

Nursing

Opportunity – Then. Now. Always.

2020 Application Cycle

A Guide to the Oregon Consortium for Nursing Education (OCNE) requirements at PCC

Minimum application requirements

- 30 of the 45 credits of designated prerequisite credits must be completed by the end of fall term prior to the February 17th deadline and must include:
 - BI 231
 - Math course or competency by approved placement test (see below)
- **The remaining prerequisites must be completed by the end of spring term prior to admission**

Grade requirements:

- Cumulative GPA of prerequisite courses must be at least a 3.0.
- Individual prerequisite courses must be taken for a letter grade and must be completed with a grade of "C" or higher.

***Please note: OHSU will not accept grades of C- or lower.**

Prerequisite Courses with a 7-year expiration (*The last year accepted for the 2020 application is 2013*)

BI 231, 232 & 233-Anatomy and Physiology I, II & III, 12 Credits: BI 231 must be completed by the end of fall term prior to the application deadline. BI 232 & 233 must be completed by the end of spring term prior to admission. The full sequence of human anatomy and physiology with laboratory, inclusive of all body systems is required. Chemistry or Biology may be required prior to the A&P sequence at some institutions. PCC requires BI 112 prior to taking the BI 231-233 sequence.

BI 234-Microbiology, 4-5 Credits: Must be completed with a C or better by the end of spring term prior to admission. Lecture and laboratory need to cover: bacterial identification, morphology, metabolism and genetics; bacterial, viral, and parasitic relationships with human health and disease; and basic immunology. PCC requires BI 112 prior to taking BI 234.

FN 225-Nutrition, 4 Credits: Class should cover biological functions, dietary sources of essential nutrients and the relationship of diet to health. PCC requires that BI231, WR121 and MTH60 be complete prior to registering for FN 225.

PSY 215-Human Development, 4 Credits: Class should cover the developmental process of human life through the full life span, from birth to death.

Math 95-Intermediate Algebra, or higher: 3-5 Credits, or placement test. Applicants must demonstrate math competency by the end of fall term prior to the application deadline by one of the following methods:

- Pass MTH 95, or higher with a grade of "C" or better
- Place into MTH 105/ 111 (College Algebra) as determined by PCC equivalent placement scores for COMPASS or ALEKS placement tests. Raw test scores are required and are evaluated using PCC's testing center guidelines for placement. Applicant who meet the math competency by placement exam will need to complete and/or substitute additional general education electives to fulfill the 45 course credits required for admission to the program. Applicants who use math placement exams to meet admissions requirements are still required to meet the math course requirements for the Associates of Applied Science (AAS) Degree (MTH 65 or higher).

Courses with NO expiration date

WR 121 & WR 122-English Composition, 6-8 Credits: Remedial English such as sentence structure and punctuation will not be accepted as sufficient to meet the prerequisite. These courses are preparation for scientific or technical writing which will be required later in the nursing program. The requirement is waived with completion of previous U.S. Bachelor's degree or higher from a U.S. regionally accredited institution. Applicants who have completed a U.S. Bachelor's degree (waived the WR 121 & 122 requirement) must complete or substitute additional general education electives to fulfill the 45 credits required for admission to the program.

Social Science Prerequisite Electives, 6-8 Credits: Prerequisite elective credits are required for application and a **minimum of 6 credits must come from social sciences (excluding PSY 215)**. For a list of approved general education courses, please review the AAS Degree requirements and general education courses from the PCC Catalog at <http://catalog.pcc.edu>.

Basic Computer Competency: The nursing program does not require a computer science prerequisite course. However, success in the nursing program requires that applicants be computer literate, including word processing, data entry, use of spreadsheets and internet research. Applicants with no computer experience should discuss with an advisor how to achieve competency prior to entering the nursing program.

Nursing degree requirements that may be taken prior to acceptance

Genetics Module: Students must complete a **biology course with genetic content prior to the second term of the nursing program**. Successful completion of BI 102, or BI 222, or BI 212 or BI 112 at PCC will satisfy this requirement.

AAS General Education & Nursing Program electives: In addition to the 45 credits of prerequisite courses required for admission, students will need an additional 30 credits of general education electives to complete the nursing degree. There is no expiration date for these electives. Of the total electives completed, 9 credits should come from the Arts and Letters category to meet OHSU transfer requirements. Electives must be 100 level or higher approved Arts and Letters, Social Science, Natural Science or Mathematics. **See PCC's Associate of Applied Science Degree worksheet for approved courses**. OHSU will not accept/transfer any courses to with a grade of "C-" or below.

