Educational Advisory Council Recommendation

Subject: New Less Than One-Year Certificate: Apprenticeship Trades and Pre-Trades

Relevant EAC Standing committee:

☐ Academic Policies & Standards Committee (APS)  ☐ Curriculum Committee (CC)
☒ Degrees and Certificates Committee (DAC)  ☐ Membership Committee (MC)
☐ Student Development Committee (SDC)

Brief summary of recommendation:

Rationale from SAC Representative: To prepare students as much as possible to apply for any of the 40+ State of Oregon Registered Apprenticeship Programs - a very competitive process. This is a 14 credit Career Pathway Certificate (ACERTP). Courses are all a part of the One-Year Certificate. On 5/27/15, The EAC Voted to Recommend Approval

Outcomes:

- Apply research, trades exploration, and self-reflection skills to the application procedures for any of the 40 plus Oregon Registered Apprenticeship Programs
- Demonstrate skill in electrical wiring that meets National Electrical Code standards.
- Demonstrate applied math skills that meet the math standards for most Oregon Registered Apprenticeship Programs.

Coursework:

- APR 162 – Calculations for the Trades – 4 credits
- APR 200 – Trades Preparation – 8 credits
- ELT 110 – Electricity for Non-Electricians – 2 credits

Signatures below represent the support and/or approval of this recommendation; the signature of a committee chair represents the support of the respective committee.
