PORTLAND COMMUNITY COLLEGE DISTINGUISHED  
PATRON AWARD AND 2007 RECIPIENTS

PREPARED BY: Randy McEwen, District Vice President

APPROVED BY: Dr. Preston Pulliams, District President

REPORT: The lifeblood of Portland Community College is the support the College receives from District citizens. Hundreds of people annually help the College serve students in new or unique ways, or render exemplary service for extended periods of time – with no compensation or expectation of personal benefit. Occasionally, this service rises to such extraordinary levels that special recognition is deserved.

The Board finds that the establishment of the "Portland Community College Distinguished Patron Award" is an appropriate means to recognize extraordinary levels of service to the College. Specifically:

- award(s) to be presented at graduation following Spring Term
- nominees to be proposed by District President, and approved by Portland Community College Board, via Board resolution.

The Board further finds that Sharon and Richard Helzer, and Doreen Stamm Margolin, have rendered sustained exemplary service to Portland Community College.

RECOMMENDATION: To establish the Portland Community College Distinguished Patron Award, and to present the 2007 Distinguished Patron Award to:

- Sharon and Richard Helzer
- Doreen Stamm Margolin
