

Materials Checklist - Introduction to Drawing - Angela Sagues

*I've tried to keep this list as simple and cheap as possible. All of these items will be important for the exercises we'll do in class. But!----if you don't have/don't want to buy everything---bring what you have and we'll make it work.

Speciality/ Art Store Items

*You can buy these online, but they usually come in multipacks and are more expensive. I recommend Columbia Art Supplies <https://www.colartpx.com/>; if you show them your PCC info (on your phone is ok), they'll give you a discount.

Sketchbook: _ Canson XL Mix Media 9 x 12
<https://a.co/d/7sLtrXO>
Buy any size you like. Avoid the one labelled "rough" texture. May be 2 for 1 at Columbia. Feel free to use a sketchbook you already have instead.

Eraser: _ Kneaded Eraser
<https://a.co/d/1YorLaA>

Implements: _ Kuretake Brush Pen
<https://a.co/d/1c2Vera> Slightly expensive but worth it.

_ Gel pen
<https://a.co/d/4ETuPDq> Any color - just get something dark enough to show up.

_ China Marker
<https://a.co/d/iDu9R6h> Also available at hardware stores. Black.

_ Felt-tipped Pen
Pilot Razor or similar. If you find something at home, make sure it has plenty of ink.
<https://a.co/d/8sQ6rfK>

_ 4B Graphite Pencil
More versatile than a #2 pencil. I recommend getting a few 4B pencils in different brands.
<https://a.co/d/5insVhf>

Everyday items

*You probably already have them. You can also buy nicer versions at the art supply store or get them cheaply at Dollar Tree.

- Paper:
- _ Construction paper
(or solid color wrapping paper, brown paper. Make sure it is not too wrinkled and fairly sturdy.)

 - _ Printer paper: bring a stack about a quarter inch thick. Especially handy with a clipboard.

Implements:

- _ Pencil (not mechanical)
- _ Sharpener (enclosed is convenient)
- _ Firm eraser (pink, white, etc.)
- _ Ballpoint pen
- _ Scissors
- _ Ruler
