AUTHORITY TO APPLY TO THE STATE BOARD OF
EDUCATION FOR APPROVAL OF THE
FOLLOWING DEGREE PROGRAM OPTION AND TWO-
YEAR CERTIFICATE IN: BUILDING
CONSTRUCTION TECHNOLOGY: DESIGN-BUILD
REMODELING

PREPARED BY:

Amy Alday-Murray, Curriculum Manager, Academic and
Student Affairs

APPROVED BY:

Dr. Nan Poppe, Vice President, Academic and
Student Affairs
Dr. Preston Pulliams, District President

REPORT:

The degree option and certificate will provide students with the opportunity to pursue specialization with an emphasis in kitchen and bath remodeling and design through the current BCT program. Course work focuses on hands-on residential construction practices, interior design and drafting. Students will participate in internships and professional organizations to enhance training and knowledge. Graduates of the program will seek employment as designers, remodelers, installers, and project managers. Materials and supplies are supported by the National Kitchen and Bath Association (NKBA), for which PCC is recognized.

RECOMMENDATION:

That the college be authorized to submit an application to the State Board of Education to add an AAS degree option and a two year certificate in Design-Build Remodeling to the existing Building Construction Technology program.

Director Germond moved to approve Resolutions 05-062 through 05-070 by consent agenda and it passed unanimously.