WR 123, 222 or 227-Technical Writing: Students who have completed WR 121 and WR 122 at 4 credits each are not required to complete a technical writing course. Students who completed writing WR 121 and WR 122 at 3 credits each will need to complete a technical writing course. Students with a previous bachelor's degree do not have to complete this requirement but additional elective credit may be needed for graduation.

Additional courses that may be taken for the Bachelor of Science:

Math 243-Statistics

Foreign Language (see www.ohsu.edu/son for more details). Language proficiency can be met by successful completion of 1) two years of high school language, 2) two terms of the same college level language, or 3) a language proficiency examination. (PCC does not offer language proficiency exams). College level (100 and above) credits in foreign languages also count as general education or elective credits.

PCC Nursing Program Point Distribution-2020 Application Cycle

Program selection for PCC's Nursing program is a three phase process. The first phase is based on a point system worth up to 58 points as detailed below. **Information is subject to change on a yearly basis.** Visit www.pcc.edu/nursing for the most up-to-date program information. PCC will not consider degrees, work experience, certifications, or courses earned for points after fall term prior to application deadline.

PHASE I: SELECTION CRITERIA	Points Possible
PREREQUISITE GPA: <i>Calculated based on grades earned in the required 45 credits of prerequisite courses</i>	
25 points = 3.67 - 4.00 23 points = 3.33 - 3.66 20 points = 3.20 - 3.32 17 points = 3.15 - 3.19 15 points = 3.00 - 3.14	/ 25 pts
ANATOMY AND PHYSIOLOGY SEQUENCE COMPLETION: <i>BI 231, BI 232 and BI 233</i>	
2 points - Awarded for completion of the full sequence by the end of fall term prior to the application deadline 1 point - Awarded for completion of the first two sections of the sequence by the end of fall term prior to the application deadline	/ 2 pts
PREREQUISITE CREDIT COMPLETION: <i>Calculated based on the number of prerequisite credits completed by the end of fall term prior to the application deadline.</i>	
2 points - Awarded for completion of all 45 prerequisite credits by the end of fall term prior to the application deadline 1 point - Awarded for completion of 36-44 prerequisite credits by the end of fall term prior to the application deadline	/ 2 pts
PREVIOUS DEGREE: <i>Degree must be earned by the end of fall term prior to the application deadline. International degrees must be evaluated by a credential evaluation service for U.S. equivalence.</i>	
1 point – Awarded for completion of a previous International or domestic associates degree or higher.	/ 1 pt
SCIENCE GPA: <i>All four science courses must be complete by the end of fall term prior to the application deadline to earn points.</i>	
1 point – Awarded to applicants that complete BI 231, BI 232, BI 233 and BI 234 with a GPA of 3.75 - 4.0	/ 1 pt
SUPPORT COURSES: <i>Students may earn a maximum of 2 pts for completion (with a C or higher) of two of the following recommended courses:</i>	
Chemistry Elective Course (CH 100 or higher) Medical Terminology (MP 111) Information Research (LIB 127) Child Development (HEC 226)	/ 2 pts
PCC STUDENTS: <i>Calculated based on overall credits completed at PCC by the end of fall term prior to the application deadline.</i>	
4 points – For completion of 45 credits at PCC OR 2 points – For completion of 25 – 44 credits at PCC 2 points – Awarded for completion of a degree or certification at PCC (non-credit certifications not considered) 2 points – Awarded to students enrolled in credit classes at PCC in at least 2 of the last 4 quarters (winter-fall 2019)	/ 8 pts
SERVICE MEMBERS: <i>Active military, veteran, reserve, Peace Corps, AmeriCorps.</i>	
Refer to the FAQ section which outlines the supporting documentation requirements.	/ 3 pts
COMMUNITY ENGAGEMENT: <i>Any type of uncompensated volunteer hours in the last 7 years which are not used to award health care experience or service member points. Community engagement hours may be accumulated through the end of fall term prior to the application deadline.</i>	
2 points – Awarded for completion of 100 hours or more 1 point – Awarded for completion of 50 – 99 hours	/ 2 pts
ALTERNATE STATUS: <i>Awarded for previous year's application cycle</i>	
2 points – Awarded to applicants who were offered a seat or placed on the waitlist for the 2019 application cycle.	/ 2 pts
HEALTH CARE EXPERIENCE & CERTIFICATIONS: <i>Students may earn up to 10 pts total from a combination of both sections listed below.</i>	
HEALTH CARE CERTIFICATION: No expiration date or minimum number of practice hours required. This includes international and domestic certifications. 4 points – Awarded for completion of a professional health care certification	/ 10 pts
HEALTH CARE EXPERIENCE HOURS: International or domestic hours of healthcare experience (paid or unpaid in the last 10 years; examples include: medical setting, home care, community health, health education, or military) 6 points – Awarded for completion of 2000+ hours 4 points – Awarded for completion of 1000-1999 hours 2 points – Awarded for completion of 240-999 hours	
TOTAL POINTS POSSIBLE	/ 58

