

May 1976

Dr. Amo DeBernardis
dedicated

Rock Creek Center

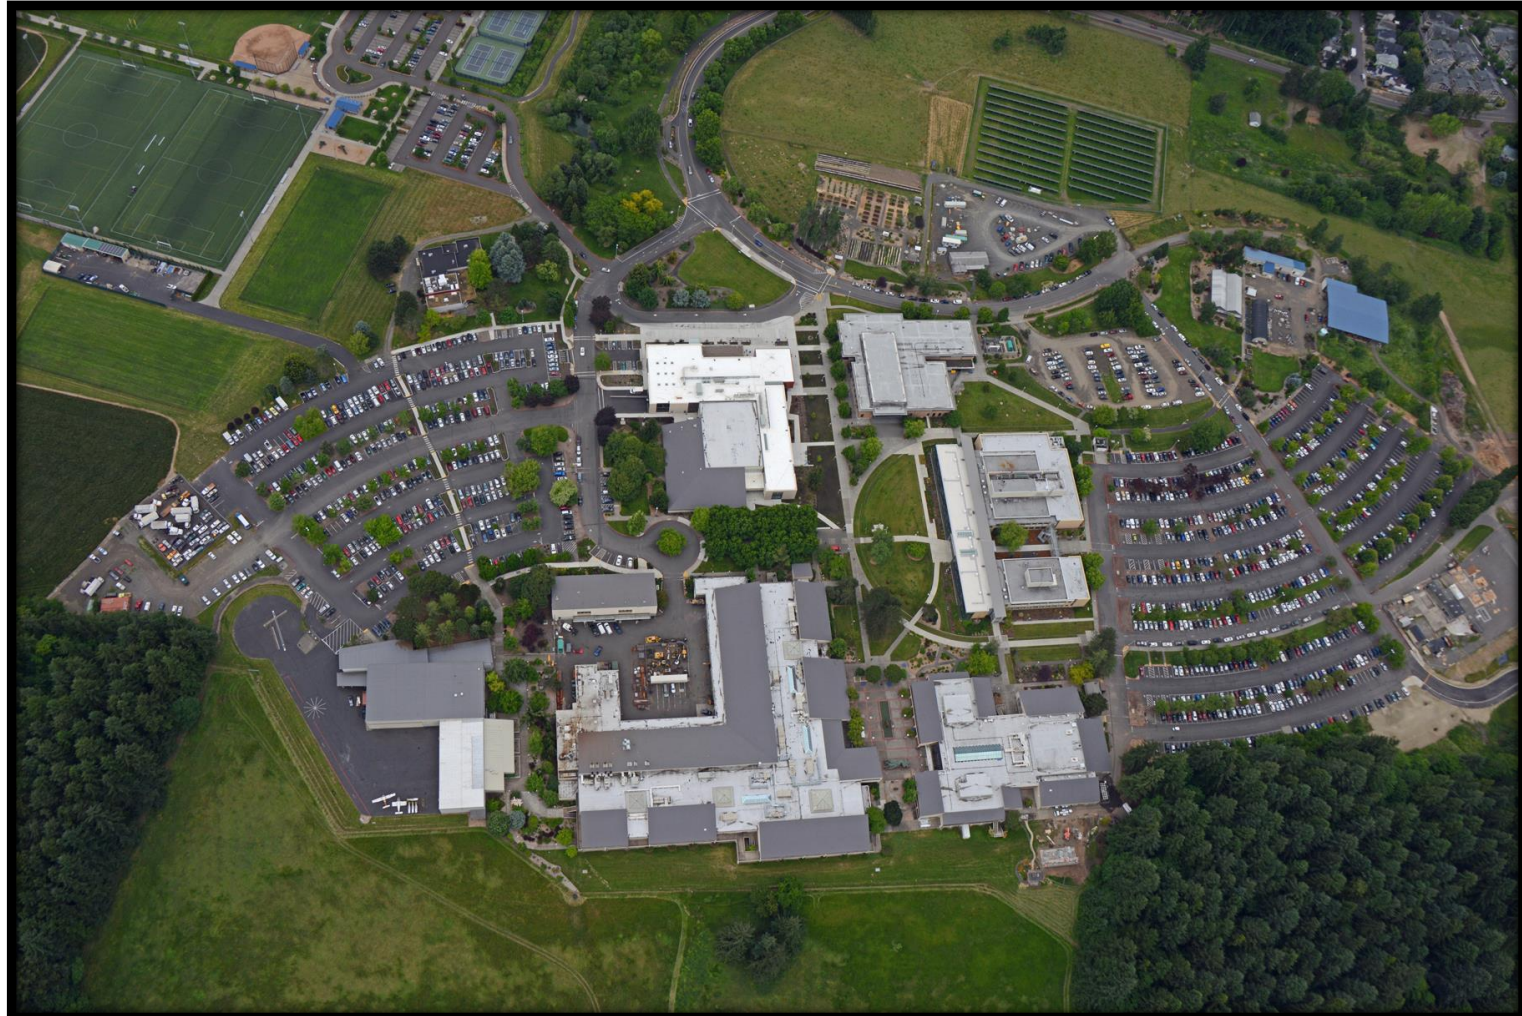

“You didn’t have to be a genius to see that Washington County was where the land was and deduce that is where people are going to build their homes. We should be there, too.”

