The PCC Women’s Resource Centers (WRC) serve victims of domestic violence on a weekly basis. We listen without judgment and provide resources for counseling, safety planning, referrals to shelters and legal resources.

If you or someone you know is being battered and wants help, come by the WRC in SSB 103 or call the National Domestic Violence Hotline at 1-800-799-SAFE.

In addition to our services, the Women’s Resource Center participates in The Clothesline Project every October in honor of Domestic Violence Awareness. The Clothesline Project is a national movement that addresses the issue of violence against women. The display is a vehicle for people affected by domestic violence to express their emotions by decorating a shirt. Shirts are hung on a clothesline to be viewed by others as testimony to the problem of domestic violence. If you want to decorate a shirt this month (October), come by the WRC in SSB 103 and get yours.
