AUTHORITY TO APPLY TO THE STATE BOARD OF
EDUCATION FOR APPROVAL OF THE CERTIFICATE
OF COMPLETION IN MULTIMEDIA: VIDEO
PRODUCTION

PREPARED BY: Amy Alday-Murray, Curriculum Manager, Curriculum
Support Services

FINANCIAL RESPONSIBILITY: Kate Dins, Division Dean, Business, Technology, &
Public Services

APPROVED BY: Dr. Christine Chairsell, Vice President Academic and
Student Affairs
Dr. Preston Pulliams, District President

REPORT: A new certificate of completion in Video Production was developed with the intent of replacing the current certificate as a result of the merger of the Multimedia and Video Production programs. The rationale for the merger is due to the construction of the new facility for the Multimedia program located in the Moriarty Building on the Cascade campus. The consolidation will allow the College to eliminate duplication of services, better utilize resources, and simplify marketing strategies. Additionally, Multimedia course work is embedded in the certificate resulting in a more comprehensive and thorough course of study. Once approved, the existing certificate of completion will be eliminated.

RECOMMENDATION: That the College be authorized to submit an application to the Oregon State Board of Education for a new certificate of completion in Video Production.