PCC President Amo DeBernardis

**In 1976, Phase One of the
Rock Creek Campus was completed**

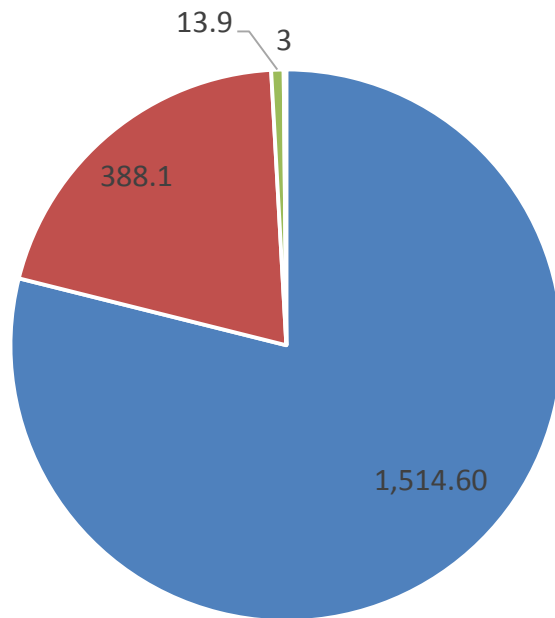

Forty Years Providing Outstanding, Affordable Education

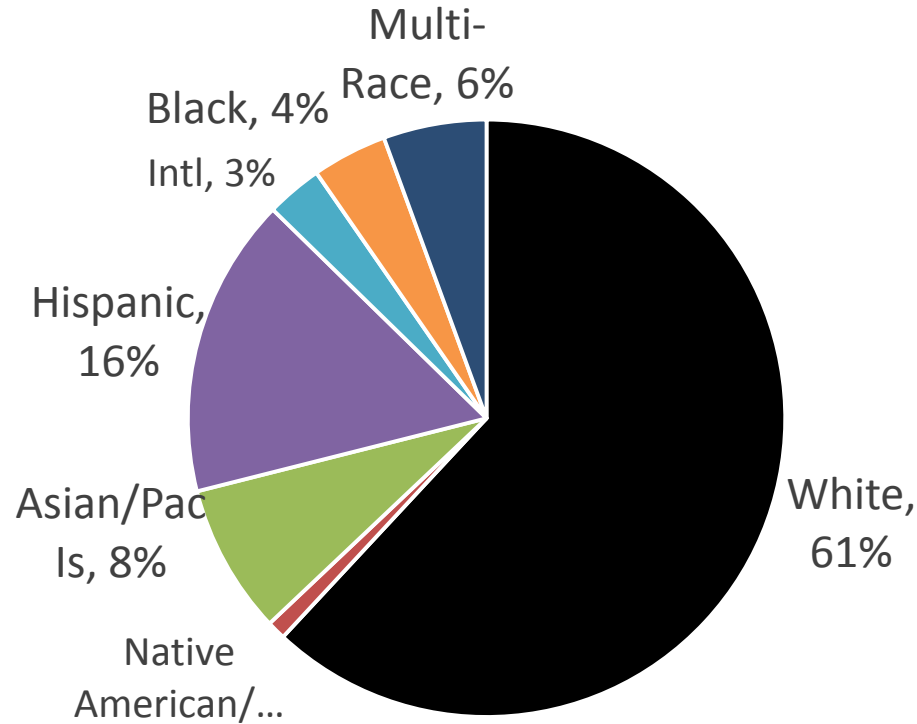

PCC Rock Creek Fall 2016 fte Distribution (10,710 total students)

■ Lower Division Collegiate ■ Career Tech ■ Post-Secondary Remedial ■ All others

PCC Rock Creek Credit and no-credit students

Hillsboro Center

76.53 fte winter quarter (+4.4%)

Oregon Promise

Fall STEM workshop with Adelante Mujeres-Chicas

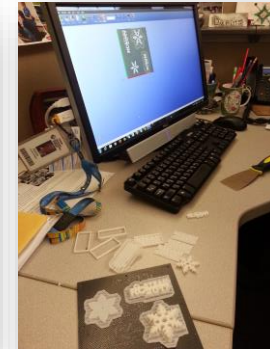

3D printing and careers in Microelectronics

STEAM Lab Celebration Jan. 27th

MeMT project

\$879,337 National Science Foundation for Scholarship in Science, Technology, Engineering & Mathematics (S-STEM) awarded to the RC Microelectronics Program.

