

## How to Submit an eQuestion

**Before you Begin** – You will need to be logged into eTutoring with your username and password.

**Step 1** – From your Homepage, click on eQuestions from either the menu bar or the box.

**Step 2** – A pop up will appear with some information on eQuestions. Please read it carefully and close the window by either clicking on the  in the upper right corner, or clicking in the box at the bottom left corner .

**Step 3** – Click on "Post a New Question." The average turnaround time is posted beneath this button.

**Step 4** – Choose your Subject. Please limit your questions to the subjects available.

**Step 1: Choose Your Subject**

**Subject**  
Choose a subject from the drop down list to the right.

- Please Select -

NOTE: [click here to choose your subject.](#)

Once you select your subject, you be able to type in your question. Please fill out each area as completely as possible. This will help your tutor to help **you**.

Step 2: Post an eQuestion

Course Name

Textbook Name

(Algebra I, not Math101, for example):
