AUTHORIZE INCREASE IN STUDENT ACTIVITY FEE

PREPARED BY: Wing Kit-Chung, Vice President, Administrative Services  
Dr. Christine Chairsell, Vice President, Academic and Student Affairs

APPROVED BY: Dr. Preston Pulliams, District President

REPORT: The Deans of Student Development, the ASPCC Council of Presidents and other student leaders have reviewed student activity fees and have proposed a \$.10 student activity fee increase to provide funding for creation of a Sustainability program. The program would provide grant funds for piloting energy saving and other sustainability ideas. This proposal is supported by various forums including the President's Cabinet and Budget and Planning Advisory Committee (BPAC). The current rate is \$1.60 for each credit hour each student is enrolled in. The proposed increase will raise the student activity fee to \$1.70 per credit hour for fiscal years 2010 and 2011

RECOMMENDATION: That the Board authorize the District President to increase the student activity fee by \$.10 per credit hour for every credit hour a student is enrolled in effective Summer Term 2009.
