Campus Goal: Increase access to living wage jobs for marginalized populations

- Expand program offerings at Swan Island Trade Center and on campus to include apprenticeships and pre - apprenticeships in construction, health care and welding
- Finalize curriculum for creative coding degree
- Work with Portland Community Reinvestment Initiatives/ NCRC to mitigate displacement of residents from NE Portland

Campus Goal: Provide target outreach to underserved and non-traditional populations

- Develop operational plan for robust programming and adequate staffing in the Skill Center
- Create infrastructure and build on current re-entry efforts to educate and train formerly incarcerated students
- Expand programming with alternative High Schools such as RAHS and McCoy Academy

Campus Goal: Increase enrollment, retention and completion rate for students of color

- Implement Men of Color Program
- Develop bridge program for incoming students who place in developmental education classes
- Carry out Campus Inclusion Change Team (ICT) plan to create a more equitable and inclusive campus climate

Campus Goal: Make data-informed decisions regarding academic programs and student success initiatives

- Adjust budgets to support strategic and expanding programs including apprenticeships, coding, MM/MSA, Medical Assisting
- Close achievement/outcomes gaps through investment in culturally relevant support programs and professional development

Campus Goal: Expand and deepen engagement with N/NE Portland Community

- Cultivate partnerships with community-based organizations such as the Urban League, NAYA, Hacienda, CAUSA, YouthBuilders and APANO
- Host Black Student Success Summit
- Actively engage President's Council
- Work with SBDC to grow and support small business
- Continue to host community gatherings and events on campus
