Fall 2009 still enrolled in Fall 2010	57%	40%
Fall 2010 still enrolled in Fall 2011	60%	45%

Increase retention rate for students on financial hold, fall to winter term (the percent of students on financial hold in Fall Term who subsequently enroll in at least one class for credit and are still enrolled by the 4th week of Winter Term). A financial hold prevents registration for a subsequent term.

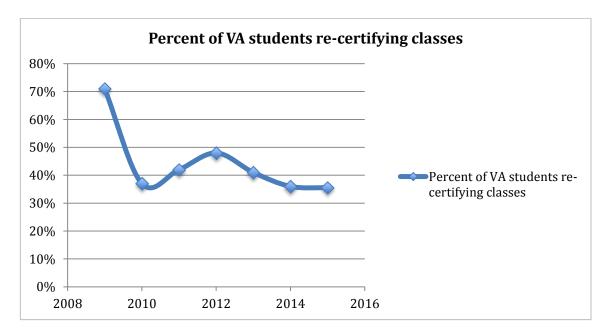

Goal - from 31.4% of Fall Term students (with financial hold) to 37.4% retained by 2015

Fall	Student Count:	Retained:
Term	Financial Holds	Winter Term
2009	14,167	31.4%
2010	13,582	28.0%
2011	10,990	26.0%

2013	4,689	53.2%
2014	5,785	55.4%
2015	4,746	51.7%

Reduce the percent of VA benefit applicants who have to re-certify (reduce re-certification, reduce barriers for enrollment by aligning long-term academic advising with the requirements of each student's VA benefit chapter).

Goal – from 71% of applicants who re-certify to 45% by 2015

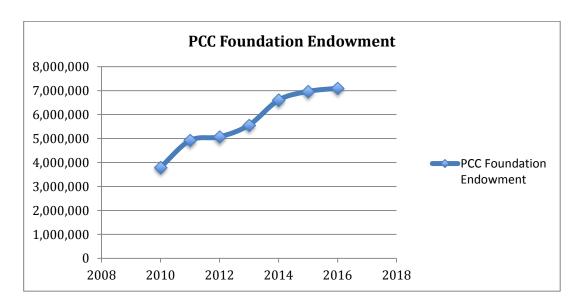

Fall	Percent of VA students
Term	re-certifying classes
2009	71%
2010	37%
2011	42%
2012	48%
2013	41%
2014	36%
2015	35.5%

Additionally, PCC confirmed pre- and post- percent and number of re-certifications at Veterans Administration, using the VA-Once system data, from 2010 to 2015. The percentage of students for whom a certifying official at the VA had to make changes to PCC student certifications changed from 24.36% (2010) to 17.0% (2015). The total number of changes that had to be processed by the VA changed from 308 (2010) to 200 (2015).

Goal - from 16.2% CDR to 12.2% by 2015

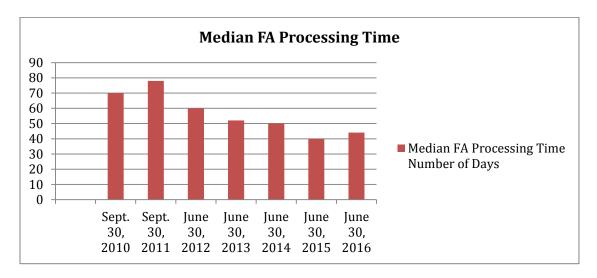

Federally	Default Rate	Students who entered
Reported		repayment and
(September)		defaulted in
		3 prior years

2016	18.8%	2013, 2014, 2015

<sup>\*</sup>The official use of 3-year default rates began in 2012, prior rates were considered "trial rates" in order to prepare institutions for changes concerning Title IV CDR guidelines and sanctions.

**Decrease median financial aid processing time** (Financial Aid (FA) operations stream-lined and automated to expedite eligible funding to PCC students, thus reducing institutional barriers for student enrollment, registration, and payment deadlines).

**Goal -** from **70** days to **35** days by 2015

Financial Aid	Median FA Processing Time
Year End Date	Number of Days
Sept. 30, 2010	70
Sept. 30, 2011	78
June 30, 2012*	60
June 30, 2013	52
June 30, 2014	50
June 30, 2015	40
June 30, 2016	44

<sup>\*</sup>The Financial Aid awarding year was adjusted to a "summer start", meaning FA awards (for an entire academic year) were provided to students prior to summer terms
