1. What would you change about this course, and/or what could the instructor do to improve this course?

A. It should be offered at another time at Rock Creek besides nights only. Instructor was enthusiastic about his teaching. He did an awesome job. No complaints.
   More field trips if possible.
   Clearer information about how much projects were worth (points).
   Different time so we could be outdoors more.
   More films, maybe one more field trip.

2. What was there about this instructor/course that you especially liked or thought made this course worthwhile?

A. The **variety**.
   Taylor was awesome. He was well prepared and made class interesting.
   Class discussions were interesting, easy going.
   Mr. Taylor has a good sense of humor and wasn't uptight. He was easygoing. This makes learning more enjoyable. Also, this makes me want to come to class and try my hardest.
   Smaller class size, and field trip and labs.
   Labs were interesting.
   He has a lot of experience working with the environment, and is very enthusiastic about the environment.

3. Additional comments?

A. Would recommend this course.
   T'was fun.
