Explanation of Other:	There is a need to extend the teach-out plan for the suspended program to the end of summer 2013 as there are students who need a cooperation education course to complete their program of study. Only INSP 280B will be scheduled on an individual need basis. The AAS will be listed in the 2012-2013 catalog as suspended. As the state has approved the AAS students will be able to earn the AAS during the 2012-2013 academic year.
