

STORM CHASING

“WHEN WEATHER ATTACKS...”

Learn how severe weather such as thunderstorms, tornadoes, hail, flooding, lightning, and hurricanes can form and how to protect yourself and your family. Taught by a USDA-certified Meteorologist and former NOAA/NWS Portland office forecaster with 30+ years of experience forecasting for the PNW.

CRN #23401, Tuition: \$39

Date: Thursday evening (1-session); **May 9th**, 6 pm to 8:50 pm

Where: PCC-SEC (SE 82nd and Division), *in-person*, Tabor Hall, Room #141

Instructor: Prof. Kyle Dittmer, office (day): 503-731-1314, kyle.dittmer@pcc.edu

TOPICS:

- Severe Weather: How does “bad” weather form...where and when?
- Events: Winter Rainstorms/Snowstorms, Flooding, Thunderstorms/Lightning, Tornadoes, Hurricanes.
- Communication: What to look for in official NOAA/National Weather Service announcements.
- Protective Action: What can be done to protect yourself and family members?

FORMAT:

Lecture format, PowerPoint slideshows, and YouTube videos. Students are encouraged to share their views and life-experiences about specific severe weather events.

It's easy to register! To register online, go to: <http://www.pcc.edu/enroll/registration/non-credit-registration.html/>. You can also register by calling 971-722-8888. You will need to know the 5-digit CRN for the class you want to take.

You May Be Eligible For a Tax Credit!

Based on the Taxpayer Relief Act of 1997, you may qualify for an educational tax credit. For more information, please contact a tax advisor, call the IRS at 1-800-829-1040 or visit the PCC web site at: www.pcc.edu/enrolling/tax.htm

Portland Community College is an Affirmative Action, Equal Employment Opportunity Institution.

If you have a disability that requires any special materials, services, or assistance, please contact the Office for Students with Disabilities, 503-977-4341, TTY 503-977-4877, at least 72 hours prior to the first class so we may arrange appropriate accommodations. For general information via TTY, call 503-977-4877.