PCC Nursing Program Prerequisite Course Planning Sheet

All prerequisite courses (45 credits) must be completed by the end of spring term prior to admission. For minimum eligibility requirements to apply, see page 2 of this Guide. Courses completed at a college other than PCC are subject to transferability.

PREREQUISITE COURSES	Courses Completed			
ANATOMY & PHYSIOLOGY: 12-15 credits	Course	Term / Year	Grade	Credits
<input type="checkbox"/> BI 231 Anatomy & Physiology I*(within 7 years)		/		
<input type="checkbox"/> BI 232 Anatomy & Physiology II (within 7 years)		/		
<input type="checkbox"/> BI 233 Anatomy & Physiology III (within 7 years)		/		
MICROBIOLOGY: 4-5 credits	Course	Term / Year	Grade	Credits
<input type="checkbox"/> BI 234 Microbiology* (within 7 years)		/		
* Note: BI 112 is a prerequisite for BI 231 & BI 234 at PCC.				
INTERMEDIATE ALGEBRA: 0-5 credits	Course	Term / Year	Grade	Credits
<input type="checkbox"/> MTH 95, or higher (within 7 years)		/		
OR				
<input type="checkbox"/> Placement test scores into MTH 111 or higher (within 7 years)	Raw Placement Test Score:		Test Date:	
The MTH 95 requirement can be waived for admission consideration by completing a college placement test and testing higher than Math 95. Applicants who use placement test scores to meet the admissions requirement will need to substitute general education electives to meet the 45 credit requirement. PCC will only accept Compass or ALEKS placement test scores for the math competency. The placement test must be completed by the end of fall term prior to application. <u>Placement test scores may be used for admission to the nursing program, but will not meet AAS graduation requirement.</u>				
ENGLISH COMPOSITION : 6-8 credits	Course	Term / Year	Grade	Credits
<input type="checkbox"/> WR 121 English Composition I		/		
<input type="checkbox"/> WR 122 English Composition II		/		
The English composition requirement is waived for applicants who have a previous US bachelor's degree. Applicants who waive the writing courses must substitute additional general education courses to meet the 45 credit requirement.				
NUTRITION: 4 credits	Course	Term / Year	Grade	Credits
<input type="checkbox"/> FN 225 (within 7 years)		/		
HUMAN DEVELOPMENT: 4 credits	Course	Term / Year	Grade	Credits
<input type="checkbox"/> PSY 215 (within 7 years) PSY 201A recommended before PSY 215		/		
SOCIAL SCIENCE PREREQUISITE ELECTIVES: 6 credits	Course	Term / Year	Grade	Credits
<input type="checkbox"/> Social Science elective		/		
<input type="checkbox"/> Social Science elective		/		
<input type="checkbox"/> Social Science elective (if needed to meet the 6 cr required):		/		
PREREQUISITE GENERAL EDUCATION: HUMANITIES, SOCIAL SCIENCE OR NATURAL SCIENCE				
Additional credits may be needed to meet the 45 prerequisite credits. General education prerequisite electives must include at least 6 credits of social science (noted above) . Refer to the PCC Catalog at http://catalog.pcc.edu/ under the General Education heading for a list of approved general education courses.				
PREREQUISITE GENERAL EDUCATION: HUMANITIES, SOCIAL SCIENCE OR NATURAL SCIENCE	Course	Term / Year	Grade	Credits
<input type="checkbox"/> Other electives: (Electives from arts, humanities, social sciences, math, natural sciences, etc. if needed to meet 45 credits.		/		
		/		
			Total prerequisite credits completed:	/45

Requirements and selection criteria are subject to change on a yearly basis.

