AUTHORITY TO INCREASE STUDENT ACTIVITY FEE  
FOR THE 2008-2009 ACADEMIC YEAR

PREPARED BY: Wing-Kit Chung, Vice President, Administrative Services  
Dr. Christine Chairsell, Vice President, Academic and  
Student Affairs

APPROVED BY: Randy McEwen, District Vice President  
Dr. Preston Pulliams, District President

REPORT: The Deans of Student Development, the Council of Presidents of ASPCC and other student leaders have been working on reviewing the student activity fees. The student leaders originally proposed a \$.25 increase to cover three initiatives: a Sustainability Revolving Loan Fund, a Club Sports program and a cost of living increase to ASPCC. Staff has asked the student leaders to study further the first two of the 3 elements proposed, and potentially bring back a future proposal. As such, the final proposal is to increase \$.05 per credit hour to cover the contractual and cost of living wage increases in fiscal years 2008-09 and 2009-10 for all staff hired by the student activities funds. The current rate is \$1.55 per credit hour charged to every credit hour a student enrolls. The proposed increase will put the charge at \$1.60 per credit hour for fiscal years F09 and F10.

RECOMMENDATION: That the Board authorize the District President to increase the student activity fee by \$.05 per credit hour effective Summer 2008. The fee will be charged for every credit hour a student enrolls.
