### The Future

Ana:	This smells so good. I'm sure dinner is going to be delicious!
Ana's Mom:	Yes. Now tell me more about your life in the United States.
Aunt Carmen:	Ana studies a lot and she is learning English quickly. She even met someone 'special' in her English class!
Ana:	It's true. I like to practice English by having fun with my classmates. I especially like to talk with a cute guy named Yuri.
Mom:	Yuri is not a Guatemalan name. Where is he from?
Carmen:	Yuri is from Ukraine. He came over for dinner once, and he seemed nice.
Ana:	Mom, I'm going to invite Yuri to come over this weekend so you can meet him, too.
Mom:	That will be wonderful! I hope you aren't going to do anything crazy like get married soon.
Carmen:	No way! I won't let them get too serious. They are both very young and have many future plans.
Ana:	I'm not thinking about marriage until I graduate from college! I'm going to be a pharmacist, so I will have to study for 8 years at a university.
Mom:	Good for you! What is Yuri planning for his future?
Carmen:	He told us his dream is to study engineering like his father.
Ana:	First, we are learning English. Then we will reach for our dreams.
