Let’s celebrate the end of this academic year in costumes

On behalf of the District Programmers and all The Associated Students of PCC (ASPCC), we would like to invite everyone to our annual End of Year Celebration.

The theme this year is “An Evening in Toon Town” – a celebration of animation magic. Guests are encouraged to dress as their favorite cartoon character. The party will feature Faux gambling for many fabulous prize-baskets all night long. The top prize is an iPad Mini 32GB with a docking system.

LET’S CELEBRATE THE END OF THIS ACADEMIC YEAR IN COSTUMES

Spring Biking with ASPCC Cascade Bike Shed

Get it – The Cascade Bike Program rents sturdy and fast commute ready bikes to students taking 6 credits or more for $15 a quarter, including the summer quarter. The Bike Shed provides advice and can assist with minor adjustments and flat fixes to get your bike in shape. Good quality and low-cost used bikes can be found at some bike shops in Portland, and new bikes can be found everywhere. An entirely new category of bikes are made just for commuting, with fenders, baskets, racks and kickstands. Step-through or mixte models are gaining in popularity too. If you have

questions on where to go or what to look for, talk to Tom at the Bike Shed.

Ride it – If you are ready for more riding, Shift2Bikes.org will host the 14th annual Pedalpalooza from June 5-29. Dozens of rides, workshops, parties, and bike fairs are geared for everyone, including you.

Keep it – Lock your bike! The ASPCC Underground has a few U-locks to borrow for up to 48 hours. We also sell Kryptonite U locks for $20. The Bike shed can instruct you on how to securely lock your bike.

Recovery 101 Club
Students who identify as being in recovery are welcome.
Mon., May 5, 19, & June 2, 9, 5PM, SC 306.
Contact: tony.vezina@pcc.edu

The Zen of Ramen Making