Drive student success

Conclusion		
The findings of this project are summarized in the table below:		
Gene Locus	GEN-ACT Gene Products	Proposed Annotation
Dester, 1410	Hypothetical protein	Member of Rfam family
Dester, 1410	Uncharacterized protein	GAM-dependent RNA methyltransferase
Dester, 1410	Hypothetical protein	Ortholog of ATP synthase protein I chain, probable role in carbon export

Ignite a culture of innovation

Electric Power Generation Program

Essential skills in installing, deinstalling, maintaining, and servicing various types of power generation sets including extensive safety training.

Building 3

- Penthouse upgrades
- First floor remodel
- New Helzer Gallery
- New recording and music space
- New classrooms
- Writing Center moved back in
- New kiln shed

Building 5

- Student engagement spaces
- ASPCC and QRC
- Teaching kitchen
- New Communications and Social Sciences Division
- Food Services
- Bookstore
- Dance studio
- Classrooms

Building 7

- Roof updates and repair
- Penthouse upgrades
- Completed sculpture garden in courtyard

Building 9

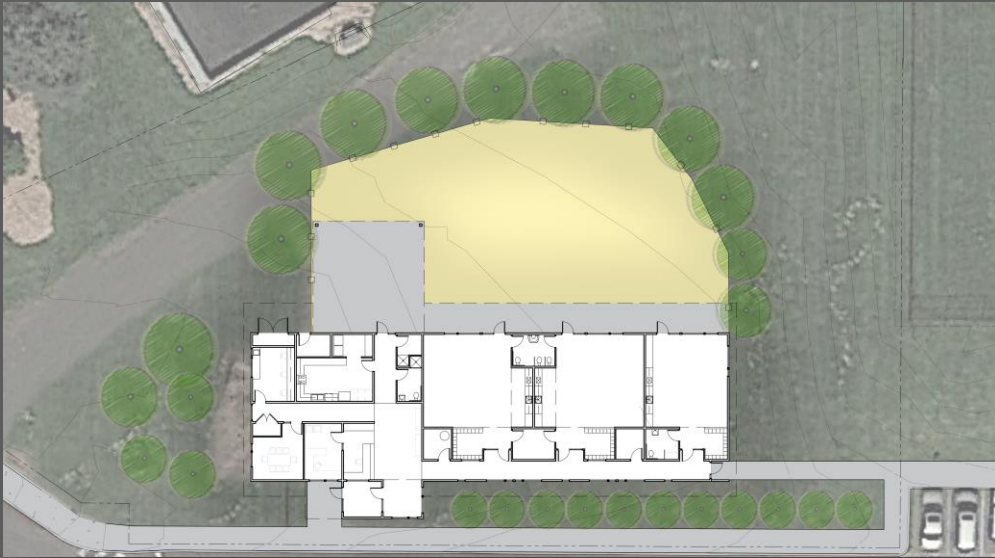

- New spaces supporting student success
 - Advising
 - Orientation
 - Testing
 - Job and Internships and Career Exploration Center
- Disability Support Services and Counseling Reception Area and new offices
- Student Conduct Officer new office
- TRIO Talent Search moving to campus
- Oregon Promise Manager located on campus

Campus West side

- Farm manager house replaced
- New cattle handling area and barn
- Clean Water Service project to control invasive species
- New egress road exiting to 185th
- Moved haz mat containers

Rock Creek Child Development Center

- 56 toddlers and preschoolers
- 6,400 sq ft
- 4,500 sq ft play area
- 600 covered outdoor play area
- 3 classrooms
- \$2.9 m. project
- Management lease contract
- Opening Fall 2017

PCC DREAMer SCHOLARSHIP

Gala

UNDOCUMENTED STUDENTS ARE **NOT** ELIGIBLE TO:

- Receive Federal Financial Aid
- Participate in federal supported programs
- Study abroad
- Take professional state licens-

Undocumented students come from the Americas, Asia, Europe & Africa – **NOT** are Latinxs

There are approximately **65,000** undocumented students that graduate from high school every year

Only **7,000-13,000** enroll in a post-secondary institution

That is about **10-20%**

Oregon Gear Up Undocumented students in Oregon. Oregon Gear Up 2015. Web March 2016

This causes many obstacles to accessing and affording higher education
