

# Yes to Equitable Student Success (YESS)

2018-2019: Implementation

Presented by: Dr. Katy Ho and Dr. Rob Steinmetz  
Thursday, August 23, 2018

# Focus Areas

- Build a Foundation for Guided Pathways
- Continue PCC's Commitment to Diversity, Equity and Inclusion
- Increase Data and Technology Capacity
- Implement a Strategic Enrollment Management Plan

# Foundation for Guided Pathways

- Advising Re-design
  - Assign advisors
  - Mandate advising
  - Implement technology
- Developmental Education and Gateway Courses
  - Form faculty groups
  - Implement curricular best-practices
  - Pilot wrap-around services

# Diversity, Equity and Inclusion

- Intercultural Competency
  - Continue and expand social justice training
  - Support District Leaders of Diversity Council (DLDC) recommendations
  - Expand use of the Critical Race Theory “Take 5” process in decision-making

# Data and Technology Capacity

- Data and Information Literacy
  - Define student success metrics
  - Organize and communicate metrics to stakeholders
  - Increase resources in Institutional Effectiveness and Student Systems

# Strategic Enrollment Management

- Comprehensive Prospective Student Management
  - Fully implement relationship management technology
  - Enhance recruitment and enrollment on-campus events
  - Create targeted marketing plan
- Strategic Course Scheduling
  - Refine systems and processes
  - Create collegewide consistency while ensuring campus-based decision-making
  - Evaluate and improve internal as well as student communication plans
