DIRECTIONS & PRIZE INFORMATION

Adapted from Multnomah County's Sustainability Bingo.

Goal: Engage staff and students virtually in celebration of Earth Week.

We are holding a raffle for three fabulous sustainability prizes. We will raffle one grand prize for "Blackout Bingo" - for completing all of the actions. To be eligible for prizes, download or print your bingo card from: pcc.edu/earthweek and return a completed card that shows "Bingo" to sustainability@pcc.edu. Download Adobe to complete the file as an Adobe fillable form or send us a screenshot/photo of your completed card. A completed card consists of five-in-a-row vertically, diagonally, or horizontally. Please include your contact information with your submission, so we can get in touch with you if you win! The contest ends April 30th, 2020.

View all of the PCC Earth Week details at

pcc.edu/earthweek.

This is a clickable .pdf file; the links will only work on a computer, not a cell-phone.

Prizes will be given out when we return to campus.

We will ask winners if they would like to be featured in social media.
