Connecting to PCC’s Wireless

1. Right click on your wireless configuration icon on the lower right side of your taskbar.
2. Click “View all available wireless connections”.
3. You should see PCC in the list, if not click the Refresh network list link on the top-right corner.
4. Click the connect button on the lower right corner.
5. Open Internet Explorer
6. You will have to authenticate to the PCC network, enter your username (same username you use to log into MyPCC).
7. Your password is your G number.
8. Click Sign In.

Connecting to the Printer

1. Make sure you are connected and logged into PCC’s wireless network.
2. Click Start > Control Panel
3. Click Printers.
4. Click the „Add a printer” button in the toolbar.
5. A wizard box will ask you to choose a local or network printer. Select „Add network, wireless or Bluetooth printer.’
6. The wizard will attempt to search for printers but it won’t find any. Click „The printer I want isn’t listed…”
7. The wizard will ask you to input a printer by name or IP address. Make sure the „Select a printer by shared name” radio box is selected and enter the printer name from the in the following format: \\[server name]\[printer name]

Use the table found (Here) to find the correct [server name] and [printer name] for your location

Example: \\syprint.pcc.edu\SYLIBQ1
Printing from Wireless Laptops in the Library: Windows Vista

8. Your computer will connect to the printer and install the appropriate driver automatically. When this is finished, close the wizard and exit the control panel.

Printing from your Laptop

1. Create or open the document you want to print.
2. Click File > Print
3. Select the printer you just installed from the drop down list at the top of the print window.
4. Click OK to send the print job.
5. Open a new Internet Explorer window.
6. In the address box type https://pccprint.pcc.edu:7773 and hit enter.
7. Internet Explorer may give you a Certificate Error message. If that happens click „Continue to this website (not recommended).”
8. Log into your go print account, using the same login information you would use at any campus CRC.
9. Checkmark the print job you want to print and click the pay and print button at the bottom.
