Every Vote Counts!

Democracy might be as simple as ice cream.

Impact of Civic Responsibility
Between 35% and 50% of eligible voters do not vote.

To build passion for the vote we must
- Start early
- Understand the process
- Connect impact to the vote

Project Summary
Demonstrated the life of a ballot to three classes at Buckman grade school. Children practiced the steps of registration, voting, validation and tally. Developed sensitivity to The Fairness Doctrine.