PCC Nursing Program Technical Standards

PCC Nursing Program provides the following technical standards to inform applicants of the skills required to complete the nursing program curriculum and provide health care services. These technical standards reflect the performance abilities and characteristics that are necessary to successfully complete the requirements of clinical based health care programs.

Cognitive

- Recall, collect, analyze, synthesize, and integrate information from a variety of sources.
- Measure, calculate, reason, analyze and synthesize data.
- Problem-solve and think critically in order to apply knowledge and skill.
- Communicate verbally, and through reading and writing, with individuals from a variety of social, emotional, cultural, and intellectual backgrounds.
- Relay information in oral and written form effectively, accurately, reliably, and intelligibly to individuals and groups, using the English language.

Physical

Motor

- Coordinate fine and gross motor movements.
- Coordinate hand/eye movements.
- Maintain balance from any position.
- Negotiate level surfaces, ramps and stairs.
- Function with both hands free for performing psychomotor tasks.
- Maneuver in small areas.
- Attend to cognitive and psychomotor tasks for up to 7-12 hours.

Sensory

- Acquire information from demonstrations and experiences, including but not limited to information conveyed through online coursework, lecture, small group activities, demonstrations, and application experiences.
- Collect information through observation, listening, touching, and smelling.
- Use and interpret information from diagnostic maneuvers.

Behavioral

- Demonstrate emotional stability to function effectively under stress and adapt to changing environments.
- Maintain effective, mature, and sensitive relationships with others.
- Examine and modify one's own behavior when it interferes with others or the learning environment.
- Possess attributes that include compassion, empathy, altruism, integrity, honesty, responsibility and tolerance.
- Accept responsibility for own actions and communicate in a courteous, assertive, non-aggressive, non-defensive manner with instructors, peers, staff and healthcare team members.
- Integrate feedback into own performance.

PCC Nursing Program Frequently Asked Questions

What is OCNE?

The PCC Nursing Program is partnered with eleven other Oregon community college programs and all Oregon Health and Science University (OHSU) Campus programs in a unified approach to nursing education. This statewide partnership is known as the Oregon Consortium for Nursing Education (OCNE). OCNE schools have a common curriculum, admission/prerequisite requirements and admissions timelines.

As an OCNE partner school graduate you can seamlessly transition with your AAS degree to the OHSU School of Nursing for your final year of nursing coursework to receive the Bachelors of Science (BS) with a major in nursing degree. Depending on when you are making your transition from an OCNE partner school there are two delivery options (in person or online). Students must complete the AAS degree and pass the NCLEX RN before transitioning to OHSU.

How competitive is PCC's program?

Admission to PCC's Nursing Program is competitive, with approximately 500+ applicants each year. Points are awarded for multiple criteria and it is difficult to predict the chances of acceptance in advance. It is important to be as successful as possible in your prerequisite coursework. We strongly advise that applicants complete all 45 prerequisite credits by the end of fall term before application and gain work experience in a medical setting with a category I certification (see page 3).

How many applicants get offered a seat in the PCC Nursing Program?

Since the fall of 2016, Portland Community College's Nursing Program has experienced a reduction in admission numbers due to the nursing faculty shortage (which is being experienced across the country as well).

Below you will find the number of admitted students who started in the first year of the program on the first day of the fall term:

Fall 2015 - 76	Fall 2016 - 65	Fall 2017 - 54	Fall 2018 - 32	Fall 2019 - 32	Fall 2020 – 32 anticipated
----------------	----------------	----------------	----------------	----------------	----------------------------

Beneath is a link to the Oregon Center for Nursing, which collects statewide data regarding the nursing faculty shortage:

http://oregoncenterfornursing.org/wp-content/uploads/2014/09/OR-Nurse-Faculty-Workforce_Why-Are-They-Leaving.pdf

Each admission cycle the Nursing Program, in collaboration with the college's administration, determines the faculty/staffing/resources needed to deliver the excellent nursing education that it has provided throughout the years. Elements that are considered are the faculty to student ratios, number of faculty available to hire into open positions, ratio of new to experienced nurse educators, and clinical placement availability.

