**B. Read Eduardo’s Life. Underline all the verbs.**

Eduardo’s Life

I was born and grew up in the Philippines. In school, I studied English. I graduated from high school in the Philippines.

My sister lived in the United States. I applied for a visa, and I came to the United States when I was 19. I found a job that I liked.

When I was 23, I met a wonderful woman at my job. We fell in love, and we got married. Two years later, we had twins, two baby girls. We bought a little house near Portland.

When I was 40 years old, I became of citizen of the United States.

Last year, I retired when I was 65. I am 66 years old. Yesterday, my family celebrated my birthday. I am 66 years old.

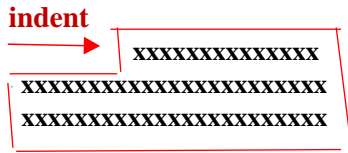

Now, my children are married, and I have five grandchildren. Life passes too quickly!
