Dear Dana Fuller,

Congratulations on becoming a new member of the EAC. The EAC is a key part of our academic governance system and has an important role to play in the development of academic standards and academic policy for the College. This is a very important opportunity to contribute to critical dialogue around important issues related to the very heart of all we do at PCC – educate our students.

I hope that you will find the time you dedicate to the EAC to be rewarding. Your commitment is an investment in our students and in our collective mission.

Thank you for that commitment. I look forward to learning from your perspective. Again, welcome and thank you for your service to PCC and to our students.

Best Wishes,