How can I earn health care experience points for my military medical training?

Discharged applicants must provide their DD214, member 4 copy. Military Medical experience will be considered as a licensed certification with supporting documentation. Please submit any & all documentation regarding military title, job duties and length of service in that role, honorable discharge papers (if applicable). Documentation may come from formal discharge papers or a commanding officer on letterhead from the respective military branch. For more information, please follow up with the Health Admission Office.

How can I show proof of my service in the military, Peace Corps or AmeriCorps to earn service member points?

Veterans must provide their DD214, member 4 copy. Active military must include a letter from their commanding officer on letterhead from their respective military branch. Applicants who served in the Peace Corps must provide a Certification of Service for Employment Purposes form. This document can be requested via the RPCV Portal. For more information, visit <https://www.peacecorps.gov/returned-volunteers/support-services/certifications-service/> If you are a current or former national service member and need a service verification letter, log in to the My AmeriCorps Portal: <https://my.americorps.gov/mp/login.do>. You'll see a link for Service Letters. All DD214, member 4 copies, Peace Corps Certification of Service form and AmeriCorps Service letters must be uploaded to the documents section of student's NCAS application by the application deadline. For more information, please follow up with the Health Admission Office

Do I get my nursing license when I graduate from PCC's Nursing Program?

When you graduate from the PCC Nursing Program, you have earned an Associates of Applied Science in Nursing (Associates Degree in Nursing or an ADN). Graduates from PCC's Nursing Program, will apply to sit for the National Council Licensing Examination (NCLEX-RN). By passing the NCLEX-RN graduates are issued an Oregon nursing license.

Do I need to have a Social Security Number to get my Nursing License?

In order to decrease the chance of fraud in obtaining licenses from individuals who live overseas and do not intend to work in the US or Oregon, Social Security Numbers are required (per Oregon Revised Statute 25.785) for all applicants (including renewals). Refusal to provide your SSN will result in denial of licensure/certification, and the denial will be reported to the National Practitioner Databank. US work visas (H1B, I-766 or other current federal government form authorizing you to work in the United States) will be accepted. If you are attending school on an F1 Visa, provide a copy of the I-94 and I-20 signed by the designated school authority with your application. For more information, contact the OSBN office via email: oregon.bn.info@state.or.us.

Portland Community College is an affirmative action equal opportunity institution.

Students are admitted without discrimination as to age, race, religion, gender, sexual preference, national origin or marital status.

2020 PCC Nursing Program Admission Process

Program Overview

Portland Community College's Nursing Program is designed to provide students an associate's degree from PCC with the option of transitioning to complete a bachelor's degree in nursing from OHSU. The course work is outlined in a four-year framework (the pace of taking prerequisite courses will vary based on placement in prerequisite courses and can extend the student's timeline to five years for completion of the BS in Nursing).

- Year one** Prerequisites* (**typically takes students 4 – 6 terms to complete**)
- Year two** Accepted 1st year Nursing core courses and clinical at PCC*
- Year three** Accepted 2nd year Nursing core courses and clinical at PCC –
Complete AAS degree and complete licensing exam (NCLEX-RN) to become a registered nurse*
- Year four** OHSU BS with a major in nursing track students complete additional upper division electives and nursing coursework to complete a bachelor's degree.*

****This timeline is not typical. Most students will take 5 years to complete their BS in Nursing.***

Educational Planning for Prerequisites

Term _____		Term _____		Term _____		Term _____	
Course	Cr.	Course	Cr.	Course	Cr.	Course	Cr.

PROGRAM ADMISSION SELECTION PROCESS

Phase I: Initial Application Evaluation

Applications are submitted through Nursing CAS and evaluated on a 58-point scale (detailed on page 1). Applicants must meet minimum eligibility requirements. Only complete applications submitted by the application deadline will be considered. Applicants who score the highest in phase I will move on to phase II.

Phase II: Essay response, cover letter, resume and the Health Sciences Reasoning Test (HSRT)

A review of an essay response, cover letter, resume (uploaded to the NCAS application in phase I). Students who move to phase II will also be invited to campus to sit for the HSRT Exam. Essay response, cover letter, resume and HSRT Exam scores will be used to determine seat offers for the 2020 program. Phase II scores alone (not a combination of scores from phase I and II) will determine which applicants receive seat offers and move on to phase III. PCC and OCNE reserve the right to change or update the areas to be assessed as necessary. Consortium members have agreed that the applicant's score on the cover letter, resume and essay responses will not be released to the applicant.

