for those Regional applications, please secure Community College signatures first, then photocopy for each secondary partner and acquire secondary signatures; then scan and place all originals in the main POS folder with the application.)
7. Please be sure all required documents, links, and examples are in their appropriate folders before performing Step 8.
8. Prepare files for submission:
   a. Submit each POS application main folder with its subfolders one POS at a time.
   b. Use the electronic download process using ODE’s FTP portal. Go to the ODE Secure File Transfer site (Link to ODE FTP Site) and follow the online directions for sending your POS folder to POS.Application@state.or.us. For technical help with this procedure, call Ron Dodge—503-947-5653, or Kenzie Mozejko—503-947-5636.
   c. Alternatively, you may save folders on a Jump Drive or CD-ROM and send to ODE, in care of: Kenzie Mozejko, Oregon Department of Education, PSB 2nd Floor, 255 Capitol St. NE, Salem, OR 97310.

DEADLINE for submission: June 29, 2018

Checklist before submitting:

- All items on Page 1 of this form have been completed
- The Career Pathway Map/Visual link has been included on Page 1, (showing both secondary and postsecondary partners)
