VT 108	Pharmaceutical Mathematics	Rev	See Courseleaf.		✓	
VT 207	Public Health and Sanitation	Rev	See Courseleaf.		✓	

Discussion:

- The leaders of the EAC and subcommittees agreed during summer to modify/revise the wording of the CIP grading policy in order to comply with Veterans Administration requests.
- This raised the question of how the committees should handle policy emergencies when the committees may not be in session or when issues arise outside of the regular committee schedule, as well as how to handle questions that may arise when an external group requires a change or revision to a PCC policy or program.
