

Penguin Talks Speaker Series

“Climate Change Skepticism – Pathway Forward”

FEATURED SPEAKER: Prof. Kyle Dittmer, Earth Science Instructor,
Clark College, Vancouver, WA

Explore the science behind climate change and the questions often raised by skeptics. This balanced lecture examines climate data, common misconceptions, and how scientific evidence is evaluated, encouraging critical thinking and respectful discussion, and a pathway forward!

Wednesday, October 28, 2026, 12-noon – 1pm

FVRL Central Branch/Auditorium, 901 C Street, Vancouver
