

2020 Legislative Session

2020 Lay of the Land

- Cap and Invest
- Foster Care
- Housing Funding
- Emergency Services
- Safe Storage of Firearms

PCC Talking Points for 2020

- None of our \$140M ask for CTE and student support services were funded in 2019.
- We have a greater need than ever preparing for a recession, when people will flock to their community colleges.
- We have innovative, industry driven, low cost programs with proven results – it is time to fund those programs.

Winter and Spring Advocacy Plans: January
