APPROVED BY:

Dr. Preston Pulliams, District President

REPORT:

The Board of Directors of Portland Community College, on behalf of its members, students, staff and faculty of the college expresses its deep appreciation to Maureen Breckenridge for her three years of service on the Board.

Maureen Breckenridge was appointed to the Board in December 2001 to fill the unexpired term of former member Mike Hereford. She was elected in 2003. Maureen brought to the Board a strong commitment to public service and education and a deep appreciation for the mission and values of the community college.

Maureen Breckenridge served as the Board's representative to the Oregon Community College Association Board of Directors and provided the Board with insights and understanding of the operation and value of the statewide association. She devoted many hours of volunteer service to her duties as a Board member and took care to communicate with both internal and external communities about the college and Board business. Maureen's contributions to the PCC community will be missed.

RECOMMENDATION:

That the Board honor Maureen Breckenridge for her support for the college and its students, for her commitment to and leadership as a member of the Board, and for her work to promote the interests of the students and community. In addition it is recommended that the Board wish Maureen well on the next journey of her life as she relocates to the East Coast.
