Hello!

Welcome to the 2025-2026 academic year at Portland Community College!

Since its founding in 1961, Portland Community College has remained a place where everyone who aspires to learn is welcomed—regardless of class, race, gender, religion, or background. Our founder, Dr. Amo DeBernardis, believed that ...

“Community college is for everyone.”

Today, PCC serves over 53,000 full-time and part-time students each year and stands as Oregon's largest institution of higher education. In fact, more than one-third of Oregonians will take a class at PCC at some point in their lifetime! We proudly serve a district larger than the state of Rhode Island and offer more than 90 different degrees and certificates across a broad range of disciplines.

When I joined PCC, I brought with me a vision of One Together, Together One - a philosophy that reminds us that PCC's faculty and staff are united in purpose: to support you, our students. Your journey matters, and our commitment is to ensure your success is centered in everything we do.

We are honored you've chosen PCC, and we're here to support you every step of the way. Here's to a meaningful and fulfilling academic year.

Go Panthers!

Adrian Bennings
