

OMT STUDENT SKILLS INVENTORY

Name _____

Please indicate the skills you performed in your previous practicum site(s). Feel free to make any additional comments (for example, observed only, only did once or twice, etc.)

After completing, please give to the practicum site supervisor on your first day.

Tonometry:

- Goldmann applanation
- NCT
- TonoPen
- iCare

Exams:

- History
- CC/HPI
- Slit lamp
- VA
- Pre/post-op patient education
- Pupil Assessment
- Drop Instillation
- Angle Estimation
- Scribe/EMR

Ancillary Testing:

- Color vision
- Accommodative testing
- Exophthalmometry
- PAM
- Contrast sensitivity
- BAT

Refractive:

- Auto refraction
- Retinoscopy
- Refractometry
- Prism Balance
- Keratometry
- Wavescan
- Corneal topography

Other:

Additional Comments:

Motility Testing:

- EOMs
- Versions
- Ductions
- ACT
- PACT
- Cover/Uncover
- Quantify Strabismus
- Worth 4 dot
- Stereo
- Vision training/orthoptics

Optical:

- PD Measurement
- Spectacle Adjustment
- Spectacle Repair
- Contact lens fitting

Diagnostic Imaging:

- Fundus Photography
- Macular OCT
- Optic Nerve OCT
- Specular Microscopy
- Slit Lamp Photography
- FA/ICG Angiography
- Autofluorescence
- Electrophysiology

Misc Skills:

- LipiView
- Schirmer's
- TBUT
- Inflamm Dry

Lensometry:

- Manual
- Automatic
- Bifocals
- Progressive
- Prism

Ultrasound:

- Biometry
- Bscan
- Immersion Ascan
- Standardized Ascan
- UBM
- Pachymetry
- Optical Biometry (IOLMaster / LenStar)

Surgical Assisting:

- Observe in OR
- Sterilize instruments
- Minor procedures
- Specimen collection

Visual Fields:

- Lid measurements
- Automated HVF
- GVF
- FDT
- Tangent
- CVF
