08-110 APPLY TO THE STATE BOARD OF EDUCATION FOR APPROVAL OF THE ASSOCIATE OF APPLIED SCIENCE: ONE YEAR CERTIFICATE; AND LESS-THAN-ONE-YEAR CERTIFICATE IN INDUSTRIAL MAINTENANCE TECHNOLOGY FOR TILLAMOOK BAY COMMUNITY COLLEGE

PREPARED BY: Amy Alday-Murray, Curriculum Manager

FINANCIAL RESPONSIBILITY: Lori Gates, Dean of Instruction, Tillamook Bay Community College

APPROVED BY: Dr. Christine Chairsell, Vice President, Academic and Student Affairs  
Dr. Preston Pulliams, District President

REPORT: The proposed Associate of Applied Science (AAS) degree and certificates in Industrial Maintenance Technology were developed at the request of sawmills within the local industry sector and other organizations. The program is designed to allow students to apply all credits from both certificates to the AAS degree. Students completing the program will have gained the knowledge and skills to integrate scientific and mathematical concepts in diagnosis and repair of equipment, technology, and communication to aid the team building process and product improvement. PCC oversight for the program will be maintained by the Facilities Maintenance Technology Department (FMT). The FMT has approved the curriculum for the AAS and certificates.

RECOMMENDATION: That the college be authorized to submit an application to the Oregon State Board of Education for Associate of Applied Science; One-year Certificate; and Less-than-one-year Certificate in Industrial Maintenance Technology for Tillamook Bay Community College
