

HIM PROGRAM - 2 YEAR FULL TIME

Beginning Fall 2020

Program requirements that can be completed before Term indicated below, for Gen Eds, Summer term is recommended

- CIS 121 Computer Concepts II (4 credits) Meets Gen Ed "Other" Requirement (CIS 120 meets Science, Math and Computer Sci Requirement)
- CIS 125D Database Applications Dev. (4 CR) CIS 121 is a prereq
- General Education – Social Science
- General Education – Arts and Letters
- If you take Anatomy and Physiology series or part of series, this can replace HIM 128 and HIM 129
- MP 135-Pharmacology can replace HIM 136
- HIM 182 Health Care Delivery Systems – open class

1st Term – Fall (16 credits)

- HIM 110 Health Record Content in Acute Care Setting (3 credits)
- HIM 120 Health Record Content in Acute Care Setting Lab (2 cr)
- HIM 182 Health Care Delivery Systems (3 credits)
- HIM 128 Anatomy and Physiology for HIM 1 (4 cr.), or
BI 121 Introduction to Human Anatomy & Physiology I, or
BI 232 Human Anatomy & Physiology II
- CIS 121 Computer Concepts II (4 credits)

2nd Term – Winter (14 credits)

- HIM 105 Ancillary Information Analysis (2 cr.)
- HIM 107 Ancillary Information Analysis Lab (2 cr.)
- HIM 129 Anatomy and Physiology for HIM 2 (4 cr.), or

BI 122 Introduction to Human Anatomy & Physiology II, or
BI 233 Human Anatomy & Physiology III
- HIM 141 Health Record Content in Non-Acute Care Setting (3 cr)
- HIM 282 Healthcare Statistics (3 cr.)

3rd Term – Spring (16 credits)

- HIM 131 Medical Science (5 cr.)
- HIM 136 Medications (3 cr.)
- HIM 270 ICD Procedural Coding (4 cr.)
- CIS 125D Database Application Dev I (4 cr.)

4th Term – Fall (13 credits)

- HIM 275 Basic CPT Coding (3 cr.)
- HIM 283** Health Information Systems (4 cr.)
- HIM 281 Data Management and Analysis (3 cr.)
- HIM 260 HIM Professional Practice Lab 1 (3 cr.)

5th Term – Winter (13 credits)

- HIM 273 ICD Diagnosis Coding (4 cr.)
- HIM 121** Legal and Ethical Aspects of Healthcare (3 cr.)
- HIM 285 Healthcare Financing and Compliance (3 cr.)
- HIM 261 HIM Professional Practice Lab 2 (3 cr.)

6th Term – Spring (10 credits)

- HIM 272** Health Information Management** (3 cr)
- HIM 293 Health Information Directed Practice (2 cr.)
- HIM 271 Quality Improvement in Healthcare (2 cr.)
-
- HIM 262 HIM Professional Practice Lab 3 (3 cr.)

*General Ed is not included on this plan.

** - Indicates courses that may be taken first year with instructor/Program Director approval.
