For each of the below questions, response quality is an important factor in evaluating applicant materials. Responses are assessed on how well they answer all aspects of the question, the clarity of the response, and general writing ability displayed. PCC has resources to help with developing and writing quality responses.

QUESTION #1: Program Success Attributes (200 – 400 words)

Communication, teamwork and empathy are important attributes for success in the MA program. Choose ONE attribute from these that you think is one of your strengths and explain why you consider it a strength and how you believe this will help you to be successful in the program. Provide at least one example to support your response.

Things to consider: What past experience(s) (work, home life, volunteer, other) really shows how the attribute is a strength of yours? Did the strength develop over time or did you...

Content: up to 20 pts
Writing: up to 5 pts
QUESTION #2: Experience (200 – 400 words)  30 points max

Please describe your experience related to healthcare and how this experience led you to apply to this program.

Things to consider: experience can include paid or volunteer work, community service, caring for a friend or family member, military experience, a personal experience that shaped your views on healthcare, or another experience that helps us understand your background as it relates to this discipline.

Content: up to 25 pts
Writing: up to 5 pts

QUESTION #3: Diversity, Equity, and Inclusion (200 – 400 words)  15 points max

In your own words, please explain why you think a commitment to diversity, equity, and inclusion are important to a successful career in healthcare? As part of your response, please include at least one example of your approach to working with people from different backgrounds or cultures.

Things to consider: what is unique about healthcare that makes diversity, equity and inclusion so important? For your example[s], think about what experience you have working with people different from yourself? What important lessons or skills has your work, home life, or school experience taught you about collaborating and working effectively with diverse people?

Content: up to 10 pts
Writing: up to 5 pts

QUESTION #4: Personal Context (200 – 400 words)  10 points max

We understand that grades and experience are just one part of who you are. What would you like the admissions committee to know about you that has not been addressed in the other application sections?

Things to consider: if there’s anything you want us to know about you, but didn’t find a question or place in the application to tell us, now’s your chance. What have you not shared with us that will highlight a skill, talent, challenge or opportunity that you think will help us know you better?