Phase III: Post-Selection Requirements

Applicants offered a seat in the Nursing Program **must complete all outstanding prerequisite courses (45 credits) by the end of spring term prior to starting the Nursing Program in the Fall Term.** In addition, prior to beginning nursing courses, applicants must meet the following requirements:

- Successfully pass a criminal background check from an agency designated by PCC
- Successfully pass a ten-panel drug screen from a lab designated by PCC
- Submit proof of current immunizations and current American Heart Association BLS certification for Health Care Providers

Applicants should **NOT** pursue meeting the phase III requirements prior to being offered a seat in the Nursing Program. Applicants with an admissions offer will receive specific directions (at summer orientation) from PCC's Nursing department on how to fulfill these requirements.

2020 PCC Nursing Program Admission Process

PRIOR TO APPLYING

- Applicants are strongly encouraged to research the field of nursing and volunteer or work in the health care industry to gain knowledge of professional duties and responsibilities.
- Applicants are eligible to apply for admission to the nursing program after completion of a minimum of 30 quarter credits of courses from the prerequisite list. The 30 credits must include **BI 231** and **Math 95 competency** (both within 7 years of application). The minimum requirements must be met by the end of fall term 2019. **All prerequisites in progress at the time of application must be completed by the end of the spring term prior to program admission.**
- Application to the nursing program requires a **minimum prerequisite GPA of 3.0**. All 45 completed prerequisite credits will be counted toward the prerequisite GPA.
- All prerequisite courses must be completed with a letter grade of "C" or better. Plus and minus grades will not be factored into the GPA. Pass/no pass grades are NOT accepted. **Please note: OHSU will not transfer/accept grades of C- or below.**
- If a course has been taken more than once, the most recent grade received will be the grade used for prerequisite grade evaluation.
- Admission is highly competitive, completion of prerequisite courses does not guarantee entrance into the program. Applicants are strongly encouraged to have alternative options and apply to as many nursing programs as possible.

ADMISSIONS INSTRUCTIONS AND TIMELINE FOR FALL 2020

November 1, 2019: APPLICATION OPENS

- Create a NursingCAS (NCAS) account at www.nursingcas.org and submit/upload all application materials for your NCAS & PCC application.
- Apply to PCC as a credit seeking student. Applicants can apply to Portland Community College online at www.pcc.edu/admissions
- **Mail ALL official transcripts, including PCC transcripts directly to NCAS**
 - **NCAS may take up to 4-6 weeks to show receipt of your official transcripts—Make sure to send your official transcripts at least 2-3 weeks prior to the application deadline to ensure your official transcripts are processed as early as possible.**
- Pay a required, non-refundable supplemental application fee to PCC for \$40. Payment link can be found online (under the application instructions tab) during the open application period. Upload a copy of your payment receipt from the non-refundable \$40 PCC supplemental application fee, healthcare work experience forms, community service forms, supporting licensure/certification documentation, AND submit the NCAS \$50 application fee by February 17th, 2020 at 9:00pm PST/12:00am EST deadline.

December 15, 2019 (Fall Term Ends): Last day to count courses, community engagement and health care experience hours for 2020 application

February 17, 2020 – 9:00pm (PST) /12:00am (EST): APPLICATION DEADLINE

- *NCAS applications must be electronically submitted and all fees must be paid to PCC and NCAS by this date and time. All official transcripts must be received by this date and time as well. Please be advised that if you wait until the deadline to send your transcripts, NCAS may not show date of receipt by the deadline, which will make your application ineligible.*

Late-March, 2020: Top scoring applicants are notified via email of movement to phase two of the selection process and HSRT exam invitation dates are scheduled.

Mid-May, 2020: Top scoring applicants in phase two will be offered placement in the Nursing Program.

Summer 2020: Mandatory orientation #1 and post selection requirements must be fulfilled (see phase III details above).

- *Applicants offered a seat in the program must attend two mandatory, on-campus orientations. They must also meet post-selection requirements before starting the program fall term.*

September 2020: Mandatory orientation #2 and program begins.
